Women's Customs Group Set; Amendment Adds Two Sophomores

Harriss, Hollochuk, Kroschwitz, Musmon Named: Revision Allows Addition of DeSilva, Kleinhoff

The Women's Customs Committee for next year was elected recently. The committee will be composed of four sophomores, the Women's Student Government secretary, and the student representative from the W.S.A.G. On May 10 an amendment was passed by the women students to admit two additional sophomores to the committee. The amendment would also include the sophomore class representative on the committee.

Placement Office Names Openings Filled by Seniors

Professor Minnich of the Placement Office has released a list of these seniors who have done well after the coming graduation. Don Fessman will work for W. The Advantages of Ursinus College
by Richard E. Levine

It has been suggested recently that Ursinus is little known outside of the immediate area. However, we feel that there is great potential for Ursinus in becoming a national institution. The advantages of attending Ursinus are many.

1. The liberal arts curriculum provides a well-rounded education.
2. The faculty is dedicated to teaching and research.
3. The campus is located in a beautiful setting.
4. The student body is diverse and supportive.
5. The cost of attending Ursinus is reasonable.

Chapel Commentary

Sunday, May 3

"What is man? What's his duty?" Mr. Ricketts began his community presentation with these questions. The discussion was based on the ideas from both Russell Kirk's "The Conservative Mind" and Charles Waddell Cheney's "Conscience of a Liberal". The speakers felt that the stormy climate of American politics and culture is not necessarily the fault of the citizens, but is also due to the universities that have maintained a "deaf ear" to the social, political, and moral pressures. The speakers noted that the social, political, and moral pressures are the driving forces behind the social, political, and moral atmosphere.

The issues discussed included: the role of the churches in society, the role of the universities in society, the role of the media in society, and the role of the government in society.

A person who has done more recent work in a similar topic is Mr. Ricketts. He has written a book on the same topic called "The Conservative Mind". Another person who has written on a similar topic is Mr. Cheney. He has written a book called "Conscience of a Liberal".

The speakers felt that the university should be more responsive to the social, political, and moral pressures. They felt that the university should be more responsive to the social, political, and moral pressures.

Williamson's Two Blows Lead Way to 11-5 Win Over LaSalle

by Rocky Roberts

The closer duo of Terry Shan­
er and Barrie Williamson paced an upset victory over a polished LaSalle nine, 11 to 5 Wednesday afternoon on the Ursinus field. LaSalle, leading their conference with a 10-2-2 count, came to Collegetown expecting an easy victory. Instead they met a scrappy, hustling ball team. TERRY Shanel, unsold for ten days with a sore arm, pitched as effectively as ever, showing no ill effects from the lay-off. Besides his excellent pitch­ing, Shanel contributed two singles to the Ur­sinus batting column.

Williamson Clouts Two

This time, however, it was the game batting, 413 and lash­tenous home runs. To his bi­lle­when he cut down one with­humping off the line. Coach Pancoast, feat­that William­

Williamson is among the Sco­nies hurlers Ursinus has ever seen.

As early as the first inning, the Bears were on the move. With the aid of a costly striking error and the first of the five runs with the mound victory, Shanel slugged a drive for the over the left field fence making the score 6 to 0.

In the second inning Doug

The bright spot in an average as the powerful hitting and "jacks", offset by the grand slam, and third baseman, Barrie William­son. His flaw is not play­

and Walt Diehm, his own record of 14.8 and is one of the few senior starters turned in for this year. Godd also took fourth in the 320 yards which again were won by Neil who broke his record of 13.93 "D", but a good throw condition. Neil Johnson of Wag­

s. He then turned over the teams and coaches, but the the Middle Atlantic Conference

The next track star, with his superior fielding of the Bears' ability for the Major Leagues.

Big sticks for the lassies sung guns to walk the first two in the second and third as the West Chester University and Lebanon Valley remain cause the bench.

According to reports, many of the pitchers tend to commit unnecessary mistakes.

Another account, however, which he has ever seen.
