Dr. W. V. Armstrong
Speaks at Baccalaureate

The annual Baccalaureate Service for the graduating class of Ursinus College was held on Sunday, June 9, at 10:45 in Bomberger Chapel.

Following the prelude, Stoughton’s "Festival Prelude", the graduating class, led by its president, Joseph Doria, proceeded into the chapel to the music of Gaabriath’s "Stately March".

Service of Worship

After the procession, the service of worship was opened with an invocation by Margaret S. Feit, President of the College. The scripture lesson was read by Dr. Norman E. McClure, President of the College. The Reverend Dr. Alfred L. Creager, the College Chaplain, delivered a pastoral prayer, and then, the worshipers sang the College hymn, "Our God, Our Help in Ages Past".

Seventeen Annual Prizes Awarded

At Commencement

At the commencement program on Monday, June 8th, the annual commencement prizes were awarded following the conferring of degrees. Below is a list of the persons and the various prizes which were awarded:

The first three are for, "Shall I Do With My Life?" There are three methods you will be able to use to help your life both better and not go wrong. We must lose the illusions of our own importance, understand the limits of our value, and to our friends. The illusions of our own importance will come to us from their desire to please us, when they have no other motive but to please themselves.

At the commencement sermon, the Reverend Dr. David J. Hudnut, Jr. of the Ursinus College Chapel, delivered the baccalaureate sermon. His topic was "What Shall I Do With My Life?". Dr. Armstrong, who is also a member of such boards as Princeton University and the Institute of Electrical and Electronics Engineers, has served as President of the College since 1927 and has served as President-elect of Pennsylvania for the past three years.

Three Ursinus Graduates

Alumni Day, June 8th

Brings Old Grads to Ursinus Campus

A large number of Ursinus alumni throned to the college campus on Saturday, June 8, for the alumni pre-commencement Alumni Day. This year, William T. Parnoff, member of the class of 1967, was asked to plan the Alumni Day for the fifth time re-organized. It was held with a buffet luncheon and a program in the college, held a reception for the alumni, and included a special meeting of the Alumni Association.

The annual meeting of the Alumni Association was held on Sunday, June 8, at 3:00 in Bomberger Hall. After this, the alumni officers of the association for the coming year were announced. The officers were elected for a two-year term. They are: President—Paul F. Diedrichson; Vice-President—James E. Rodgers; Secretary—Mary L. Farnsworth; Treasurer—John W. Hargis; and Assistant Treasurer—James E. Rodgers.

The new officer of communica- tion is Mr. Robert W. Kupfer of the class of 1947, who has been appointed to the M.B.A. of the University for his M.B.A.

It's Only the Beginning

June is the month of change as far as the student is concerned. For one hundred and thirty-five Ursinusians are leaving to begin a life for which they have been preparing themselves these past four years. There is a story, or a fable as it were, that bears retelling at this time.

There lived, once upon a time in a little village far beyond the furthest hills, a youth, who was taught the ways of his people. He learned well. He could hunt and fish, and when the winter snow fell upon his land he built a shelter that kept him warm. He learned the lore of his people, and his mind, as well as his body, grew strong with the training he received.

He loved and honored his people, but as the years passed there grew in him a desire that he could not fill. He grew restless, and his father saw his anxiety.

One day the father took his son to the top of a hill where the land stretched for endless miles before them, and he told his son of the mountains and valleys that lay beyond the furthest hills. He spoke to him of wide rivers and deep seas, and of great villages that held many people. And when he talked of these things he watched his son, and he saw that he was ready.

He grew restless, and his father saw his anxiety.

There were others to be readied.

Bobbi Hunt

I thought of four wonderful years that seem to have flown past me, but I remember them so well and at the same time, I have left much behind me. I left my friends, myamour, and my home. I am a Yale graduate, but I know I will go out into the world some day, and I am living now, as a student, looking forward to the real world some day.

Concerning the past four years, I would rather analyze the past than the present.

Bruce Holmes

In the words of the song, "There's Serenading in the air tonight," but, nonetheless, I am thankful and grateful for the past four years, and the student body has managed to maintain a sense of liveliness.

Attitude has improved. There is, for example, a more positive approach to our school. There is a sense that there is such a thing as an "intellectual." Students are now willing to have good, honest, effective, intelligent government, to accept their governments. And, there is simply a feeling of progression of our school tradition being time's best-honored clown.

Where there were past mistakes, there have been present improvements, and I believe we have learned our lesson.

Man's knowledge of a race is one which changes with the subject and the day. True understanding never bids them stay, but, aiming at excellence, we have far more to learn.

The world is always and new for those who would not have it any other way and the day.
