College President Banquet Speech

President Donald L. Heffelfrich was the guest speaker at the spring rush banquet held by the students of Ursinus' fraternities. The banquet was held at the YMCA for the fraternities to present their programs to the freshmen.

Morale Good

Mr. Heffelfrich expressed his opinion, in response to a question by the Future Fraternity Club, that morale of the Ursinus students is not out of line with that of other colleges and in fact, quite good. However, he noted that college of this nature might be improved.

Constitution

The Constitution was examined and approved. The constitution is in the process of being reorganized and accordingly, the date of the Constitution speech will take place on Friday evening, 9-11 p.m.

Spring Rushing Periods Begin

Boys' Rushing Begins, Lasts For Twenty Five Days

During the period from February 25 through March 9, the Ursinus campus will again, without the traditional spring rushing period for second semester members, see the presence of the male members according to Gary M. Bogart, president of the Interfraternity Council.

"Rushing will be two weeks long and the new members will maneuver the same social major by Roscoe H. Kelleher, the director of the fraternity. This is a departure from previous程序s that only lasted one week.

Rushing is not restricted" by the fraternities associated themselves with the rush and likewise, the freshmen get to know the members and the activities of the fraternities to which they are interested. The men named as rushing aids are the freshmen just making the acquaintance of the campus as well as the fraternity aids.

Specific Date

Each rush period has a specific date, as arranged by the Interfraternity Council.

The cartoonist's play is typical of Feiffer's work. "Crawling Arnold" is a thoroughly entertaining piece of second-rate theater. The play is well written and shows a great deal of warmth. The editorial is reprinted verbatim below:

The first and most basic step on the road to being a BWOC is attention. Get yourself noticed. But be very, very careful not to do it the wrong way. I mean, any old girl is bound to be noticed if she goes around with a pleated skirt that says “HEEY LOOKEE ME! Don’t make such a horrid gala on your pleated skirt! ZUT! REGARDEZ MOI! This, you can do, ladies a whole new dimension of coiffures, and dignity.

Once you have been noticed, it is no longer necessary to carry the pleated skirt. It will suffer from, if time to time, you make distracting noises. If it helps, think of yourself as a coiffed, with a fresh rubber band around the pony tail. Her

So, you’ve been noticed and your image is on the road to becoming a BWOC. Each goal, in a mad effort to look like a little boy, wearing short pants, with a straight belt. But the BWOC is doing more. She has gone the whole hog in achieving little boyhood. She is even going to sit in her pockets, scale on her knees, down on her upper lip, and is followed everywhere by a dog named Spot.

At all costs, it is only day. When evening falls, her and date comes calling, you must think of the evening pageant of elfinity. She dresses in severe, simple black, relieved only by a fourteen pound shorn head. Her hair is exquisitely coiffed, with a fresh rubber band around the pony tail. Her

Bloomers are made of quilted flannel and filled with hot water, and she does not remove them until she gets to the movies.

Alas! But services, at the campus safe, the BWOC undergoes second test. The true BWOC will never, never, never, or over the college period, will ever allow such a fate to befall her. The true BWOC will pick six or seven good dates and then keep them, even if it means an occasional date with ten.

This is also the hallmark of the true BWOC.

Finally, the BWOC upon being hired by the cigarette vendor must make a sacrifice. If you are interested in a cigarette at the offer of卷 ax: of course!” For any girl that knows a Marlboro in one hand changes one instantly as a person of taste and discrimination, as the possession of an educated palate, as a connoisseur of the finer, less worldly, but very much more charming things. And, believe this, you must give to him in for a flip-top box that says “A cigarette that is not, with a filter blue filter and a flavor that is balanced, in all that it’s a taste of China.
