The Advantages of Ursinus College
by Richard E. Levine

I would like to take this opportunity to commend the
people who have helped others to find the advantages of
the M.S.G.A. as we enter its second year of operation.

Mr. Tyson's ability to involve students in his many activities,
into the community, is very much appreciated by me
as well as the students themselves. The advantages
of Ursinus College to me are many:

1. It provided me with an education that is more
liberal and broader than any other education I could
have received. I have learned more in the two years I
have been at Ursinus College than in any other two years
of my life.

2. It has given me an opportunity to meet people
from all walks of life, and I have made many new friends
that I could not have made elsewhere.

3. It has provided me with a wide range of
opportunities to develop my talents and abilities.

4. It has given me a chance to see the world
from a different perspective.

5. It has given me an opportunity to see and
understand the world from a different point of view.

6. It has given me an opportunity to see the
world from a different perspective.

7. It has given me an opportunity to see the
world from a different perspective.

8. It has given me an opportunity to see the
world from a different perspective.

9. It has given me an opportunity to see the
world from a different perspective.

10. It has given me an opportunity to see the
world from a different perspective.

The advantages of Ursinus College are many, but
the most important one is the opportunity it provides
for personal growth and development.

I would like to recommend it to everyone who is
looking for an education that is more than just a
preparation for a job.

Sincerely,

Richard E. Levine

Williamson’s Two Blows Lead Way to 11-5 Win Over LaSalle

By Rocky Roberts

The closer duo of Terry Shannon and Barrie Williamson paced an upset victory over a polished LaSalle nine, 11 to 5 Wednesday afternoon on the Ursinus field. LaSalle, leading their conference with a 10-2-2 record, came to Collegeville expecting an easy victory. Instead they met a scrappy, hustling ball team.

Terry Shannon, solid for seven innings with a score, pitched effectively as always, showing no ill effects from the loss. Besides his excellent pitching, Shannon contributed two powerful four-run blows.

Williamson Clan

Barrie Williamson was the star of the ball game, hitting .433 and130 in his three at bats. His home run was the launching pad for the Bear’s rally in the fifth inning. And after his two-run double in the game’s first inning, the bat slowed down somewhat. "You can’t expect a double hitter to hit for average," Coach Pancoast, feel that Wills is among the finest hitters Ursinus has ever had.

As early as the first inning, the Bears were on the move. With the aid of a costly fumbling error, Vern Morgan scored and was in scoring position for the tally of the score.

In the seventh inning, LaSalle had the bases loaded with only one out. "It was a tense situation, with a fast ball," Coach Pancoast said. "But I was glad when I saw Barrie reach base.

In the seventh inning Doug Harper walked as he had done in the third, but the out was on him again, this time the second LaSalle fielder on relief pitcher Pet Zalmer.

LaSalle scored two runs in the top half of the inning, normally easily pitched out of the inning. This is the pattern of their team effort and the spirit of the ball team was evident in the game.
