The Editorial

Yesterday was the Universal Day of Prayer for Students. According to the Student Worship Commission of the YM-YWCA program a program prepared by the United Student Council, America-wide, and the organizers of the project, a prayer and a Mass were held. The whole program was dedicated to World Peace.

We were particularly impressed by the litany and some of the sentences from the litany:

The Serenity Prayer

Grant us the serenity to accept the things we cannot change;
Grant us the courage to change the things we can;
Grant us the wisdom to distinguish between the two.

The Lord's Prayer

Our Father, who art in heaven,
Hallowed be thy name.
Thy kingdom come.
Thy will be done,
On earth as it is in heaven.

The responsorial psalm

I will give you thanks
for I have been saved.
I will bless the name of the Lord
for it is good.

The purpose of this prayer program was to inspire students to think about their own lives and to seek spiritual guidance. The program was a way for students to come together and reflect on their values and beliefs. The prayers and litany were designed to help students find peace and tranquility in their lives.

The USR News

The USR News is the student newspaper of Ursinus College. It is published weekly during the academic year. The newspaper covers a wide range of topics, including campus news, sports, student life, and local events. The newspaper is produced by students and reflects the diverse perspectives of the Ursinus community.

The Changes in the Academic Catalogue

Changes in the Academic Catalogue are announced each year to reflect the new courses and programs being offered. The new courses and programs are designed to meet the changing needs of the students and the world. The changes are also intended to provide students with the opportunity to explore new areas of study and to develop their skills and knowledge. The changes in the catalogue are important because they affect the students' academic plans and future career paths. The students should be aware of the changes and plan their courses accordingly.

The Bell Tower

The bell tower at Ursinus College is a prominent feature of the campus and a symbol of the college's history and tradition. The tower houses a carillon that plays a variety of melodies throughout the day. The bell tower is a popular gathering spot for students and faculty. It is a place where people can come together to reflect, relax, and enjoy the peaceful environment.

The Lack of Spirit, Poor Planning Cause Dead Ends at UC

What do you think of Ursinus weekends? We asked this question of many of the students who have been on the faculty for a while. Many of those interviewed were surprised by the lack of spirit and enthusiasm that they noticed during the weekends. Some of the students even commented that Ursinus weekends are dead ends.

The students commented that Ursinus weekends are not as enjoyable as they used to be. They mentioned that there were fewer activities and events to participate in, and that the atmosphere was not as lively as it used to be. The students also noted that the weekends were not as productive as they could be, and that there were not as many opportunities to socialize and have fun.

The students suggested that the lack of spirit and enthusiasm could be attributed to a number of factors, including the lack of adequate facilities, the lack of support for certain activities, and the lack of coordination among the different organizations. They also noted that the weekends are not as exciting as they used to be, and that there is a need for better planning and coordination.

In conclusion, the lack of spirit and enthusiasm during the weekends is a concern for many of the students. They believe that there is a need for better planning and coordination to make the weekends more enjoyable and productive. The students suggested that the administration should take steps to improve the weekends, including providing more opportunities for socializing and participating in events, and ensuring that the weekends are well-planned and well-organized.
