SPORTS TALK

Again, in spite of the fact that they were defeated, the football boys can feel that Ursinus was a better team. Their defense held the Johns Hopkins 11 points only a point after the Blue Jays scored 26 against Franklin and Marshall. And the Bears stopped playing and never again. December 13 years ago because it had grown so large as a school that our team was no longer in the same category as it is now.

That the team could hold Hopkins to two wide spaces, touchdowns should be considered quite a feat.

Unfortunately, the team didn’t have the physical ability to parry or parry its strategic ability to watch its strong defensive play. If it can develop more attacking power, the Bears could be a threat to any team on its schedule.

This Wednesday the soccer team plays its first game of the season. It will be at home against Rutgers, last year’s division champions. Unfortunately, because of injuries and several other reasons, the team will not be at full strength on opening day.

But in spite of that, it should be a good game. All those who would like to join the ranks of the Spectator Spectators are welcome to the game at 3:30 o’clock for those interested.

With the falling of leaves and the onset of pesky weather, the hockey team resumes practice for another successful year. In the last few years Ursinus hockey teams have gained prestige for their skill and sportsmanship. Their record is paralleled by few. The team has lost only three games in the last three years.

The team has lost only three games in the last three years.

The team will not be at full strength on opening day. The Bears will lack depth. There are two or three good attackers at each position but can do a quite adequate job. The forward line appears fast, but plays in spurts. A game situation with the pressure on should cure this fast. A strong and aggressive defense will make it difficult for an opposing team to score. The team on the whole looks excellent in practice.

Thursday the soccer team plays its first game of the season (14), when they meet Swarthmore on the home field.

DON’T SETTLE FOR ONE WITHOUT THE OTHER!

Change to L&M and get ’em both. Such an improved filter and more taste! Better than in any other cigarette. Yes, today’s L&M combines these two essentials of modern smoking enjoyment—less tar and more taste—in one great cigarette.

A hundred points in a basketball game by one player! They said it couldn’t be done. But in 1954, Dr. Cameron (head of the varsity team) of Ohio’s tiny Rio Grande College, re-wrote the record books with the greatest scoring feats, including a 314-point game. Ben’s season total—1,954 points.

Mon, November 11, 1958—The Ursinus College soccer team played its first game of the 1958 season and lost to Johns Hopkins University 1-2.

The Blue Jays took the opening kickoff and drove 80 yards in 14 plays to score its first 3 points. Bob Leet, a reserve Hopkins backfield, carried for the final 3 yards to climax the drive. Leet carried eight of the fourteen plays.

Leet, who gained 117 yards on 20 carries, plunged a yard in the third quarter, for Hopkins’ second touchdowns in the third quarter. Their final drive went 52 yards in 15 plays with Leet carrying seven times.
