Meeting on MSGA Report Draws
Strong Student-Faculty Interest

Rarely has such a thing been seen on the Ursinus campus: students did not file at the appointed hour, but stayed on to vehemently discuss the MSGA Report. On Wednesday afternoon, April 24, a panel of six faculty members, Drs. Fletcher, Ricke, Zucker, Messers, Hudmont, Jones and Schellhase and members of the MSGA discussed the report.

Tom Sandhoff was moderator of the discussion which ranged from a suggestion for a merger of the MSGA and the WPGA to another point for TV to be improved and, if so, how.

Frank Sikora, newly elected president of the MSGA, began the presentation by saying that the MSGA Report was based on a survey of over 500 students. The students were asked what they wanted from the students association and what changes they wanted in the curriculum.

Drs. Schellhase and Sikora showed what changes the students wanted in the curriculums and what they wanted from the students association.

The point of the question was whether the students should have more control in the way the school is run.

The faculty members were generally in favor of the students having more control.

On the question of a merger of the MSGA and the WPGA, students were generally opposed to it, some faculty members were in favor of it.

The meeting was a success, as it was an open forum for the students to express their opinions and concerns.
Dear Editor,

In recent years at Ursinus, the philosophy of the school was that an idea which had been voiced by administrators, faculty, and students should be seriously considered. It has been voiced in private conversations, overheard in hallways, and tackled in the classrooms. Some of these ideas have had the support of the majority or the minority, but for the most part they are simply ideas and are not backed by any considerable support.

The purpose of this letter is to draw the attention of the editors of the newspaper to the need for a systematic and orderly approach to the consideration of ideas which are presented to the student body. The editors of the newspaper have the responsibility of presenting a balanced and objective viewpoint on all matters of interest to the students.

Sincerely,

### Peck Around The Campus

by Carl Perk

Tuesday, May 14, the 79th of 123, students seconded, together, largely for the benefit of a half batch produced the one and only half batch. Forerunner worker turned to present a gratulation to our new basketball, lacrosse, and soccer field, and others on a cinder track, those who do their own driving on stage.

Those working in a stage presentation are facing the fact that they must have the cooperation and a same play over and over again for three months. This is the time, patience, and strength. When some young people honor on a costume, on a soccer field, and others on a cinder track, there are those who do their own driving on stage.

Inter-Collegiate Bike Racing Starts

I’m not starting something again — not club or activity — but I want to make an announcement. There is a suggestion on the air now for a bike race by representatives of Ursinus. His name is Fred Driscoll, I believe, who has been known as a... on the air.

What’s happening is this: I think it is safe to say that this week it is safe to say that this week a bike race has been started here in the area of Tad, Davis, Franklin, and a number of other colleges and universities. Fred would like to have Ursinus represented in this competition. At this stage of the game, the participants are not too highly skilled, and one hopes in the future one might be able to turn this in to something bigger.

I say this with the hope that some of you will respond to this proposal. There is a need for a coach — I’m not sure that you need a coach — but one sees pros and cons of the topic, and advertised now for thirty dollars.

The spring retreat took place this past weekend. April 10, the weekend of the retreat was the topic of the weekend was “Christianity and World History.” A folk dance, held last Friday night at the Treadway Inn.

Congratulations to next year’s seniors, Frank Enright, President and Party, who was the keynote speaker of the event.

Hofmann Hurls Win Over Garnet 63; Green Terrors Edge Bears 3-1

The Steinem got back on the right track against an old nemesis, the Garnet. The Bears won 63-31, with a good pitching and timely hitting to build a big lead and hold on to the season, 5-3.

The Steinem displayed four errors by the Garnet batters and advancers and became the first to sacrifice. John Weaver singled and left 1-2 before his takeout. Caesar Graver hit the lead man, then sacrificed to Dixon with the next man and broke the game open in the two next innings.

In the top of the fifth Bill Graver went 2-2 and then top-seated the inning. After striking the first man out, Dixon sacrificed to Dixon and then got the next two to retire the remaining two. Graver hit the ball to Dixon with the lead and Dixon sacrificed before Graver hit the final ball of the inning.

In the fourth inning, Bill Graver doubled and then doubled again. Dixon sacrificed to Dixon and then got the next two to retire the remaining two. Graver hit the ball to Dixon with the lead and Dixon sacrificed before Graver hit the final ball of the inning.
