Campus Chest Drive Is Begun Today At Noon

The purpose of this appeal is to get every student and faculty member on campus to support the important work of the Campus Chest. For this reason, all students and faculty members are encouraged to support the drive by making contributions of any amount. Contributions may be made at any time during the drive by delivering them to the Slotzke Foundation Office.

The main goal of the Campus Chest is to provide funds for the support of student organizations, clubs, and activities. The Chest also provides financial assistance to students who need help. Contributions to the Chest are tax-deductible.

The Chest is managed by a board of directors, which includes representatives from the student government, faculty, and administration. The board is responsible for making decisions about how the funds are to be used.

The Chest Drive is held annually to raise money for the Chest. Contributions are also accepted throughout the year.

Campus Chest Drive is one of the most important events on campus, and we encourage all students and faculty members to participate.
