Banner Diamond Year Expected

Although the weather wouldn't prove it, baseball has begun at Ursinus for 1955. Last Monday coach Bob Panceott called the first real practice and some thirty-five candidates reported. Lost in the arms and legs of getting into the main shape is the Frenzel with the heavy work coming later. Coach Pancott anticipates an other fine season and hopes to better the 13-4 record posted by the Bears last year. The four losses were all frolicked one run, and between the hands of Moravian, PMc, Dickinson and Drexel.

Seven Lettermen Return

Seven returning letterman head the list of hopeful candidates who desire to take the field on April 13 against Albright. These letter winners include Art Ehrke, Bob Bortner, Andy Carter, pitchers; Arian Lapp, catcher; Gene Harris, first base; and Paul Neworks and Don Allebach, outfielders. Other returning members of last year's squad who hope to gain a starting berth this year include Al Stipa.

Bear Swimmers Dunked By Swarthmore, 46-11

The girl's basketball team added another win to its winning streak this week to four against Albright. These letter winners include Merle May, the highlight of the meet when she scored 13 against Albright. Belles Wallop Drexel 60-36; Gros Gets 31

The girls basketball team added another victory to the record of six wins and a lone defeat by defeating in its first match of the season. The Bears led by five points at the end of the first quarter, pulled ahead to a 32-18 score in the second half, and had earned a comfortable 31-35 margin by the end of the third period. The Bears added 18 points with Captain Jo Kuhn and 10 points with Ruth Heber. The Junior Varsity defeated the Drexel Jayvees by a narrow 46-40 margin to remain undefeated in their individual records and tied for the winning column.

Belles Top Swarthmore

The Belles entered Sweetwater more Tuesday and won by the narrow margin of 3-2. The three singles players won for Ursinus to remain undefeated in their individual records and tied for the winning column.

Winston tastes good—like a cigarette should!

No wonder so many college men and women are getting together on Winston! It's the filter cigarette with real flavor—sucrose and all! It brings you a faster, better smoke. It works so effectively, yet doesn’t “thin” the taste. Winstons are easy-drawing—too—there’s no effort to puff!
