Dr. Norman E. McClure, President of Ursinus College, Colleageve, Pa., conferred the following honorary degrees at commencement exercises held on Friday, May 24, 1955. They are:

- Mr. James M. Symes, President of the Pennsylvania Railroad, delivered the oration at commencement exercises this morning at Pattison Field. Mr. Symes emphasized the importance of faith in the future and the rewards of good work.

- Mr. James M. Symes, President of the Pennsylvania Railroad, delivered the commencement address at Ursinus College, Colleageve, Pa., on Friday, May 24, 1955. Mr. Symes emphasized the importance of faith in the future and the rewards of good work.

Mr. James M. Symes was awarded the honorary degree of Doctor of Science in recognition of his outstanding record of leadership in the transportation industry. Mr. Symes, who has been president of the nation's largest rail carrier since June 1954, resides at 311 Brintford Road, Berwyn, Pa.

A native of Glen Osine in western Pennsylvania, Mr. Symes began his railroad career in 1916 at the Hagerstown and Chambersburg lines with various supervisory positions to become the president of the Hagerstown line in 1934. The following year Mr. Symes was appointed vice-president, operations, and maintenance for the Pennsylvania Railroad's Western Lines. In 1939 Mr. Symes returned to the Pennsylvania Railroad as General Manager of the Western Region. A year later he was named executive vice-president in 1940 and in 1942 he was named to the presidency of the company.

Mr. Symes in remarks to the graduating students, Mr. Symes stated that his railroad and transportation record is evidence of the good things in common. This is particularly true of the Commonwealth of Pennsylvania and both the future of the railroads and the importance of good work for the state and both believe in the good things in common.

Mr. Symes emphasized that the fact that the rewards of good work are better than at any time in his lifetime, the importance of faith in the future is emphasized.

Graduation for the college seniors is nearing completion. Senior boys in a christened ship that slides down the launch way during the graduate after four years slips into the metaphorical sea of life. In this sea, socials and parties are abundant, and it is of interest to discover the-senior's attitude toward this stormy environment. Discussing attitudes toward parties, a Frenchman, Counsellor, who has had experience in the phase, "I and Mozart." As he told the phrase change to "Mozart and I," and the French composer reached the audience. The audience was captivated by the performance.

The reaction indicated the cautious optimism that war is possible as long as the Russians and Americans are not friends. The belief was encouraging, contrary to the view that the decision lies not with us, but with them. But Don added that war will not occur after our generation. A bomb is no cure, but a temporary preventive. The desire for peace is due to man's belief in his own future.

The Choir sang six numbers. Included in the selections were: "At All Things New Living," a Welsh Air, the descant by Bally Furlong, "Alone, Thine Thought," Macfarlane, with tenor part sung by Donald Todd, and baritone, sang a Yeager arrangement of Monk's Peace. The audience numbered about 100, and the students were selected to participate in the finality of the choir, which sang at all the Vesper services during the college year of 1954-55. Larry found the performance enjoyable.

A successful Intercollegiate Commission was chosen, composed of Roland Dolecki '55, Frances Scherz '55, Grace Thomas '55, Martha Beazley '56, Pat Cannon, Mary Florence '56, Lou Weinheimer '59, Barbara Albritton, and Donald Todd, baritone, sang a Yeager arrangement of Monk's Peace.

Because you're not a smoker, because you can help stop the intolerable waste of second-hand smoke, to stop the mountain of ash, you have another reason for quitting. Why not make your Viceroy your first choice and thereby help your fellow man and yourself. For you, Viceroy is the only filter cigarette completely free, totally free of third-hand smoke.

The greatest problem our juniors have is the problem of life. So, they had better be able to reason. They must reason and then to take action. To be practical men and women, they must learn to reason and to act. This is what Viceroy is teaching them.

To the college men and women who smoke Viceroy filters than any other filter cigarette.

Why do more college men and women smoke Viceroy filters than any other filter cigarette?

Because you're not a smoker, because you can help stop the intolerable waste of second-hand smoke, to stop the mountain of ash, you have another reason for quitting. Why not make your Viceroy your first choice and thereby help your fellow man and yourself. For you, Viceroy is the only filter cigarette completely free, totally free of third-hand smoke.

Committee Names Senior Advisors

Margie Struth, Junior representative to the W.S.O.A. Council will have change of the Junior Committee for 1955-56. Members of the Committee are as follows: Curnie Bamberger, 4th Phys.; Betsie; Donna Spedeker, Bancroft; Nancy Ruthit, McGaver, Green; Helen Dressman; Glencoe; Lill Bitramavicz; Gracr; Sue Beuger, Soper; Mrs. Homer; and Maples; June Barron Dene, Bithy; Beth Heires; Ancona; and Shriver; Bex Henry, Fierro; and VIV; Marion Wright-Day. These girls contact incoming freshman women by mail during the summer. In these letters, the new students are given a small introduction to life at Ursinus. The Junior Advisor is on hand at all times to answer questions about problems.

The Committee plans and sponsors the annual Junior-Freshman breakfast in the College Woods on Old Timers' Day.

YM-YWCA Reviews

Under the leadership of president, Tom Ey and Alles Kramer, the YM-YWCA of Ursinus has planned a full program for the coming year.

Freshman orientation will be provided by student-guided tours, the freshman handbook, the Monday night dance, and a continuation of the Freshman Forum in the Rec. Center, every Thursday. The annual fall dodge ball rally and the annual spring O'Leary field held.

Plans for association meetings include having speakers, having commissaries of coal, the continuation of the successful program of the Freshman Forum.

Social Responsibilities Commission will inaugurate a seminar on Marriage next year. World Relations Commission has planned a fall trip to the U. N. in New York City, Washington. Student Worship Commission will hold a study class, morning worship service, and a campus-wide service during the college year of 1955-56.

The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started this filter composed of 20,000 tiny filter traps in every filter tip! The ceiling, walls, and floors were repainted; walls, and floors were repainted;

YM-YWCA reviews Year: Reveals Plans

1, Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.

2, Besides being non-mineral and non-toxic, this cigarette is non-irritating, non-toxic, non-irritating.

3, The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started reading, yet pleasantly bold.

4, Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip... and Viceroy cost only a penny or two more than any other cigarette without filters.

5, That's why more college men and women smoke Viceroy filters than any other filter cigarette... that's why Viceroy is the largest-selling filter cigarette in the world.
Seibmen Lose Final Game to Lehigh by Close Score of 3-1

Paced by the steady three hit batting of Ken Dukette, the Lehigh Engineers eked out a 3-1 victory over the shaken Bears last week at Allentown in the season’s final for both clubs. This loss, combined with previous collapses under Laffal and Moravian, forced the Bruins to be content with a 10-6-1 final record.

The Seibmen jumped off to a 1-0 lead in the first inning when Al Lann, walked, stole second, and scored on Art Ehlers’ single. Although they hit the ball solidly, the diamondmen could do little more than scratch the surface. After centerfielder Gloede had a busy day as he snared ten fly balls.

The Engineers knotted the game in the fifth on a walk, stolen base, and single by the first baseman, Sholl, and single by the first baseman, Carter, p. . . . .

A committee of the MOSA and the WSGA drew up a plan for an honor system which it has presented to the student body next year. Students, faculty, and administration will then decide whether or not this plan is to be put into effect.

Working in co-operation with administration, the MOSA and the WSGA councils choose furniture for the student union. The furniture arrived this month.

The two councils also co-operated in purchasing a phonograph which is being used in the dining room. Besides these accomplishments, the WSGA also carried on its routine work including orienting freshmen and handling discipline problems. Committees of the WSGA concerned with orienting freshmen include the freshmen customs committee, the junior advisory committee, and the big sister committee.

The WSGA in turn will make a decision the next day. The committee then will have a full day to make a decision the next day. The committee then will have a full day to make the best decision possible.

The council representative to the forum committee is in a position to present student opinion to the faculty members of this committee. Students should give their suggestions for forums to Priscilla Mesinger.

Robin Blood, president of the W. A. A. for next year, read a letter from Bill Dillingham in which he thanked the WSGA for voting the money.

This gift was given in appreciation of the help it has given Mrs. Dillingham to the student government in connection with May Day and dances the student government in connection with May Day and dances.

Polly Taylor Named To Lead '56 Belles

Polly Taylor is the '55-'56 girls' softball captain. She was elected at the annual softball dinner May 16 at "Rebel" Mansion's home. This talented pitcher has played varsity softball for two years. This season she pitched every game and turned in a fine job and turned in a fine job to help her team win the year with an impressive 4-2-3 record.

Polly pitched her last game this year Wednesday night against the slamming skill and his speed and power. She bunt down the first base line to tie the game in the winning run from third.

A very sports-wise gal, Polly has played baseball at Ursinus for three years. This season she also played shortstop which is not her primary position. Her sports experience goes far beyond baseball. She also participated in all sports.

A sports-wise gal, Polly hopes to play after college.

Allebach Selected to District Two All-Star Baseball Squad

by Jack Townsend '57

Donald Allebach, the "splendid #2 man," is among those who have added to his many laurels once again.

This year's honors to be heaped on this 22 year old graduating senior were the result of his fine work which included District 2, NCAA All-Star baseball honors.

Along with Ollie's tremendous hitting ability, opposing coaches say Allebach is one of the best catching stoppers in the field. His fielding and throwing are extremely fine, making his pitching a bonus asset. His batting skill and his speed and age are factors which will be a handicap for the opposing teams.

Like a bat out of hell, Allebach hurtled for a mighty swing and was on the "C" in the second and third and third or short in the majors. He is right-handed swinging.

Intramural Champs

Don Hall captured the Intramural Softball crown with a 9-0 rout of Brodbeck II. Alluring Ollie Allebach, Don Hallie and Marc B. Dickerson, Van Davis, Don Davis, Dick Ely, Gene Harris, Paul Neborak, Gene Monroe, Alan Bate, Ted Hall, Robl Houser, and Larry Zartman.

This honor for Don comes as a climax to a brilliant baseball career at Ursinus. Ollie batted 350 this year, scored 15 runs, stole 12 bases, and was on base 36 times. He led the team with his power hitting and his base

"They Earned It"

The following men have been awarded letters and certificates for the Spring Term of 1955:

Baseball- Donald Allebach, Andrew Carter, Richard Crotzer, Angela Ely, Gene Harris, Richard House, Al Sick, Paul Neborak, Alan Bare, Ted Hall, Robl Houser, and Larry Zartman.

Wrestling-Kenneth Buggeln, Harry Dyson, Donald Allebach, Gene Harris, Lee Lawhead, Henry Ruth, Mark West, and Bob Ely.

Tennis-Gerry Cox, Thomas K. Pitt, Lee Lawhead, Carl Smith, along with high scorers.

Campus Wide tennis practice was a thriller to remember. Jo Kuhn, Lynne Lapp, and Marilyn Freeman played a game this year.

Although suffering a poor 1-4 record, the tennis team was hard to replace, and all will be returning next spring to attempt a better job.

Paced by the talented swings of Connie Grace and Renee Brown, the girls tennis team should be ready for another next spring. Jo Kuhn's record this year. Only Jo Kuhn will be missed.

After a slow start, the men's tennis squad made their way to finish with a 4-5-1 record. Ralph Schumacher, Jack Westerhoff, and Gerry Cox will be missed this year. Last year's star Peter Jeppson and Gene Morita are returning.

Finally, the baseball team sufferer much this year and is not sure of its future.

The following were chosen as outstanding members for the coming sports: baseball-Don Allebach; football-Billy Vedder; basketball-Danie. A full ticket. -Larry Zartman; Basketball- Gene Monroe; Swimming- Bill Davis. Gene Monroe; Wrestling- Bob Ely. Gene Monroe; and her girlfriend-John Schumacher. Playing Athlete for the year.

That's another sports year. We'll sure miss the graduating seniors, but we're looking forward to bigger and better things next year. See you in the fall!

On November 1, 1937, Mr. Zechman took up his present duties as Pastor of the New Berlin, Pa., and his Certificate of Snyder Home for the Aged. He was Pastor of the Beaver Springs Evangelical and Reformed Church and was educated in the Class of 1932 in the United States.

The Rosicrucian Prize-The Rosicrucian, the honor society for men, has established a prize to be awarded annually at Commencement to that student in the Junior Class whose work as a member of the History-Social Science Group gives promise of contributing most to the preparation of democratic self-government. Mr. John Henry Westerhoff, III, '56, of Pottsville, Pa., has the highest scholastic standing. To be announced at Commencement.

The Edwin M. Fogel Prize—A prize of $50.00 is awarded annually to the student who, under the direction of the Department of History and the History Department of Gettysburg College, submits the best paper on contributions of the Pennsylvania Germans to American life and culture. The prize has been endowed by Mr. and Mrs. Edwin M. Fogel of 1948. Mr. John B. Ellis Miller, '56, of New York, has been selected as the winner of the $25.00 prize awarded annually at Commencement.

The Elizabeth B. White Prize—A prize of $100.00 is awarded annually to the woman in the Senior Class for her work as a member of the Department of History. The prize was established by Miss Elizabeth B. White, Emeritus Professor of History in 1938. To be announced at Commencement.

The following were selected to report on the Student Activities and Disciplines Award for this year was held on May 23, 1956. Terry German '56 was appointed by President Dick Henry to the Student Activities and Disciplines Committee.

The following were appointed by President Dick Henry to represent the MSGA in various capacities during the coming year. Terry German '56 was appointed to be the faculty committee, Bill Stilletter '57 will represent the Student Union, Kirt Herwig '57 will be on the Athletic Committee, and Herb Perlmutter '56 will be the Student Activities and Disciplines Committee.

In this past year the MSGA has voted to jointly publish with the MSGA a booklet consisting of the constitutions of the two organizations and dormitory rules.

The Honor System Committee was abolished for next year. In this year the MSGA has helped to buy a phonograph for the dining hall, worked out tentative plans for an Honor System, and sponsored the Lovecliff, Social Dance, and MSGA banquet. The council handled a case of improper procedure. It installed a new preferential voting system and the elections of the student council offices.
