Mims Lawley Crowned Queen Of Varsity Club Homecoming

by Beth Dolce ‘55

One of the most festive occasions of the year took place on Friday evening, October 5. The annual YWCA Homecoming Dance was held in the Rockefeller Hall, with the theme of "A Tangled Web." Students entered the ballroom from the Rockefeller side, and after a short reception, the dancing and music filled the air.

The Queen was chosen from several candidates who presented themselves for the honor. After a three-hour search, the winner emerged at the end of the evening. Her name is Janet E. Miller, a sophomore from Edge Hill. Janet is a member of the Varsity Club and the YWCA. She is a native of Pennsylvania and has been active in campus affairs.

Other judges were: Gail Cohn ’55, president of the YWCA: Janet S. Miller, vice-president of the YWCA; Cranmer R. Meeker ’55, chairman of the dance committee; and Lee C. Jessup ’55, chairman of the committee on the selection of the queen.

Eldon E. Lutz, Janet E. Miller, and Mrs. Moss were among the guests who attended the dance.

Hazel Strikies!
New Girl Winds Campus In One Night Stand

50 p.m., October 13, 1954 - was the time when Hazel announced calmly and listening to the rain fall softly outside the window, when the new dorm was unusually dark for such an hour. Suddenly the lights in the room were turned on when Hazel pushed open my door. "There you'll probably all go out and play," she announced solemnly. "But I have a lot of work to do."

She had come on the bus that evening, as if she were already a part of our lives. The next day, she dressed formally and walked to the dining room, where she sat alone at a table. Our hearts soared when we saw her, and we knew that this was our new roommate. "They'll probably all go out and play," she repeated. "But I have a lot of work to do."

As we watched her, we knew that she was unlike any other student we had met before. She was quiet and reserved, but we knew that she was intelligent and able. We decided to ask her to join us in our activities, and she agreed.

The next day, she asked us to dinner, and we were thrilled. We learned that she was the daughter of a prominent politician, and we were even more impressed. We knew that she would make a great addition to our group, and we were happy to have her.

As time went on, we learned more about her. She was a hard worker, and she took her studies very seriously. She was also very kind and caring, and she always had a smile on her face.

We knew that we had found a new friend, and we were grateful for her presence in our lives. As we sat in the darkness of the new dorm, we knew that Hazel Strikies would be a part of our lives for a long time to come.
Girl Ex-Leatherneck in South?

Diid you know that Ursinus has a feminine ex-mariner? She's Jeanne Moore and she's a sophomore. She took two years in the Women's Division of the United States Marines. She took her boot training at Parris Island, South Carolina. After boot camp she went to Supply Camp at Lejeune, North Carolina. After this training she was stationed in San Francisco, California, while there she was financial. This job consisted of utilizing IBM machines in the Corp's new bookkeeping system. She populated classification and helped keep the Marines within their budget. Jeanne says she liked the Women's Marine Corp very much. She emphasized, however, that she would not recommend that girls enter immediately after graduating from high school. Jeanne thinks it is a good idea to go to college first, for a few years before enlisting. She also said that service is not for all girls. Jeanne thinks some girls are not cut out for the type of live to which enlisted life pertains. But if you can stand all the restrictions and regulations, she recommended the service very highly.

Lantern Seeks to Make its Lamp Brighter

With the selection of Staff members out of the way, the exterior, the Lantern, is ready to move into high gear. Except for the fact that it is being reported. The first meeting of the new staff was held on Tuesday, October 19, and a great deal of the preliminary work for the year was finished.

It was decided that the deadline for contributions to the magazine should be October 22, rather than the already originally scheduled: this change was due to the fact that Editor-in-Chief hopes that the number of contributions to the first issue of the year will be large and wishes to remind the campus that the Lantern can be only as good as the contributions. The Board of Editors hopes that the emphasis can be placed on more interesting writings, and will particularly encourage good humor, satire and jokes. Addressing the lanternmen, drawing together the magazine for publication, the Board of Editors has been looking forward to next week's committee: Knitting, Proof Reading, Drawing, and Distribution. It is hoped that at least some of the worst errors in the manuscript will be eliminated in this manner.

“Soccer is a team effort,” this unassuming player, Larry Zartman, told his teammates by Larry Arthman, the man who has helped to put Ursinus in the running for the conference championship. The local sports papers have claimed that the Bolts have never seen a dozen like this before.

It is a pity that the local sports papers have not given the Bolts as much publicity as they deserve. The Bolts are a team of great promise, and they have the potential to win many games this season.

Larry Zartman is a 5-foot 8-inch, 160-pound senior who has been a valuable member of the team for the past three years. He has played a variety of positions, including center, guard, and fullback. He is known for his strength and his ability to block and tackle.

Larry’s success on the field is due in large part to his hard work and determination. He arrived at Ursinus with a goal of improving his game and helping his team to victory. He has done just that, and he continues to work hard to maintain his high level of performance.

Larry is also a leader on and off the field. He has taken on the role of captain and has been a source of inspiration for his teammates. He is a role model for younger players and is respected by his coaches and teammates.

In conclusion, Larry Zartman is a valuable asset to the Ursinus football team. He has a bright future ahead of him and will continue to contribute to the team’s success. His dedication, hard work, and leadership make him a great student-athlete at Ursinus.

Rabbi Schorschie to Speak to SWC

On Wednesday, October 27, Rabbi Schorschie of the SWC (Student Welfare Council) will be speaking at the association meeting of the Ursinus student body. He is scheduled to speak on the subject of “The Jewish Identity in Our Time.”

Rabbi Schorschie is a well-known figure on the Ursinus campus, and his insights and advice are always valuable. He is a past president of the American Jewish Committee and has written extensively on Jewish issues.

Rabbi Schorschie’s talk is sure to be a hit with the Ursinus student body. He is known for his engaging style and his ability to make complex issues accessible to a wide audience.

In addition to his role as a rabbi, Rabbi Schorschie is also a respected scholar and author. He has written several books on Jewish history and culture, and his work is widely read and studied.

Rabbi Schorschie’s talk is a must-see event for anyone interested in Jewish identity and culture. He is a true leader in his field, and his insights are sure to be valuable for anyone who attends his talk.

Belles Preparing for All-College Tourney

The Ursinus Belles are preparing for the All-College Tourney, which will be held on Saturday at West Chester College. The Belles will be competing against teams from other colleges and universities, and they are looking forward to the challenge.

The Belles have been practicing hard and are in good shape for the tournament. They have won several games this season and are looking to improve their record.

The Belles are a strong team, and they are confident in their ability to perform well at the All-College Tourney. They are excited to represent Ursinus and to compete against other teams.

In conclusion, the Ursinus Belles are ready for the All-College Tourney. They are a strong team, and they are confident in their ability to perform well. They are excited to represent Ursinus and to compete against other teams. The Belles are sure to make Ursinus proud.

Curtis Hall Sweeps 1-M Football Crown

Curtis Hall, the champion of the inter-school touch football league, belted the College All-Star team on Patternfield today, but results arrived too late for publication. Curtis won a forfeited second half game by counting Broadhead on Wednesday. The only game played during the week was a 6-0 victory for Derr over Terrier. The second half game gave Curtis the championship of both halves and the automatic title.

The Curtis team was never taken during the entire season as they had only two touchdowns scored against them. The powerful line was the key to the defense as they rushed the opposition mercilessly. Art Ehlers did most of the passing as he hit for amazing percentages to ends Ralph Schumacher, Bart Wilms and hillbilly Ted Shal. Probably the outstanding performance of the season was Billy Wills four consecutive TDs in the first half of the Broadhead game. The Curtis team completely outlasted everyone but Derr who had difficulty in beating the second time by only 17-2. The other teams had no chance against Curtis' overwhelming power.

The Nutley Tennis Club Girls Singles and Mixed Doubles titles, Rene played in both the main and consolation brackets.

The Leopoars kicked the ice with a goal by Halley in the first quarter, but Zartman countered two points in a row to give the Bruin a temporary lead. From there it was nip-and-tuck, with the most squad scoring the score shortly after. In the third frame, Zartman put the Bears out in front, 2-2. McNeil of Lafayette bounded back with the tying goal minutes later and the third quarter scored ended 3-3. The score remained tied until the double overtime period. Senior Ed Dawkins, playmaker extraordinary and second high scorer, was unable to beat back the team in the line-up when the Bears tackled with Shoreham’s scrappy Garnet on October 20. It team captain and star halfback Gerry Cox, can spark his squad past the Garnet un­ molested, the Bears could put an impressive winning record for this first time in many years.

ROOSTER OUTFITTERS Elected

On Wednesday evening, October 24, the Ursinus Co-curricular Committee was elected from the student body. The members are: Annette Wynia, chairman, and 轕, who serve as the executive committee. This is the first time in the college’s history that a student body has taken over the operation of the group.

The committee is getting ready for the annual election of officers for the group. The prices are $25 for a larger poster and 50c for a small one. Orders may be placed by phone for members of the group. Those interested in ordering are encouraged to do so.

In an attempt to promote the program further, the committee is planning to purchase a large poster and distribute it to all members of the group. The poster will feature the program’s logo and will be available for purchase for $5.

In conclusion, the Ursinus Co-curricular Committee is excited to take over the operation of the group and to promote the program further. They are looking forward to the annual election of officers and to the distribution of the large poster.

Jim's extra point attempt was wide. The final score by the visitors came in the last quarter when fullback Tom Dumphin, bailed through the middle and scrambled for a 43-yard TD. This time quarterback James converted, and Swarthmore led, 20-13, setting the stage for Krusby's goal and Walker's perfect kick.

The game was marked by bad breaks and penalties on both sides. Ursinus was penalized 100 yards. Ursinus now has a season's loss of 3-1-1, and 4-1-1 with four games remaining. — Wagner, Brook-

Chosen from page 1 classmates and undergraduate friends. The freshman held cocktail parties and dinners before the dance. In the evening a banquet was held in Freeland Dining Room for the Loyalty Panel Class Chairs and Vice-Chairs of each graduating class. Dr. McClure and several alumni addressed the gathering, each lady that attended received a present.

One of the biggest events of the day was the Varsity Club Dance, which was held in the Thompson Inn Gymnasium at 8:00 p.m. The gym was decorated with red, black and old-gold streamers. Many of the alumni remained for the dance. The music for the evening was provided by Bill Tull’s Campus Dance Band. Joan Kacik ‘54, the band’s vocalist last year, sang at the dance. The high point of the evening was the crowning of the Faculty Club Queen, Mims Loewy, representing Apes fraternity.

**THE INDEPENDENT**

**JACK WEBB AND BEN ALEXANDER**

You know them best as Sgt. Joe Friday and Officer Frank Smith—stars of Chesterfield’s award-winning "Dragnet" on TV and Radio. They’re now starring in the movies, too, in Warner Bros.’ great new picture, “Dragnet.”

**LARGEST SELLING CIGARETTE IN AMERICA’S COLLEGES**

**WHAT A BUY!** Chesterfield regular and king-size. (Both at the same price in most places).

Jack Webb and Ben Alexander want what you want from a cigarette. Relaxation, comfort, satisfaction. They know where to find it—because in the whole wide world, no cigarette satisfies like a Chesterfield.

Chesterfields are best to smoke because they alone have the right combination of the world’s best tobaccos. Chesterfields are best for you because they’re highest in quality, low in nicotine.
