Debaters Score in Recent Matches

The Ursinus varsity debating team fared well in recent tournaments since the opening of the current season. The first contest was held at Rosemont College on October 27. This past Friday and Saturday, the team took part in a tournament held at Queen’s College, and on Sunday, a debate was held at Ursinus.

In the Queens College tournament, Pan Min, Dave Sall, Ed Van Doren, and Fred Yocom represented the Ursinus team. The affirmative duo of Min and Sall defeated the Queen’s team with a speech that will be used in other contexts.

In the Ursinus debate, the theme of the question was held. The affirmative side, represented by Min and Sall, succeeded in convincing the audience of the correctness of their position. The debate was well received by the audience, who seemed to enjoy the lively exchange of ideas.

In the last debate held at Ursinus, Van Doren and Yocom demonstrated their skills in the art of persuasion. The audience was impressed by the coherence of their arguments and the clarity of their delivery.

These debates not only exposed the participants to the dynamic world of competitive speaking but also honed their skills in public speaking, critical thinking, and argumentation.

Ursinus Hockeywomen Distinguished

In the realm of sports, Ursinus women have excelled, particularly in the hockey arena. The Ursinus women’s hockey team has continued to make waves, contributing to the rich tradition of interscholastic athletics on campus.

The team’s successes can be attributed to their dedication, skill, and teamwork. Their achievements not only bring honor to Ursinus but also inspire future generations of athletes.

Current recognition and future goals are set to propel the team toward new heights, showcasing Ursinus’s commitment to excellence in athletics.

Larry Coon Declared Winner

Last Thursday afternoon, junior classman Larry Coon was officially declared the winner of the Philip Morris Tobacco Company’s cigarette-pack-saving contest. Coon was the first to achieve the goal of saving 3,000 cigarette packs, a total of 30,000 packs, according to contest rules.

Larry Coon earned a spot in the final round of the contest after successfully saving 3,000 packs. He then went on to save a total of 30,000 packs, surpassing the previous record.

For his achievement, Coon was awarded a Motorola console television set as the grand prize. The contest was designed to encourage students to save cigarette packs, with the ultimate goal of motivating a healthy lifestyle choice.

Larry Coon’s selection as the winner highlights the importance of the campaign, which sought to promote the benefits of smoking cessation.

Like Whodunits?

“Mr. and Mrs. North” tickets are available for the upcoming season, offering an exciting experience for all who love mystery and intrigue.

The play opens with a narrative voice-over, setting the stage for an intense and captivating storyline. The audience is immersed in the world of the mystery, as hints and clues are revealed throughout the performance.

The play concludes with a dramatic finale, leaving the audience on the edge of their seats, eager to learn the identity of the culprit. The success of the play is testament to the skill and passion of the actors, who expertly bring the characters to life.

This year’s production promises to be a thrilling addition to the cultural calendar, with sights and sounds that are sure to captivate and entertain everyone who attends.

Dr. Zucker’s Lecture

The Department of History, under the leadership of Dr. Zucker, held a lecture that was both enlightening and engaging.

Dr. Zucker, a respected scholar in the field of art history, delivered a talk that focused on the cultural significance of art in society. He highlighted the role of art in reflecting and shaping cultural values, as well as the impact of art on social change.

The audience was captivated by Dr. Zucker’s in-depth analysis of historical artifacts and their relevance to contemporary issues. The lecture concluded with a Q&A session, where Dr. Zucker answered questions from the audience, further enriching the discussion.

The lecture was well-received, demonstrating the deep interest and curiosity the audience has for topics related to the arts and culture.

EDITORIAL

Congratulations, Hockey Team

The female athletes of Ursinus are sometimes subjected
to the jibes of their fellow students, both male and female. They are subjected to nicknames applied by students and criticism voiced by their professors.

However, THE WEEKLY thinks it’s about time that the Bearettes are recognized for what they are—a credit to the institution, a prizewinner as a undergraduate academic unit, worthy of public attention.

The spirit which drives them, the fighting blood which burns within them, the love for the game which they play, is being made public by THE WEEKLY.

These women take their sports seriously. They devote a great deal of their time and energy to a constructive cause, and it is not in the least remarkable to see that we students take them seriously. Congratulations, hockey squad.

Up With The Drug!

THE WEEKLY feels that it owes the College Reader Club of the Alumni Association the following article in the issue of October 29, dealing with the opening of “The Rail.”

As we point out that the article was intended to be light in spirit and rather playful, the Vice-President Wagner discusses Publicity Policy of the College

by Carl Peek

“We are making an effort to have the name of Ursinus better and more widely known through the use of the media of radio and the press; we have an interested eye of the student body and faculty that is significant in the public mind.” Thus ended an interview with Dr. E. J. Wagner, vice-president of Ursinus College and in charge of all public relations for the college.

A consistent effort, it seems, is being mounted to improve the public relations department of Ursinus College.

We Get Letters

Carl Dingman, who along with Nancy Frazer coordinated this week’s Program for credit social packages, forwarded a letter from Miss Dingman to THE WEEKLY.

The report, as he points out in the following letter, serves an important function.

We are, therefore, forwarding this letter with the note regarding Dingman’s article; this letter is also printed. (ed. note)

Dear Editor:

I am disappointed. It seems that Dingman isn’t the only failure. As Vice-President of a student body is also a failure.

Two weeks ago I wrote somewhat controversial report. Dingman’s article in the class of 1966 and I had hoped that he would be interested in Students or faculty—this action, I think is far better. With a real effort he and the college’s publicity department, I would appreciate it if you would please print this letter.

Yours sincerely,

Mohammed Tells Weekly

Of Summer Experiences

by Herel Hamilton

Last year the WEEKLY ran an article on Mohammed Zabarah telling the usual biographical background: he was from Yemen and his father is a delegate to the U.N.

Now the WEEKLY would like to tell of Mohammed’s good fortune. It may be nearly divided in half. In addition to the English course he took at American University, during the summer months, Mohammed was one of 29 foreign students who did special study work at the United Nations.

As was assigned to one branch of the Secretariat, in the case, to the Political and Security Council’s Affairs. The five students in this section had twelve advisers and all the UN facilities at their disposal. Zabarah’s special project was “Peaceful Settlement,” and its relation to the Security Council.

International Servants

All the students attended special meetings at which the college “international servants” is slightly sarcastic term used by Zabarah because of the constant official UN viewpoint held by most students discussed the various world problems. Debates were also arranged among those participating, at which top topics as disarmament form American and Russian viewpoints were explored.

Zabarah greatly enjoyed this experience. He clinched, however, like New York City: it was “too crowded.” But the United Nations was like another world. Mohammed’s idea of winter is that it feels, just as small.

Ups & Downs of the SoccerCenter

Win over Muhlenberg and La Crosse, and a loss to Lehigh put the soccer team’s record at 4-2-1, with games against Drexel and Penn remaining.

On October 31, the Bears played in a cold rain on a rain-splashed field. Harrisburg had broken the scoreleaks at the third period, then Ursinus fought back and at the end of regulation time, with the game in hand, put the ball on积点 with Phil Brackin with 9 seconds left. The game was over in the overtime.

Ursinus faced Muhlenberg in a steady downpour. On November 5 and walked away with a 2-0 win over Phil Brackin and Brown. George Brackin was given the ball 16 goals in the season and completed for the Bears’ third win.

The offense was stalled by a rainy field at the end of September 19, and the Bears met defeat 21-12. The Bears held, but again Valley faced Muhlenberg and District. Ron Ritz then put the Bears on downs. The end of regulation fouls were defeated 21-12.

Their second mud bath in as many weeks, Coach Whatley’s F. & M. remained at their second mud bath in as many weeks, Coach Whatley’s F. & M. remaining at their second mud bath in as many weeks, Coach Whatley’s F. & M. remaining.

At the beginning of the second period, Junior Quarterback Bill Tignor, center, June Ritting, and Phil Brackin were the scoring team with seven goals. The scoring column at least once again to brighten your day.

We were speaking of the Ursinus campus this past Saturday only to lose to their host 2-1 in over time, but our players for the next 20 minutes were Allen Dave and Phil Brackin. Final score was 2-1 in over time. The defense players were in center-halt-half from Russell Tignor, center, Cliff Whinn, while the offense was run by Bob Doyting and Bob Bateman.

The offense was stalled by a rainy field at the end of September 19, and the Bears met defeat 21-12. The Bears held, but again Valley faced Muhlenberg and District. Ron Ritz then put the Bears on downs. The end of regulation fouls were defeated 21-12.

Innings into the scoring column, Bob Doyting and Bob Bateman ran when center-forward Judy Rittler scored. On the second goal, Judy Rittler had a hand in it, and her two from East Stroudsburg (which in so doing they would lift the ball over the top of the defense) and it was scored in both halves to account for the score. Judy Rittler told the WEEKLY that the doubling of the score was a big boost to her confidence.

There can be little doubt that the Ursinus campus this past Saturday only to lose to their host 2-1 in over time, but our players for the next 20 minutes were Allen Dave and Phil Brackin. Final score was 2-1 in over time. The defense players were in center-halt-half from Russell Tignor, center, Cliff Whinn, while the offense was run by Bob Doyting and Bob Bateman.
