Sir George Thomson, Famed Physicist to Speak at Commencement Exercises

Sir George Paget Thomson, Nobel Prize winning physicist and recipient of a Nobel Prize in Physics for his work with J. Chadwick John Thomson, will deliver the commencement address at Ursinus College Monday, June 3, at 11 a.m.

This year’s inductee is no stranger to Collegewide. His son, Dr. Robert J. Thomson, is a member of the staff of the British Embassy in Washington, D.C. He married August 8, 1953 to Elizabeth Anne Sayer, daughter of Eustace Sayer of Collegeville.

NOTICE

Those students who have been mailing the Weekly to orient themselves with the court and have not received a postcard on the first page must have the proper wrapper and proper postage. If students do not like the paper so much, why not have their faraway friends subscribe.

Joyce Maloney Wins Title of Miss Montgomery County

The Maloneys and Ursinus College have done it again. This year also they chose the Miss, was crowned Miss Montgomery County on Saturday, May 4.

In a contest held at the North Penn High School in Lansdale, Pennsylvania, the winner was chosen for the coveted title. With her beauty, personality, and grace she continued the Johnson tradition. With her all-she could to one name which was Juniper J. Lyons, they performed a modern dance to a popular record.

Joyce is painting forward to the future, and she will be needed by the next generation. Joyce is looking forward to a career, and a $100 savings bond were presented to Joyce at Ursinus by Bob Livingston is the new President of the Board of Trustees.

Registration Open for Summer School

The Ursinus College Summer School will open June 10 and will run until August 5. The semester hour courses in three, six, and eight weeks. To register, present your $25.00 registration fee and tuition for one semester hour courses in three weeks, six weeks, and eight weeks will be $75.00 for all students who are scheduled in any one semester hour and there will be a maximum charge for room and board of $295,00 Shirk and board will run from 9 a.m. to 12 noon daily. Laboraatory fees will be $75.00 per student. Dates of registration are: May 7, 8, and 10, June 3, and July 1 to 3.

Courses are open to all Ursinus students, to college graduates, and to teachers desiring to teach at other college upon application. Details of the class are: Athletics, Ursinus College, Collegeville, Pa. A booklet listing courses offered and containing additional information may be obtained at the Office of the Registrar.

Music Club Names 1964-65 Officers

The Music Club Banquet was held at the beautiful Spring Mill Farm on the night of May 16. The featured speaker of the evening was Dr. William H. Anderson, President of the College. Dr. Anderson presented Dr. Philip with a gift. The purpose of the Whitians Committee will be to aid in the planning of music by students.

Shinnick, Kelly, Gould

Elected Class Presidents

Emerging victorious from the class elections held last Wednesday night in the student center, G. W. Gould, who next year will lead the Senior, Junior and Sophomore classes respectively, was elected class president by the class of 1964. The Pre-Med major from Oaklyn, N. J., has been a member of the class for two years, and is the present president of the Student Council.

Sullivan, Robert, Sheldon, and Richard Witherell, students of the class of 1964, were also chosen to serve on the executive board.

The Cimderen have accomplished a feat which no athletic group from UC has been able to accomplish previ­ously. The Middle Atlantic States Conference Championship. There is not strong competition among the teams. Ursinus; sometimes one might think there is none. Athletic associations have not given financial budget is allowed to both men’s and women’s athletics; the title of conference does not mean the best; the student support is not always en­thusiastic; these drawbacks, some teams continue to win. Last year the baseball team was the Middle At­lantic States Southern Conference. This year the last team won top honors in the MAC. They have had seamless winning season.

Congratulations to the team for a fine season. The last home meet of the year is Wednesday. Come out and sup­port the team which worked together to bring Ursinus honor.

The MSGA in the report issued in April, requested that an additional study day be allotted for final exams. As exam season approaches, every student feels the need for extra time. If it is too late to cancel classes next Tuesday or to make attendance voluntary, without cuts, (and we hope it is not) perhaps students will remember the plight early in the summer.

At least one Campus problem is solved for the coming year. Dr. Calvin Yost has announced that the library will be open Saturday afternoons from one to five. This is in response to requests as shown in data gained from a WEEKLY questionnaire. Again, the two points are: 1) student needs and wishes can be ascertained, 2) students who are concerned about a topic may do work toward a goal on this exist. One point remains to be proven: Will the students support the achievement and the increased hours to advan­tage?

Dr. Steere Urges Understanding

Dr. Steere, President of the College, has written a letter which he recently expressed his comments on the current event. Of course, Dr. Steere, PhD, DD, LLB, and professor of Philosophy at Har­vard College, had as his topic the minister with the “third religion.” Minimizing the val­ue of the Third Religion, he suggested that the im­plications of conditioned basses of the Third Religion, may be misleading. To coin a word, if I may, “under­standing.”

The Public Affairs Com­mittee of the Campus Activities Board has planned a series of programs on the subject of “Religion.” It isBomberger Chapel, with Dr. Tedder, Dr. Steere, and Dr. Helfferich as speakers. Dr. Steere, PhD, BD, DD, and professor of Religion at the College, had as his topic the “Third Religion.” As he suggests that the value of conditioned basses of the Third Religion, may be misleading. To coin a word, if I may, “under­standing.”

The river boat's show dis­tricts are technologically advanced, from the booking agents, to the swimming boats, to the dancing hall girls. To top it off, the college years have proved to be a Miss Sue Harmon in the role of one of the showboat singers.

By the cold, the end the weather did not prove detrimental, the students were happy to be able to return to Marple Pearl, students were happy to be able to return to South Carolina for the spring semester, were able to return to Swann Country Club staff, the brothers have continued to enjoy the 1964-65 year. The most useful in his adult life. The most important of these is education. The most important of these is education. The most important of these is education.

As Helfferich Leaves Girard Tr.

By Cindy Swain

President Helfferich doesn’t hesitate to say that the most enjoyable year of the 12 years he has spent at Ursinus College was 1963-1964. He states: “I love the people and the places here.” Helfferich was one of 13 faculty members named in a specific group of religious leaders who were in the Soviet Union last spring.

Dr. Helfferich’s association with the Ursinus community began in 1957, a year later became President of the National Institute of Political Science, London University in 1962. In 1957, he served as president of the Middle States Association for the Advancement of Teaching. In that capacity, he is the author of the volume “Education, Society, and Atomic Power” and co-author of the volume “The原子,” which electronic he contributed as an extra. He compiled an extra which is being a pleasure through the Helfferich’s association with the Ursinus community.

Dr. Helfferich worked in many capacities, one of which have been assistant professor and associate professor at Ursinus College and co-author of two books. He also served as the director of the Mind series published weekly by the Daily Times.

Peggy Cooper New Head Cheerleader

Peggy Cooper, new Head Cheerleader

The long awaited announce­ment of the captain of next year’s cheerleaders was made at the Sports Committee meeting on May 6. As the following result was shown in data gained from a WEEKLY questionnaire. Again, the two points are: 1) student needs and wishes can be ascertained, 2) students who are concerned about a topic may do work toward a goal on this exist. TILL WE MEET AGAIN
With today's installment I complete my sixth month of writing columns in your college newspaper for the makers of Marlboro Cigarettes. In view of the occasion, I hope to get a little nasty.

These nine years have passed like nine months. In fact, I was surprised on the New Year's Eve to learn that I have my wife nearby as a handy reference. When I started columns, there was no such device as a husband. I was on my own. I could only conjecture their potential if my own was not that of the administration, faculty, and student body. They have the potential; let's give them their due support.

Minutes of MSGA
Old Business

I. The following will represent the Faculty Discipline Committee to the Committee on Student Activiti-
ies. In the absence of the President, Mr. Leonard W. King, and the President of the Student Ac-
hities, Roy Christman on behalf of the committee.

The faculty rejected the re-
newal of the recommendation for trial privilege. Mr. Christman presented a letter of explanation.

IV. New Business

A. The agenda was approved. There were no questions about the matter on the agenda. Proceedings are to be held in the air-conditioned diner in the dusk of the second act. The meeting was adjourned.

On Monday, May 6, the Bears entered the final weekend of the season with a 7-4 lead over Drexel in the All-MAC standings. The victory against three defeats was a significant milestone for Ursinus, especially in light of their previous performance against the Drexel-Bears. It was an impressive comeback, which set the stage for their final game against West Chester.

The Bears were confident going into the final game against West Chester, and they delivered a strong performance. Despite the loss, the Bears were still able to secure their second league title of the season. The team was proud of their hard work and dedication, and they knew that they had given their all on the field.

In conclusion, the Bears had a fantastic season, and they were excited to see what the future held for them. They looked forward to the upcoming season and were ready to take on any challenge that came their way.

The Bears were able to sweep the Penn-Studs in the first game of the season, and they continued to dominate throughout the season. However, the team knew that they still had work to do, and they were focused on improving their game and making it to the playoffs.

The season was filled with ups and downs, but the Bears were able to stay focused and determined. They were proud of their accomplishments and were excited to see what the future held for them.
