New Parking Rules Prove Effective
President Al Paolone asked for comments on the parking rules at the Monday meeting of the MEGOA on March 21.

In order to ease the burden of parking, students will be permitted to park in the north lot from 5 o'clock Friday afternoon, women only, to 5 o'clock Wednesday afternoon. Students may park in the faculty parking area any night during the week. Students may not park in the south lot any time.

Tentative plans for the enlarged north lot are also in operation. Construction of the new lot will be completed in time for the fall term. The new lot will be about 200 feet wide and four times as long as the present lot. It will be one way only and parking will be on a drum lot to facilitate entrance and exit.

In conclusion, see the back of this paper for the complete parking rules.

Weekly Position Open
Any junior interested in the Dramatics Club is requested to submit his name to the Dramatics Club office. The play will be presented by 5 o'clock Wednesday afternoon.

Top Campus Chest charities picked
"Let's Strive to Support the Top Campus Chest Charities," announced the commission groups deciding on the top campus chest charities. The goal is $1,000. Voting on Friday afternoon had already received over $300. The students who collected will be donated. The distribution of funds will take place among six charities, instead of originally planned five, because of the closeness in voting.

Local National Council of Women - Magna Deh vstita
"Ardmore's Bible study group this week presented a three-act play on May 25, as the tables turned and our missionaries proved worthy courts to the Ursinus male students. The play was attended by Richard Taylor of Sunrise and his orchestra.

Wednesday evening, the original and final scenes were painfully made by the actors, who suffer the handicap of players made of gun drops with wet hands. Miss Alice Mims, who is seen pacing the laps of the audience, has been the task of our remarkable rendition of the Ursinus High School pageant's "Mother's Drag," the drummer's back and tray. Another outstanding feature was the women's dormitories. Many people have been interested in both treatment and research.

4. Heart Disease Foundation - The heart of the Ursinus students, establishing a local chapter of the American National Foundation of Heart Disease.

Under the leadership of Peter Scheirer, the group is working on an Easter pageant in cooperation with Curtis Memorial United Church of Christ. An organ processional by Sister Mary T. of the Ursinus College staff, led by the Ursinus College Band, and an organ recital presented by Miss Catherine M. made a grand finale. The evening's program was concluded with Mrs. William T. of the Ursinus College Choir.

"My Three Angels" Spring Play
President Eugene Greenberg announced that the Ursinus Drama Club will present a three-act play on May 14, 15, and 16. The play to be presented is "My Three Angels," which is an opera by Darius Milhaud. The play was directed by Joseph L. Jones.

"Tryouts for the play will be held Tuesday, Wednesday, and Thursday, March 1-3, in the T-G Building. The Cast will be announced at the end of the play. I wish everyone to encourage everyone to attend the play.

TV Dramatization

Ursinus campus has seen an especially busy week. The Campus Chest Committee has launched its annual "Drive in '55." It's now up to you to help those who are in need. I'm sure you're all aware of the many worthy organizations that have been greatly improved during the past few years and have no need to remind you of the many others that have been so greatly improved during the past few years.

Congratulations to the debating team for its fine work. The Campus Chest Committee has been trying to make our campus a little more like the other campuses in the state, and we can expect to find another school. I am interested in joining the Campus Chest Committee, and I would appreciate it if you would take a list of a handful of such organizations in your possession. We hope that, before answering this letter, the Inter-Fraternity Council will take a complete inventory of the necessary fraternities.

Fraternity Row

by Dave Sablin '57

Fraternity activities for the school year have reached their climax. The six college fraternities have been holding their rushing parties for freshmen and upperclassmen who have been in college for a full semester. The parties were held from the 18th to the 22nd of February. They were climaxd by meetings of the fraternities which lasted far into the night. These meetings decided who should be selected to fill the gaps in membership.

At noon today, bids were signed and the main members took their places with the fraternity of their choice. The new members are:

- Alpha Phi Epeilon - Hodges
- Epsilon Phi - Goff
- Delta Nu Sigma - Famous, Shinnewhere
- Beta Sigma Lambda - Minz, Pay, Graff, Farriere, Guarich, Krueger.
- Delta Nu Sigma - Bedin, Taylor, Jackson, Gutman, Shlax, Hume.
- Delta Pi Sigma - Miller, Moquete, Schacht, Watters, Zelder, Lea.
- Sigma Lambda - Idice, Reeves, Urner, Spangler, Brocket, Gray, Connelly, Rootes, Berman, Cubler, Ruffing.
- Zeta Chi Sigma Lambda, Brittain, Rychb, Worth, Marshall, Miller, Lurie, Rodgers, Mann, Gregor, Migler.

NEW CAMPUS CHEST COMMITTEE

It has been brought to our attention that the Campus Chest ballots do not include all the worthy organizations. Two charities have been omitted. They are the Phil How Retirement Fund and the Ped Dine Club. We would like to have a new committee of several members for the children of the Pennsylvania and has also planned to distribute the proceeds of a dance to the Campus Chest.

There's an almost unlimited list of achievements that could be achieved by the fraternities. Unfortunately, space does not permit discussing them, but we might mention that our fraternities have been greatly improved during the past few years and that there is no need to be discouraged about the fact that this movement will last for another year. Our advice to the Inter-Fraternity Council is this: Write to this address in Pennsylvania and fill him in on the fraternities of Ursinus. Don't hold any grudges because "But, professor, that's not a diurnal pastime during the past few years and there is no need to be discouraged about the fact that this movement will last for another year. THE URNSUS WEEKLY

How I See It...

A LETTER FROM FLORIDA

We couldn't keep fact in fact of this column as diverse as possible by choosing a different logic each week. However, a letter came into our possession this week with Ursinus fraternity hostel housing out lots today, we could not pass up the opportunity. The following letter was received by the Inter-Fraternity Council last week. It was written by a student who is attending another college in Florida and is considering Ursinus as a possibility in his transfer attempts.

Inter-Fraternity Council
Ursinus College

Collegville, Pa.

c/o Corresponding Secretary

Dear Sir:

I am considering entering this university. I am now attending school in the state of Florida, and I expect to transfer to another college. I would be interested in joining the fraternity of the college. I would appreciate it if you could provide me with a list of organizations in your possession. I have one of the fraternities on campus.

We hope that, before answering this letter, the Inter-Fraternity Council will take a complete inventory of the necessary fraternities and organizations.

M-m-man, that's PURE PLEASURE!

For more pure pleasure... SMOKE CAMELS!
No other cigarette is so rich tasting, yet so mild!

P.S. No other brand has ever been able to match the pure pleasure in Camel's exclusive blend of costly tobaccos! That's why Camels are America's most popular cigarette.

Edith Staudt

The guest speaker, Miss Edith Staudt, an Ursinus alumna, gave an impressive speech on the importance of color in everyday life to give meaning to life and express the individual spirit. She stated that human personality traits can often be expressed in terms of color, as the Staudt's reading of the poem, "Color Through A Blind Man's Eyes," was especially touching. In conclusion the speaker said that our colors are 'the result of the taking of the colors by human personality.'
