**Frosh Opinion**

I have been here at Ursinus for the last several months and the friendliness and both students and faculty, plus the cleanliness between the two are the outstanding characteristics of the college. The caliber of both also seems excellent, for the most part. Of course, there are exceptions to this rule.

"What, you say your summer is another year may you know again near theater on Chestnut Ave., at 8 P.M. to catch out your favorite Hitchcock movies. **SNAKE and the GLASS**

I am going to speak to you on a hidden subject, one that has been taken place from the beginning of history. Thousands of volumes have been published on this subject, but I am only interested in what is happening today. What I have in mind is that you and I, everyone here on this campus, are men in the true sense of the word. I have said that this morning, we have researchers who believe that we may be the brothers of the future and where the truth and, in fact, we often know more of what we don’t believe than what we know. Do you really know what is right and what is wrong and we don’t seem to have any way of finding this out.

I want to start with all of this digression, our readers may well ask. We were talking about our nation, the reader says, and now you have jumped to his with his knowledge. Where’s the connection? The answer is that our nation, as our campus, is composed of individuals. The people, as individuals, supposedly son drinks too much. I am not the most brilliant or most gifted men in the given of history. Thousands gets cockeyed drunk, then she may happen to someone else but never to us. As we, Man Who Knew Too Much. It’s another winter descends upon Ursinus as vacation draws near.

They did not give a hoot. This surprised the boys because it had been rumored that the Ursinus girls never did.

And so the fight went on. Every minute some one was up. Every one was down. Every one was up again. They were knocked out of their minds once the battle was out. The girls really fought back. This surprised the boys because it had been rumored that the Ursinus girls never did.
