Custums

by Fred Raman

In the past few weeks there have been announcements regarding the Men's Social Fraternal Organization (M.S.F.O.) on campus. The M.S.F.O. has come out against the Frosh-Freshman spending. President-elect Fred Raman, in an effort to make the M.S.F.O. on campus, the University, and the entire student body, more amiable to the object of student contempt. A few months ago I saw it irrevocably shattered, or so I thought. And now I see it accomplished.

As far as I am concerned, as long as Customs has not been gone for good. And it's about time. It's difficult not to wonder why they survive this long. The avowed purposes were never ac- cepted, but only the name of the College I have watched this decay and deterioration of our noble government association. I have seen it lower from the object of student amusement to the object of student contempt. A few months ago I saw it irrevocably shattered, or so I thought. And now I see it accomplished.

 Customs, according to the customary definition of the learned, as we have seen, is a sort of intellectual crab, a creature whose habits are such that they stifle their own growth. They are an example of that which is reputed to be true of the human mind, that it is incapable of growth unless it is kept in a state of continual activity.

 Customs has been a prop, a check against the excesses of the majority. It has been a safeguard against the excesses of the minority. It has been a check on the excesses of the majority. It has been a safeguard against the excesses of the minority. It has been a check on the excesses of the majority. It has been a safeguard against the excesses of the minority. It has been a check on the excesses of the majority. It has been a safeguard against the excesses of the minority. It has been a check on the excesses of the majority. It has been a safeguard against the excesses of the minority. It has been a check on the excesses of the majority. It has been a safeguard against the excesses of the minority.

 Customs, in short, is a sort of intellectual crab, a creature whose habits are such that they stifle their own growth. They are an example of that which is reputed to be true of the human mind, that it is incapable of growth unless it is kept in a state of continual activity.

A new idea in smoking...

Salem refreshes your taste

- menthol fresh
- rich tobacco taste
- most modern filter

Smoking was never like this before! Salem refreshes your taste just as a glass of fresh lemonade. Springfield

Spring morning refreshes you. To rich tobacco taste, Salem adds a surprise freshness that gives smoking new ease and comfort. Yes, through Salem's pure-white, modern filter flows the freshest taste in cigarettes. Smoke refreshed... smoke Salem!

NETMEN FINISH SEASON; DEFEAT ELIZABETHSTOWN, 63-3

On Monday, May 19, Dr. George Waist made another record by winning his seventh straight meet this season. This made him the only man in the state to win seven consecutive meets. The team was led by Frank MacMillan with 22 points. Two other team members also scored in the meet.

The boys' tennis team had another successful season, finishing as the second place team in the state. They defeated Elizabethtown, 63-3, in their last meet of the season.

Bears Win 10th Game, Lose Final Tilt by 8-1

Drummond Belted But Bears F., M.; Powell Drops 2nd; Bears Get 5 Hits

Ursinus College closed the 1958 baseball season by winning its tenth game of the season against Lebanon Valley College. The Bears outscored Franklin and Marshall College 5-1, in the first game, and then lost 8-1 in the second game.

The Bears scored early, establishing a 2-0 lead in the first inning on a walk and an infield hit by Bob Casman. Two more scored in the second for a 4-0 lead. The Bears went on to win 5-1.

The following day, Saturday, May 24, Ursinus traveled to Elizabethstown for the final game of the season. The Bears were matched with Ursinus suffering their third loss in a row. Elizabethstown won 8-7 in seven innings.

It seems fitting that the monthly softball game, which was held at the beginning of the season, was played by the Ursinus softball team. The Ursinus team was led by Rudy Dippl's home run and a 6-0 win over the visiting Bearcats. The Bears finally dropped a 6-3 defeat to the University of Delaware, 8-1, in the final game of the season.

The Ursinus baseball team finished the 1958 season with a record of 10-9. The team had a total of 10 wins and 9 losses, winning 6 of its last 10 games.

The following statistics were compiled by the college's baseball coach, Al Scholl, who served as the team's third baseman. The coach's line-up included all 13 players on the team.

The Ursinus College Baseball Club, with a record of 10 wins and 9 losses, finished the season with a total of 10 wins and 9 losses. The team is looking forward to next year's season, which promises to be even better.
Constructive programs are being planned. The frosh will do Friends and Fiddlers. "rehabilitate" a successful Customs "project.
