Trotsky Sees It A Little Different

by Barbara Olson '77

I am never so amazed by a modern political figure as I was by Leon Trotsky. Although one may not be quickly convinced by his ideas, there is something intriguing about this man. He was a man of many words and ideas, and his蹂躏 was always apparent. This is one of the reasons why I think people should be interested in the study of history. Trotsky was a man who had been through many ups and downs in his life. He was a great orator, and his speeches were always filled with passion and energy. His ideas were bold and innovative, and they continue to influence people today.

A Letter Home by Dick Rosochak '57

Dear Dad,

My allowance is now low, so low I can't even buy a Se toy stamp to mail this letter. But I know that you always try to read the UC Weekly each week, and I thought I'd write this letter to you hoping that the foolish editor allows it to be printed.

We certainly had a swell time this past week-end, didn't we? The steak was great—they don't have them like that here—but then, the tuition is pretty small, huh?

The train ride back to Norris­ town didn't turn out too well. Oo de de, we had to stand in the mail car almost all the way back, and over a few of the letters were pretty bitty stones. But oh! of a cool one written by George somebody to the gal he's planned to—so I'm interested in it that I feel through the train car doorway. Fortunately an ambulance was going by, and they took me down here to Sprague Hall, which is our infir­ mury. The nurses are giving me blood transfusions. I have 9 days to live. One what dad is giving is here again, you know? And it makes it tougher than all get out, to get out and study my Ph.D. But that's no excuse for the 0; grades to slip away, now. So you have to keep up those marks, right? But the call of the birds, the hills, and the closets forms.

Time out for another blood transfusion. See you soon.

Belles Nipped in Net Tilt, 3-2

Both doubles matches were close, first doubles by South and Vonnie Gross tallied Ursinus' second point by coming thru in the third set 6-4, 6-4. Ricky Bauer and Play Blasher were defeated 7-5, 8-6, a match which could have been either team's victory.

J. V. Defeated
Last Thursday the J. V. lost to Swarthmore, Erica Reiminger, first singles, won for Ursinus by defeating her opponent 6-3, 6-0.

Why Do More College Men and Women Smoke Viceroy Than Any Other Filter Cigarette?

Because Only Viceroy Gives You a Pure, Non-Mineral, Non-Toxic Filter with 20,000 Filter Traps in Every Filter Tip!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.

2. Besides being non-mineral and non-toxic, this cellulose-acetate filter never shrivels or crumbles.

3. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.

4. Smokers en masse report that filtered Viceroy's have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.

5. Viceroy draws so easily that you wouldn't know, even by looking, that it even had a filter tip...and Viceroy costs only a penny or two more than cigarettes without filters!

That's why more college men and women smoke Viceroy's than any other filter cigarette...that's why Viceroy is the largest-selling filter cigarette in the world!

Cindermens Lose;
Herwig Sets Mark

Harry Donnelly and Karl Herwig turned in outstanding performances once again Saturday but the Ursinus tennis team dropped its second match in three ones. Ursinus defeated the Blue Hens and a three-base blow by Slottier coasted to his fourth straight victory last Saturday as they tagged Ursinus' Art Ehlers for four runs in the first inning. The Bears also scored one run in the initial frame. The game then settled down and went scoreless up to the last of the 8th inning when the Bears scored three runs in the ninth inning and put the game out of reach of Ursinus. The Bears also beat East Stroudsburg 7-2 on the home field.

All Bats Stars
Don Allen, hitting the count at 1-1 with a run producing double in the eighth, was the key to the Blue Hens' second, and scored on Paul Nebo. The Vikes scored a short-lived 2-1 lead.

Hens and Bears met again in the last half of the frame to score the tying run on two singles and a sacrifice bunt, setting the stage for the crucial error. This error was committed by Bill Zidor, whose misplay of the key ball put the Bears on the scoreboard.
