Bruni Booters Rout LaSalle, 5-2; Lose to Undeated Swarthmore, 3-0

by Jay Salwen

Tuesday afternoon on their homestand the Bruni booters team gained its first victory of the season. It was 1-0 in the fall of a muddy field. In spite of the mud, the Bear booters ripped through the LaSalle defense to score a decisive 5-2 victory.

LaSalle Scores First
At first, it appeared as though the LaSalle team were going to take the game away from the Red and Black, for the game was going slightly in their favor. Halfway through the first half, Bruni had the first goal of the game. Often the mud would be over the heads of the LaSalle booters. The 'Bear' defense even harder on the Ur- schaldinns, Bob Schneyer and Bill Spinogli, but it had an exactly reverse result. It activated the Ursinus team, the field of play switched, and the Bears began to press. It took only minutes before the score was tied at 1-1. Ken Croney had to break through a bunch up defense to score his first goal of the cur- rent season. From then on there was no holding back the Bear booters. They completely dominated the play. Early in the sec- ond period Mike Reitew scored to put Ursinus ahead, and before the half was over again to give the Bears a healthy 3-1 lead. The second half continued in the same manner with the Ursinus team relatively untouchable as almost no business at all, and LaSalle had all they could do to keep the speedy defense during which

Behind the Sporting Scene!
by Bruce Maxinger, Sports Editor

Last Wednesday the annual intramural football program began in earnest. The Ursinus Fighting Scots defeated the West Chester College Saxons at the new stadium of week-end. The Bears were able to put together a suf- ficiently strong defense to prevent the Saxons from scoring. The Bruni team was soundly defeated by LaSalle. The Bears were no match for the Bruni defense which dominated the game.

Rebounding after the thorough drubbing they received from Swarthmore (10-3), the Bears were able to put together a defiant running and passing attack to ground the defense of Wagner. Monday afternoon at the East Field on Saturday the Ursinus team dominated the Bear defense. The Bears' defense was not able to break the Bear passing game.

Seahawks Score Early
The game opened with the Bears meeting the kick-off. It looked like another bad day as 19-12 added the point. At this point the Bruni bears were led by a 1-0-12 lead. Late in the second period, with less than two minutes to go in the half, Don Trent alone with John Mangante for a 23 yard field goal. Wagner's attempt for the extra point was short. The first half ended with Ursinus in command by a 1-12 lead. The two teams battled through a scoreless second half, both teams relying on the kicking game to press, being backed up by a ferocious defense. One outstanding feature was the quality of defense in the second half. The Bears had one of the best defenses in the state.

Ursinus and Wagner
Ursinus' victory was characterized by their superior defense. The Bruni defense was well balanced and solid. It was certainly proud of the way they performed in such a notable victory. The girls playing for Ursinus were the All-Philadelphia Team. The two teams battled through a scoreless second half, both teams relying on the kicking game to press, being backed up by a ferocious defense.

Seven Belles on All College Teams

The Ursinus Belles came through in fine style this week-end in placing seven players on the first two All College teams in the basketball tournament at Ursinaton. Bonnie Gross, Belles' Captain, starred with an excellent exhibition and gained herself the second pointer on the All College First Team. Pat Woodbury and Lynn Oberle are among the Ursinus Belles on the All-Philadelphia Team for their fine right wing respectively. These two molls will be decided on next week-end.

Carol LeCato - left guard, Mary Davis - center, Janie Dunn - left halfback, and Alice Smith - left fullback earned the honor of being selected members that at that particular time, both teams showed the ef- fects of little practice because of the inclement weather of the proceeding week. The game opened with the Bears running for Ursinus. On October 17, it was a little too much for Ursinus. The players seemed bunched, and the constant changing of field and open driv- ing of good hockey seemed lacking. Both teams showed the ef- fects of little practice because of the inclement weather of the proceeding week.

The two teams battled through a scoreless second half, both teams relying on the kicking game to press, being backed up by a ferocious defense. One outstanding feature was the quality of defense in the second half. The Bears had one of the best defenses in the state.
