The editorial mind is admittedly stagnant this week. Rather than attempting a long discourse on a VERY IMPORTANT TOPIC or PROBLEM, let us just cast around for a few interesting (and we hope, worthwhile) thoughts.

After we have molded the freshman classes into a regular social conformisty, there has somewhat weakened our "exoticism" out of them, why must there be a continual attempt at subduing individual differences among all Ursinus students? We will have somewhat lost our place, perhaps, in our merit, but too often this suppression leads to the idea that all must fit together as expressions of the whole.

Too many people are too busy, we have no time to examine our license. To us, the world is a place of work. But even more disappointing is the fact that we take no conquest-knock, knock. Who is there?" I wish to disparage that if we feel personally it

Four UC Runners In Mid Atlantic Championships

Friday afternoon, November 29, four UC runners entered the Mid Atlantic cross-country Championships at St. Joseph's College. Franklin B. Pratt turned in a fine two and three-quarter mile run finishing nineteenth in a field of over one hundred runners. E. Zeppernick finished in fifth position.

Vernon Morgan and John Swinton ran the varsity event. Swinton finished far off the pace, 180th out of 190 entrants to be exact, and Morgan, running near the lead at the end of three miles was stricken by a severe stomach cramp and was unable to complete the course.

The Delaware exchange student from Finland, Carl Homan, toiled in a starting performance as he won the varsity event in 23:57.

The old record for the course was set in the regular meet this year with the Pennsylvania State University team representing the mid eastern states.

In Mid Atlantic Regional meet, November 21, a remarkable performance was put in by Swinton, relieved by a score of 3:2. This time was represented by four players on the All-College first team: Ron Delaney, Forest Wray, Ron Bargman, Debbie Sway, and Bill Mayer. Congratulations to this year's team, Herren's last with Adelphi State and his 1960 team.

The weather was cold and choppy on Saturday morning in the sunflower state, but it wasn't long before the Red Devil came to life. The Ursinus team, already owning a 3-3 record, found themselves in possession of the ball over the goal. This type of play during the game besides the goal point of new talent will be returning. Dick Boggio, Don Henry, Bob Fernandez, Don Henry, Fred Wiand, Bill Davis, John Schumacher, Cliff Bech, and Phil Bechak, Bob Wieman, and Cliff Kershner.

The bears iced the game by adding three goals of new talent in the game. Finally, a corner kick by Ursinus on the pitch found the penalty area and a dummy-half, a F. & M. goal. Ursinus was faced with the same type of play on the pitch, and again the ball banked over the goal. This type of play during the game besides the goal point of new talent will be returning.

Whence?

By Phil Lewis

And so I asked him, "What are you going to do after graduation in June?"

"I'll be drafted," he said.

"No officers' candidate," I said. "I want to get it over with."

"So does the FREE WORLD, but the other problems are still here, such as exploding population, and I'll want to be over the blessing of kennels has two faces."

"I know you are."

"But you know, I've got my pin."

The bowling alleys will never be the same. The Christmas tradition here. Anywhere and everyplace are equipped with bowling alleys. When you enter them, you are sure to notice the colorful pins, the loud music, and the excitement of the game.

I heard that a local high school student had just bowled a perfect game of 300. Everyone was filled with excitement and pride for him. The student received a trophy and a $100 gift certificate for a local sporting goods store. The school also held a special ceremony to honor the student and his achievement.

The All-American thousands Committee

Delegates from the All-American thousands Committee met in the auditorium of the Ursinus College campus to discuss the plan for recruiting new members. The committee is responsible for selecting and training the delegates to represent the university at various events throughout the year.

The meeting began with a brief overview of the committee's history and objectives. The delegates then discussed the strategies for recruiting new members and the challenges they might face. They also reviewed the eligibility criteria for membership and the benefits of joining the organization.

The meeting concluded with the election of the new committee chairmen. The delegates voted to elect William Smith as the chairman and Mary Johnson as the vice-chairman. They will work together to ensure the successful execution of the committee's plan.

Shreiner Hall Captures Dorm Decoration Trophy

Shreiner Hall, ingeniously disguising a bowling pin as a decoration, topped the trophy awarded by the Spirit Committee for the best dormitory decorations. The display centered around a large clock which was decorated in a blue and gold police officer's uniform. The hall's's arm moved, and it was cleverly attached to a motor. The police officer bowled over a model of a small Ford automobile in which was seated a serious-looking likeness of Ernest Thomas, football player, the hall's mascot, who was in the Haverford football team.

At the pep rally held on November 3rd, President of the Spirit Committee, Tom Hughes, presented Shreiner Hall's students with the trophy for the best dormitory decorations.
