On Monday, May 26, the Men's Student Government held its final meeting of the second semester.

On Monday, May 26, the Men's Student Government held its final meeting of the second semester. The agenda for the meeting included a report on the status of the new dormitory, a discussion of the budget, and a presentation on the plans for the upcoming summer activities.

Several Faculty Members Spend Summer Abroad

This summer several members of the Ursinus faculty and administration are spending several months in Europe. Among those leaving are Donald Heitl, head of the English Department, who plans to travel through Europe for about seven weeks. Their itinerary begins with a visit to her home in France, Italy, Switzerland, and Austria. He will return to the United States via the Mediterranean aboard the Queen Elizabeth II of the Cunard Line.

The Office of Admissions has announced that 266 students have accepted admission at Ursinus for the 1960-61 academic year, the largest student body ever at the college. This total includes 214 freshman and 52 upperclassmen.

Irene F. Martin, assistant director of Admissions, said that the record acceptance rate is due in part to the fact that all of the college's departments are strong and that the student body is well balanced. She also credited the efforts of the admissions staff, including Miss Martin, who have worked hard to attract the best possible students to the college.

In addition to the record number of students accepted, the college has also received a number of scholarships. These include the Phi Beta Kappa Scholarship, the Alpha Omega Scholarship, and the Sigma Chi Scholarship.

Departmental honors this year were awarded in history, English, and French.

The Ursinus Singers will present a concert on the evening of September 11. The program will feature music by Beethoven, Mozart, and Schubert.

The basketball team has received a $3,500 scholarship from the National Basketball Players Association.

Dean of the College, the College's director of admissions, and president of the college, have sponsored a series of meetings for incoming freshmen.

The students will also have the opportunity to meet with members of the Ursinus faculty and administration at an open house on Saturday, September 12.

By the time you read this paper all the type that was used in printing it will be in the "morgue" and the Staff will have dispersed to various parts of the country for the summer to either sleep or work. Since this is the end of another term I see no harm in passing on a good wish to see what has been accomplished in the past year at Ursinus. The glance will be quick and the recapitulation will be swift and on the light. And as the clock strikes 12:31 all would be quiet as the last Ursinus stand on the threshold of future young man for executive type copy. And it will be the task of us editors to equip the student with these lasting truths. I can reason it all. Man, he is fed. And he will never know that he have, saved their very existence. Does or what it is because it gives him personal enjoyment. Maybe self-satisfaction is the ultimate reality. If there is any purpose to the intellectual search for the answer to these questions which confront him in that direction, he is in search of segregation, cold war, invariable approach, an answer. Perhaps far above us; and, as certain as the exigencies of rhyme, In every pulse-beat of the heart there is some measure of their destiny in that strife. But to the senior if significant the end of campus "life" as they stand on the threshold of success—or failure. Not exactly a trifle, nor was it far beyond belief. Everyone looked like the chap in the Good year ad (except most of the students were not carrying their shoes). The winters were tough and the place more business that night than they had for the entire school year.

These things and more, seniors, will remember long after you have forgotten the names of your professors, the courses you took, and the activities in which you participated. All these events, of course, plus the essentials of education, make Ursinus what it is.

The spring sports season just completed was a very successful one for the Bear athletes. No team could be said to have had a better year, and two of the Women's Tennis Team and the Men's Baseball Team had very successful seasons. The tennis team went undefeated for the second consecutive year and the baseball team finished with 10-5 record for a .667 percentage. These records stand out even more so because, as we all know, the emphasis at Ursinus is not on winning, but on having fun.

With this year gone, we look forward to the fall and a new group of sports. The Football team will be entering the new season with confidence and enthusiasm after an Atlantic States Conference victory.

The Soccer team will have its usual league competition as will the Girls' Hockey team. Good luck to the boys who have attempted to improve their teams and give the girls in keeping up their fine performances of the past.

The Captains of next year's teams have been chosen. Bob Shmoyer and Bob Angstadt (soccer), Jack Prutzman and Pete Smith (wrestling), Cal Fox (track), and Wally Christ (baseball). These men were elected by their teammates not only for their athletic ability, which all of them have, but also for their leadership qualities and never-say-die spirit. These are important attributes to any one in a leader position. Unfortunately not everyone is lucky enough to be endowed with them. These men have a goodly share, and with the help of those around them should lead their respective teams to highly successful seasons. (The Captains for Baseball, Basketball, and Tennis have not been chosen.)

**Baseball Squad Ends Good Season: Holds Banquet**

The Ursinus College Baseball team finished the 1958 season with a record of 10 wins and 5 losses. The team played a fine brand of baseball and our head coach, Captain O. B. Hemphill was chosen by all the players as their favorite about the team. Jim Wenhold led the club in the individual statistics. He led the team in hitting (.316) and was the only player on the team with a .300 batting average. Jim was led for the most hits by Larry Cauffman and Larry Powell. The team was led by Captain O. B. Hemphill and was a very successful one with a .667 percentage. These records stand out to the team and the whole school.

The Junior Varsity showed a lot of promise in the season and was a worthy success. The team was led by Bob Famous and Wally Christ who was chosen by all the players as their favorite about the team. Jim Wenhold led the club in the individual statistics. He led the team in hitting (.316) and was the only player on the team with a .300 batting average. Jim was led for the most hits by Larry Cauffman and Larry Powell.

**NETMEN COMPLETE MEDIOCRE SEASON: WON 3 MATCHES**

The men's tennis team ended their 1958 season with a 3 and 8 loss. Three matches were canceled due to rain and others had to be re-scheduled. The following matches were played:

1. Haverford 4-Lafayette 2
2. Haverford 9-Lafayette 5
3. Haverford 3-Lafayette 2

Cox Coach Jim King is leading the team in the individual statistics. He led the team in the overall record of the season with a .667 percentage. These records stand out to the team and the whole school.

**FAMOUS SIGNS REDS PRO BASEBALL CONTRACT**

Bob Famous, who has had major league baseball scouts on his trail for six years, has cast his lot with the Cincinnati Reds' organization.

Famous, a former star athlete of Boudinot High who had been a stand-out in both football and baseball and baseball and basketball, was a high school star and was signed by the Cincinnati Reds. The contract calls for a bonus figure of $50,000. 1958 July 25. Famous has his eyes on the big leagues. The Bear will have to wait a few more seasons before Famous, a two-sport star, will graduate and play with the Cincinnati Reds.

The contract is with the National League franchise of the Cincinnati Reds and the young right-hander will report to the Clubhouse.

**Cinderella Show Improvement Despite Injuries**

The 1958 Track team (3-5) was the first team since 1942 and only the third since 1940 to win three meets in one season. The victories, gained in the last half of the season, came against Washington, Lebanon Valley and Lebanon Valley, while the losses were suffered in the hands of Beaver, Franklin and Marshall, Hawthorne, Dickinson and Bucknell and in a tie with Swarthmore.

A big disappointment of the season was the fact that Captain Bob Famous was unable to compete through illness in the first four meets and only returned in time to compete at the final meet in the last few races. Bob Famous, a two-sport star, was a key man in the team's improvement last year and was expected to have a key role in this year's team. Bob Famous was expected to have a key role in this year's team.

To all college students who say: "show me"

Here's the chance to go and see, go and share the adventure that is Europe today

Right now, for less than $50 down, Pan Am will fly you into the heart of the live¬liest current history you will find anywhere. Here, where the free world starts, you will live at firsthand the language and the customs and the headlines you've only read on the quickest changing scene on earth. You will fly to the country of your choice (anywhere in Free Europe) on Pan Am's low Clipper® Thrift Fares.

Hotel space still available

On arrival, you will either live in one of the pensions or small hotels that are the stamping grounds of European students, a Youth Hostel (maximum charge, 30¢ a day), or join one of the many tours that will be crossing the continent this summer. In either case, you are in for an experience so wonderful and rare that you will be talking about it for years.

Guide to budget tours

To help you plan this wonder trip in a matter of hours, Pan Am has assembled for you a representative list of varied tours still open even at this late date. You will find it an invaluable guide to a quick and memorable trip to Europe, and once you have made your selection your travel agent or any Pan Am office can arrange all the details.

Go Now — Pay Later

And here's the best news of all. This is a trip you can afford right now. With the easy-to-manage Pan Am Pay Later Plan, a round trip to Europe can be yours for under $50 down. Take up to 20 months to pay the balance — time enough to earn your fare by working after school once you have returned. If you wish, your ground ex¬penses, too, can be handled on the Pan Am Pay Later Plan.

And you will travel in fast, radar-equipped "Super-7" Clippers, holders of over 15 transatlantic speed records, or giant "Super-6" — all manned by the most experienced over¬flight crews in the world. Yet all this is yours at low economy-class Clipper Thrift Fares.

Leader in college travel

You are in the hands of the world's most experienced airline when you travel Pan American, the airline that carries more people to Europe than the next two airlines combined. And you know that Pan Am, pioneer of the Bermuda College Week, is a leader in college travel, too.
