Good Organization and Enthusiasm Mark ’64 Campus Chest Drive

Over $1,500 Collected for Charity by Weekly Staff

Enthusiasm was the key word of the 1964 Ursinus College Campus Chest Drive which lasted from April 6 until April 12. As far as can be determined, there is a great deal of interest on the part of the student body and active support of the fraternities and sororities on campus, this year’s campaign bringing in more than $1,500. A large part of the campaign took place during the end of this week when all the individual contributions are received, according to Rich Flye, chairman of the Drive.

The success of the drive was due in large part to the increased awareness of the need for financial aid, the increased training of dormitory staff, and the particular emphasis on increasing the amount of money collected from the groups of students in the various dorms and a study of the Campus Chest Committee. These factors have contributed in making this year’s campaign a success.

The only apparent flaw in this year’s campaign was the lack of a definite schedule for the money and financial contributions of individual dormitories. This was partly due to the lack of dormitory staff, and partly due to the fact that the dorms were not organized in the same way.

Any dormitory staff, for the four dormitories being canvassed, was the Campus Chest Committee. Their job was to collect the money and financial contributions from the students in the various dorms and a study of the Campus Chest Committee.

The drive last week was filled with activities sponsored by the Campus Chest Committee and the Campus and by the Campus Chest Committee.

A student—faculty College Bowl was conducted on Monday, April 18, in Hembree Chapel.

A series of lectures was given on Tuesday, April 19, by Dr. J. H. F. and Dr. R. J. F. The faculty was represented by Dr. H. H. D. and Dr. B. D. B. Bob Aldred acted as chairman of the experiment. Although there was a considerable bias in many of the questions asked, the students did manage a fairly good victory with a score of 13-11.

On Monday, the faculty gave an oral examination in the Campus Chest Committee, with Mr. Hudnut, Dr. Snyder, Miss

“You to Feature Fun And Discussion At Spring Retreat

Spring Festival at Ursinus is full of fun this year and promises to be a wonderful experience for everyone. At 3:00 p.m., the first round of the “Big Bat” will hit the old bag of tricks and serve up some fine entertainment at Camp Mennonite Hill. The “Big Bat” will be presented at the Spring Retreat at Camp Mennonite Hill. The “Big Bat” will be presented at the Spring Retreat at Camp Mennonite Hill. The “Big Bat” will be presented at the Spring Retreat at Camp Mennonite Hill.

Tickets, which will go on sale in the middle of the week, will be sold at $1.00 each. The first 100 tickets, however, will be reserved for the “Big Bat,” which will go on sale at $1.00 each, and will be set up for the students of these tickets, thereby eliminating the disadvantage of the other students.

A large off-campus turnout is expected, and we would advise purchasing your reserved seat early. The “Big Bat” will be one of the finest in the nation this year, and certainly one of the finest on the Ursinus campus.

Candidates Sit Aside Issues For Personality Contest

In the forthcoming elections for the MSGA, the candidates will sit aside issues. The candidates will sit aside issues. The candidates will sit aside issues.

The Potential is There

You are the generation that will decide the future of business and the world will be in your hands. It is one thing to make a difference, it is another to be able to do it.

You asked me to suggest that we, as a group, look for opportunities to enter a business career. You can be successful and bring about the changes that you want. But it is not easy. To be successful, you must be able to communicate effectively.

Education is Power

As we go to the polls, as college students and future society, be ready to take your place in the democratic process. The college has many opportunities for you to participate in the democratic process.

Educational Budget

As an educational budget, the students will elect representatives to the MSGA Board of Directors. Will you vote today? Remember that the MSGA is a student organization.

To prepare yourself, find out as much as possible about the candidates and their platforms.

MSGA Officers to be Elected Tuesday

Cope and Wirth Run For President

The Council members of the Men’s Student Government Association announced on Thursday evening, their candidates for office in the coming year.

Voting will take place Tuesday, after lunch, in front of Freeland for John Wirth and Tim Cope, presidential candidates; Lyle Saylor and Bob Reed, vice-presidential candidates; and Les Rudnyansky, Marshall Strode, Ed Zellers, and Carl Schneider, secretary-treasurer.

John Wirth is a junior pre-med student majoring in biology whose hometown is Los Leon, Pennsylvania. For three years Tim has been a member of the Men’s Student Government Association, and now he is running for the position of president. He also has a self-help job in the athletic department.

Lyle Saylor is a junior studying pre-pharmacy at Swarthmore. His major is to become a pharmacist, and he has been on the MSGA for three years. He is a member of the Democratic Society and has been a member of that group’s leadership for two years.

Bob Reed has served on the MSGA as a representative of the freshman class, as secretary - treasurer this year, and as a member of the MSGA Advisory Committee. This year he has served as a member of the Public Affairs Board, and also as a member of the Brownback-Anders Pre-Medical Society and the Vanguard Society, and Sig Rho. Reed’s major is history from New York, City. He is a member of the Beta Theta Pi, a team, track, tennis, and swimming group. He is a member of the Student Senate, the library staff, the staff, the Writers’ Club, and the student lounge, and the Wofford Senate. He is a member of the Sigma Alpha Iota, a pre-medical student majoring in biology, and a member of the Sigma Alpha Iota, a pre-medical student majoring in biology.

A candidate for secretary-treasurer is a junior from Philadelphia, Pennsylvania. His major is in pre-law, and he is a member of the Sigma Alpha Iota, a pre-medical student majoring in biology.

Sororities Hold Rushing Parties

The informal spring rushing parties for freshmen and other interested women eligible to rush were conducted by a sorority next fall. The purpose of these parties is to introduce the potential members to the other women in the group and to introduce them to the group. The purpose of these parties is to introduce the potential members to the other women in the group and to introduce them to the group.

The speaker flew to Africa on a ten dollar maximum budget to be used for refreshments. The budget could be used in a variety of ways. It could be used in a variety of ways.

ATTENTION

Men, remember to vote in the MSGA Election, Tuesday.
About this time every semester, students begin to worry about being over-cut. Why do we have a regulation forcing us to attend classes? It is "obvious," the standard answer goes, "if there were no such restriction, no one would attend a class." To Action, the speaker usually continues... "or would they?"

We feel that Ursinus should institute a program of uncontrollable cuts. It would be far better that we present our limited-curriculum program.

The important facet of a free-cut program is that it would change the attitudes of both students and faculty. All students in any classroom would become more conscientious if they had to. Desire to learn would replace the feeling of being forced to learn. No one would be allowed to cut classes by trying to slide through as much as possible. 

The faculty's attitude would change, also, because they would no longer be speaking to a captive audience. If the students would not attend class unless they felt they were missing something worthwhile, the faculty then would have to increase their efforts in making their lectures more than just simple paraphrasings of the textbooks (which has been the practice in some cases). They would have to look for ways to make their classes interesting to the students, especially if their classes are to be cut. Of course, if this added information were given, it would be included in tests, that way insuring that the students would not miss any important points.

One added feature about free cuts is that it gives the students a check on the faculty. Professors and instructors know that if they want to retain students, they must attract them from the classroom, in most cases, it will not be given. The students can, by not attending classes, show both the instructor and the administration that they do not consider the class worthwhile. They can take what they need from the text. A few empty classrooms, and the administration inquiring as to why, will cause some red faces. Let's act like people and not an army.

Records Fall As Trackmen Run Over F&M and Leb. Val.

Franklin & Marshall

Lebanon Valley

The track team met one of their severest tests of the season last Wednesday and succeeded splendidly. F&M lost 86-63. Last year this same F&M team inflicted the sole loss on the Bears. The meet was tight throughout and a strategy change failed to secure the victory.

Bill Cooper turned in a most successful performance by winning all three events he entered and bringing a meet record in the high jump. He forfeited his spot on the mile relay team to run the two mile which he won and thus insured the victory for Ursinus. The relay team without Cooper and with a little tuffle finishing for the race to the F&M faster by about five seconds and now the meet record set by F & M. Pete Dunn won his specialty, the 440 yard dash setting a new meet record and field record with 48.9 seconds. He came in second in a 200 less than a second behind rice Hill of F&M. We got a new meet record also. Tom Walter won the 300 low hurdles and came in second to rice Hill in the 100 yard dash.

In the field events, among the

F.M. home team still made an excellent showing Phone Home

and then won the discus also. Bob Glodstein in the javelin with a javelin with a throw of 160". The victory was sweet, especially so near as to close and restricted the full effect of all offense.

Bill Cooper also on a strong showing in the 110 yard hurdles. Robert led a sweep of the places in the high jump, and Tony Ferri-

nocchi in the long jump set a new meet record in the field relays of twenty and twelve seconds. The remaining events were won by Lebanon Valley including the javelin throwing 125 feet. high hurdles and Mile Relay placing second in the two mile relay.

Ursinus also put on a strong showing. Dave Wills led a sweep of the places in the discus, and Tony Ferri- nocchi in the javelin. Ursinus track fans had an added incentive to watch the Lebanon Valley nar-

saw a new Pennsylvania Field record of 19 feet. Altogether it was a good afternoon in the track meet.

The thrilling afternoon was completed with a high jump by Buddy Krum and a jump by Jim Eichelburger doubles, Larry Honeysett, and a win in the broad jump by Bob Glodstein.

Who says marriage should come down—ask high scorers. Mrs. VanHull and Mrs. Scholl, both Ursinus girls, set a new meet record and field record with 48.9 seconds. He came in second in a 200 less than a second behind rice Hill in the 100 yard dash.

**Valerie Moritz Heads WSGA**  
Miller, Holgren, Loun, Guest Win

The WSGA announced Thursday, April 16, that Valerie Moritz will be the new Secretary of the Sports General Assembly (SGA) for the 1964-65 school year. Moritz is expected to teach elementary school in the Manor School District and to continue her studies at Ursinus. She is the daughter of Mr. and Mrs. W. L. Moritz of Elverson, Pa.

Valerie is the first woman to be elected to this important position. She succeeds Charles Heath, who was unable to serve a second year.

Valerie is a senior majoring in biology. She is a good athlete and a very active member of the women's track team. She has served on the Student Senate, the Interfraternity Council, and is a member of Phi P, Delta Phi, and Alpha Phi. In addition to her work on the student council, she is a member of the Women's Basketball Team and the Women's Softball Team. She is also a member of the Phi Sigma Kappa and Alpha Chi Omega sororities.

Valerie is an excellent student and has maintained a high GPA throughout her four years at Ursinus. She is a member of the honor society, Phi Beta Kappa, and has been elected to the National Register of Merit Students.

In her spare time, she enjoys reading, watching movies, and shopping. She is also an active member of the Ursinus Community Center, where she volunteers her time to help with various projects.
