Colleges Meet Here For Conference

Temporary plans of the YM-YWCA Cabinet reveal that an inter-collegiate meeting will be held here at Ursinus next Sunday afternoon. These plans are tentative, however.

Twenty colleges which are similar in size to Ursinus have been invited to the meeting. The purpose of the discussion of problems facing the various colleges is to develop closer contact and a more mutual interest. These colleges will also attend the conference here at Ursinus.

The "Y" Vice-Presidents, Midge Kranq and Noreen Davis, serve as hostesses for the meeting. It will be a closed meeting and all members of the conference are to be present on Sunday.

Following the discussion in the library in the afternoon, a meal will be served to the collegiate representatives in the Junior Common Room. The conference will close with the annual banquet held in Bomberger Hall at 8:00 p.m. on March 9th. Mr. Harvey Westrop, Director of the University of Pennsylvania Y-Women's Service, will speak at Vesper, to which everyone is invited.

The following colleges have been invited to the meeting:

Temple College, Swarthmore, West Chester, Beaver, Chayney, Albright College, Eastern Connecticut, Kutztown, Sayre, Bryn Mawr, Woman's College, Lebanon Valley, Franklin and Marshall, Cedar Crest and Dickinson.

Gerald Hottenstein to Speak To Seniors Friday Night

Mr. Gerald Hottenstein, Montgomery County Superintendent of Schools, will speak to the upperclassmen of Ursinus on their last day of school in our annual intercollegiate meeting. March 8 and 9 will be "Vesper" days in our program which will climax Hottenstein's remarks.

At the meeting the temporary side of officers for the local chapter of the FTA will be elected. The Election for these officers will be held at the April meeting.

Mr. Hottenstein has been urged to attend the meeting of their professions in order to explain his position in their field.

How I See It

by George W. Paull, ’55

DOES THE I.F.C. NEED

MORE POWER?

The recent I.F.C. pref by the fraternity was completely dominated by the frat-

ernity activities during the ranking period, and, of course during the entire year, much of our time was spent in re-

spectively, organized to be a governing body, composed of delegates from each fraternity, which would draw up and enforce rules to eliminate illegal rushing practices and thus bring a little more formality into the ranking period. This, in theory, is all well and good if the fraternity and the I.F.C. can see it fit to make.

Thus far, the I.F.C. has done a good job under some adverse con-

ditions. Success in the future de-

pends on the future because it is essentially a good one, and it would be wise to empower the I.F.C. with the power to impose heavier fines on those fraternities which disregarded the regulations. If this is brought up and passed by the I.F.C., there should be a referendum to the fra-

ternities before it is put into use.

MONDAY, MARCH 7, 1955

Let your vacation start at the station!—more fun for more friends—on the way

Take the train for a fun-filled trip back home...you and your friends along and room to roam. No tough driving to do, and no waiting for weather to clear.

Costa less, too...you and two more traveling together can cut each 25¢ from regular round-trip coach fares on most trips of 50 miles or more by using:

At least for the time being. "New York Times" panelists have given the rating an 85 on a 100 scale. The visiting author is a strong admirer of the Leopold family, and the novel which he has written is a bit less... but you will be interested in the story.

The various committees can take pride in the work they put into the Ursinus tournament. Mr. Dawkins' victory in the finals, by the way, was almost astounding. The Ursinus student audience at the A.C.W.A. Wrestling Tournament, held at Delaware on March 4 and 5, was almost 1,000.

In spite of very bad weather and terrible conditions, with 100 Ursinus poured into Delaware's Carpenter Field House throughout Saturday to cheer on their team. Considering the large proportion of the student body, and the interest in the men's group, it was over the Ursinus supporters numbered from one-third to one-half of all of the se-

eral hundred spectators at the tournament.

Mr. Chance has nothing but praise for the Ursinus Wrestling Team—especially, he said, "your three lightweight-wrestlers are won-
terful.

"Innovative in the finals, by a pin over Boyd of Delaware, was Mr. Chance believes, the first time Boyd of Delaware, a junior, has had a good record of 20-2. Of the six losses he has suffered were administered by Dawkins. Dawkins stated fur-

ther that Delaware considers Ed, under normal conditions, to be "un-

beatable.

This reporter was very pleased, incidentally, at the fine spirit of sportsmanship displayed by Ursinus followers, when to our great sur-

prise,3-2. Many of the Ursinus members of the tournament to finish with a perfect score of nine points, which is seldom accomplished, many per-

sonalities of Ursinus fans, felt Ed had again won the event. But to no one more sportsmanship about this unexpected turn of events than was Mr. Dawkins.

Although the weather wouldn't prove it, baseball has begun at Ursinus for 1955. Last Monday Coach Bob Pancoast called the first regular practice and some thirty-five candidates reported. Loosening up the arms and legs and getting into good shape is the main idea now with the heavy work coming later.

Coach Pancoast anticipates another fine season and hopes to better the 13-4 record posted by the Bears last year. The four losses were all filled by one run, and they came at the hands of Moravian, PMC, Dickenson and Drexel.

Syvertson Takes First

The first win of the year came the way of the succession of our Mrs. Frye. Ursinus defeated Bryn Mawr squad 31-26. Merle May won the 100-yard butterfly, and diving events.

Belles Wallop Drexel 60-36; Gros Gets 31

The girl's basketball team added another victory to the record of six wins and a lone defeat by defeating Drexel by a 60-36 margin to remain undefeated in the American Women's Conference.

The Belles added five points to the winning streak this week to four straight victories and remained undefeated with a 12-4 record, as the home margin of 3-2. The three singles players won for Ursinus to improve its winning streak this week to four wins.

By Swarthmore, 46-11

The highlight of the meet when she took the 55-yard backstroke, and diving events.

The Bears lost five points at the end of the first quarter, pulling ahead to a 32-18 score in the second half, and had earned a comfortable 31-35 margin by the end of the third period. Venus Gros again scored impressively for the Belles with 31 points and was followed with 16 points by Captain Joe Zahn and 10 points by Ruth Heber.

The Junior Varsity defeated the Drexel Jayvees by a narrow 46-49 margin to remain undefeated in the conference. Pflye studier, Ricky Bauser, and Rebel Maason scored 15, 15, and 12 points respectively for Ursinus.

Dawkins Pins Throughout

Dick Heydt 185-pounder lost a referee's decision to Price of Haverford in the semi-finals, but tallied one point for Ursinus when he pinned Middleton of Swarthmore in the first round.

without help from the outside, including the U.S. whom they think doesn't understand their problem. The film also maintained that while the American viewed the Korean War as a war to uphold principles, the Asian viewed it as a war which destroyed Korea permanently. The film showed the Quaker's answer to the present situation—negotiation. While they admit it would be difficult to negotiate with Russia, they say it could be done with the presence of a neutral third party, such as the setup in the Korean gure talks. It failed to show the defeats that the UN suffered through the prolonged negotiations.

A discussion then followed. Mr. Arico brought out the fact that as far as Quakers are concerned, Communist ideology is simply a con¬ sismeration of outdated ideas. The thing to fear is not Communism but Russia's ruthless dictatorship. The majority of the audience seemed to agree with a few of its members who maintained that while the Quaker doctrine is wonder¬ ful in that we have been taken advantage of many times by just such appealing tactics. Instead, it is necessary to fight force with force. The program as a whole was very educational and interesting. It provided plenty of food for thought by presenting a somewhat different point of view of the world situation.

Mr. Arico also mentioned the work camps sponsored by Quakers. Literature concerning them may be obtained from Connie Ackerman or Tom Elly.
