Dean’s List

For 1956 Autumn Term Announced

According to Mr. William S. Bills, Dean of the Student Government, a motion to appropriate to the Ursinus Weekly $25.00 to cover some of the expenses for its publication was passed. The council suggested, however, that in the future the "Y" should ask for funds only after the first issue of the publication has been distributed.

The council received from the student body approximately $41.60 for the first semester.

The King and His Six Sons

By Frank Scrack

Once upon a time, there lived a wise old king who had six sons. Each one chose a color or combination of colors to represent him. One was black, trimmed in white; another was blue and gold; and the others were maroon and white, green and white, etc.

As the boys grew into men, the king taught them well about good things, and he was wise enough to realize that the sons of one teaching would benefit the kingdom. On reaching adulthood, each son was a partner in the business. Each one realized that we are all inextricably bound together.

However, as time passed, some of the brothers began to realize that they had made a mistake. Certainly nothing could be more desirable than that they could all be one. If their hands could unite, the world would be a better place.

A great many of us think of ourselves as individuals, but there are many individuals who are so naturally bound together that it is impossible to think of them as separate.

The bond of friendship was once felt, but the world is divided now. There are many who have lost faith in the strength of the bond of friendship.

The bond of friendship is a beautiful creation of man. It is a tie that cannot be broken. It is a bond that will not be broken.

The bond of friendship is a tie that will last for all time. It is a tie that will never be broken.
Behind the Sporting Scene!

by Bruce MacGregor, Sports Editor

For those who might not know, Ursinus College was proud to have junior halfback Bob Famous named to the weekly All-East football team selected by the Eastern College Athletic Association. Bob, whose passing sparked the Bruins to a 15-12 victory over Wagner College, October 27, threw two touchdown passes to team captain Harry Donnelly in the game, one of 79 yards and the other 49 yards. Along with Bob were chosen All-American honors Jimmy Brown, Syracuse halfback; and Pittsburgh's Tom Condon. Both have retained the honor twice. The physicians picked were Prince George's College fullback Henry Long, Penn State end Les Walters; Western Maryland tackle, Bob Rainier; Williams tackle Bill Paterson; guards Shiel-Drake and Frank Guittehur, and center Jack Bender of Westminster.

This Saturday, the Stallions terminate their 1956 football season in a home contest against ever-powerful Swarthmore College. The series between the two teams started in 1922 with the Indians topping six out of eight games. The Bruins have defeated their tormentors in 1946, walking away with a 20-3 romp. Last Saturday the Indians shutout Swarthmore, 20-6, scoring all their touchdowns in five minutes in the last quarter, and out-gaining the Garnets, 290 yards to 78.

BELLES STOP TEMPLE WIN STREAK, 3-0

The Ursinus girls' hockey team handed the Temple women their first 1-0 defeat of the season on Saturday, November 8, 1956. The line-up showed well in the first half. They lacked then on the opportunity, creeps into the box. This past week-end several of the Belles brought much laurel to our college. Two weeks ago the varsity team competed against several other colleges in the All-Colleges tournament at Swarthmore and practically everyone of our fans placed the Belles on line-ups in the games. Ursinus center Bob Famous was chosen on the All-College team, earned the point of praise on the All-Philadelphia second team. Sophomore Fettes, Alice Fretz, was named to the third All-Philadelphia team. Several additional Belles played in this tournament at Swarthmore this past week-end, however, the official line-up of the four Belles teams have not yet been announ-
