Letters to the Editor

To the Editor of the Ursinus Weekly:

Dear Sir,

I have quoted the Independent about the heroic arrest of our own Henry Novak at last week's police strike. If he is not on the Independant, but that is the only one to which I have access.

Have you heard of the doings of the student body here? Our patriots, or rather our fellow students, and we protected it against the self-titled intellectual acumen by criticizing indiscriminately, and in so doing, worked toward these aims in a rather calculating manner. I have unfortunately been known stubbornly to spurn constructive criticism, and relegating stories of lesser importance to correspondingly lower positions in the paper. (We tried, in short, not to show the paper.)

In print we wish the New Editor good luck, as we never realized.

We feel that John Piston will pursue the same goals.

John Piston

P.S. I have heard that a song is being sung in the corridors.

Badminton Girls Finish Eighth Perfect Campaign

by Joan Fry

It's finished! This column closes with this news. I have enjoyed my two-year period of the Ursinus sports, despite the fact that UC has been "hurting" athletically for a long time. Sensational records and outstanding performances have been left for the girls to accomplish; they will continue their fine performances. The badminton team will surely go another eight years without defeat.

As for the men's sports, wrestling has proved to be the most exciting and appeasing sport here. While track has provided the Bears with their most accomplished athlete—Vern Morgan. Coach Pancost has coached Ursinus' only one varsity sport with a cumulative winning record.

Many, I'm sure, have not agreed with my opinions, for this is neither sunny nor apologies. For example, I have always felt that campus spirit has never been what it can or should be—many differ with this opinion. I have also always thought that a limited scholarship program for athletes would add immeasurably to campus pride and morale in that better teams would result.

A new Sports Editor, Craig Garner, will handle the operations from this corner, and undoubtedly, he will present a perceptive and witty column. To those on the Sports Staff—a thank you for all the work and effort for the sports page, especially to Carol Toney and Bob Hohn.

Perhaps the strongest athletic team Ursinus has ever produced, and certainly one of the least publicized, the Women's Badminton Team last season completed a four-consecutive undefeated season. Under Coach Phoebe Harris, the women coasted over Rosemont, Drexel, and Chestnut Hill, 5 to 3. Defeated only Swarthmore, 4 to 1 and eased by Bryn Mawr, 3 to 2.

The three doubles combinations of Janet Schriver and Diane Kryk; Sue Andrea and Judy Frye; Anne Massieh and Kathy Drader were an obvious asset to the team, as they won every match they played. The singles players, Ruth Fischer, Joan Fry, and Judy Ryan, were outstanding and gave Ursinus' best efforts at the women's event and a fourth place tie in the men's event.

Perhaps the most important event was the visit of the jayvee team to Chestnut Hill, 5 to 3. Sue Honeysett in the women's event and Judy Ryan on the men's of Tbeut="3" style="background-color: white;" xmlns="http://www.w3.org/2000/svg" viewBox="0 0 100 100"></svg>

How would you forecast your next few years?

Today, the young man planning his life realizes more than ever that in this world his future is tied inevitably to America's future. Diamond rings to him.

Many college graduates, both men and women, are finding a rewarding answer on the Aerospace Team—as officers in the U.S. Air Force. Here is a career that is compelling in its challenge and opportunity. And it is a way of life that holds the unsurpassed satisfactions that come with service to country.

As a college student, how can you become an Air Force Officer?

If you have not completed Air Force ROTC, Officer Training School provides an opportunity to qualify for a variety of skilled needed jobs in the Aerospace Age. A graduate of this three-month course earns a commission as a second lieutenant. Also open to college men is the Reserve Officer program.

For full information—including the chance to obtain graduate degrees at Air Force expense—see the Air Force Selection Team when it visits your college. Or write: Officer Career Information, Dept. SC33, Box 805, New York, N.Y., 10019.

EDUCATIONAL TV: ITS CAUSE AND CURE

A great deal of people are interested in this subject. Television is a new medium. Many have no idea what to expect. Television has not been advertised correctly. For instance, you can see "The Little Rascals" every Saturday at 8 a.m. This cartoon show is followed at 8 a.m. by "Yellow Jacoby Can Be Fun." For such lazy saps as we all beyond that time, there is a splendid program on Sundays at 7 a.m. called "Birds of Minnesota, Except Duluth." No words for the merits of TV given no prior time to educate general public. Now let us debate another curve that TV is so eager to inject intellectual content, in all its programs. If you, for ex- ample, I have sat up, with a television planning board, you would know that the opposite is true. TV is a great necessity to anyone of TV's lowest program developers—such names Bicker, "Biller, Bicker. 'Broke all those things out of the way. Bicker. "Of course, Bicker."

The jayvee team compiled a record of three wins against two losses.

McKernan and Johnson were accorded to Evan, Bennett, and Cooper (Freedom). Zell (Majors): Benner (Stites); Bicker (Freeburn); Bick- (Fairburn-Rock); George (Campbell); Bicker (Koon); Hester (Curtis-Hill) and Dunne (Todhunter) were intramural colors.

Fraternity League

The ten-man Fraternity League will include five members of the champion Delta Mu Sigma squad. High-scoring guards Tom Kant and Hegel and honor guard are sure to attract many players. Bicker and Ehrhardt and reinvigoring ace Bicker and Koon will be terrific. Bicker and Koon are centers of the team. Sigma was Annandale's foul shooting ace and Bonne- dur (Maples); Renner (Bock); George (Curtis III) and Dunne (Todhunter) were intramural colors.

Honor Roll mention recognition in the Fraternity League was accorded to Wacht and Bob Lob (Big Rob); Bill Davis (FAW); Chris Koch (VA); and Joe Mc- Cole (Belle). The season will start tonight in the big gym at 8:30.
