Assistant Football Coach was All-East Player; Pearson Plays Baseball in Oriole Chain

by Barry Francis

The increasing success that the Redbirds have had with their offense is credited in part to the skill and football sense of Ursinus' assistant football coach Roger Pearson.

Pearson has had his position at the college for two years and offensively the team has improved each year.

Assistant football coach Pearson is an athlete in his own right as well as a first rate offensive backfield coach. Pearson is an All-East quarterback and a Philadelphia All-Football first baseman, welcome addition to the Ursinus athletic department as well as the campus. A native of Providence, Pearson has attended Lafayette Academy in his home town where he played varsity football, basketball and baseball. From there he took a year off at William and Mary where he played varsity football, baseball and basketball.

As an English major at the University of Rhode Island, Pearson compiled a solid scholastic and football record. He was All-Years Conference quarterback three years running and All-NorthEast and All-East his sophomore and junior years. His bid for a third year was hampered when he tore the ligaments in his ankle at mid season and year and he was forced to complete the season playing in a cast.

Mainline Playhouse Gives Old Play; "Our American Cousin" Seen by Lincoln

The Main Line Playhouse is offering a rare opportunity to see a significant production of a significant play in the Ford Theater, where Lincoln was assassinated. Thus, offering theater-goers a rare chance to our vocabulary.

Our American Cousin was the play Abraham Lincoln was watching in the Ford Theater on the night of April 14, 1865, when he was assassinated. Thus, "Our American Cousin" was first produced in this country on Oct 16, 1862, at the Lyceum Theater in New York. The current production, which has been under the direction of Mrs. Carver of Main Line Playhouse, is a classic of the American theater," says Mrs. Carver, "and as such, demands a style of acting not easy to achieve today." While the techniques of the period before there was stage lighting as we know it now, were tried and flamoysant," Mrs. Carver added, "we must not forget that our "Our American Cousin" a very funny play, indeed. That's why John Wilkes Booth chose the scene for his great lath moment of the third act to cover up the noise of his shot.

Performances of "Our American Cousin" will be given in the Penn Valley School, Harrisburg and Ritterhe Mini House, Penn Valley, on Friday and Saturday, Dec. 1 and 2 at 8:30 p.m. Tickets may be purchased at the door.
