It is said Mrs. Grant will get a million dollars from the sale of second-hand furniture, the proceeds of which will be turned over to the Italian government for the relief of Italy. The sale is to be conducted by Mr. John T. Bigelow, a noted auctioneer, and will be held in the Hall of the New York Stock Exchange on the 1st of December. The list of furniture to be sold includes a large collection of mahogany and cherry furniture, as well as many valuable pieces of oak and walnut. The sale will be conducted under the supervision of the Italian government, and the proceeds will be used to purchase food and clothing for the Italian people. The sale will be open to the public, and all interested parties are invited to attend.

The sale will be conducted in accordance with the laws of the State of New York, and all transactions will be governed by the rules and regulations of the New York Stock Exchange. The proceeds of the sale will be turned over to the Italian government, and the funds will be used to purchase food and clothing for the Italian people. The sale will be conducted in a fair and equitable manner, and all transactions will be governed by the rules and regulations of the New York Stock Exchange. The proceeds of the sale will be used to purchase food and clothing for the Italian people. The sale will be conducted in accordance with the laws of the State of New York, and all transactions will be governed by the rules and regulations of the New York Stock Exchange. The proceeds of the sale will be turned over to the Italian government, and the funds will be used to purchase food and clothing for the Italian people. The sale will be conducted in a fair and equitable manner, and all transactions will be governed by the rules and regulations of the New York Stock Exchange. The proceeds of the sale will be used to purchase food and clothing for the Italian people. The sale will be conducted in accordance with the laws of the State of New York, and all transactions will be governed by the rules and regulations of the New York Stock Exchange. The proceeds of the sale will be turned over to the Italian government, and the funds will be used to purchase food and clothing for the Italian people. The page contains a mix of news articles, advertisements, and personal notices. Here is a structured representation of the content:

**From the Editor's Column**

- A report on the weather and its impact on the county.
- Discussion on the importance of the climate on crop yields.
- Mention of local events and their impact on the community.

**Advertisements**

- Several advertisements for local businesses, including a hotel, a restaurant, and a real estate office.
- Advertisements for agricultural products, such as fresh fruits and vegetables.
- A notice for a public sale of personal property, including livestock and farm implements.

**Personal Notices**

- A notice for the burial of a family member, with details about the service and time.
- A notice for a public sale of a deceased person's belongings.

**Local News**

- Reports on local events and news, including the death of a prominent local figure.
- Discussions on the impact of weather on local activities and agriculture.

**Advertisements for Real Estate**

- A notice for the sale of a property, including details about the location and price.

**Advertisements for Personal Items**

- Notices for the sale of personal items, including livestock and farm equipment.

**Personal Reminiscences**

- A personal recollection of an event that occurred many years ago, with details about the people involved and the impact on the community.

**Local Events**

- Notices for local events, including recitations and readings by local residents.

**Advertisements for Farm Supply**

- Notices for the sale of farm supply, including seeds, tools, and equipment.

**Personal Announcements**

- Notices for personal announcements, including marriage notices.

**Miscellaneous**

- Notices for miscellaneous events and activities, including a notice for the sale of a horse and a notice for the sale of a property.

This structured representation helps to highlight the various sections and types of content found on the page, making it easier to understand the context and importance of each section.
