Palmer to Speak On U.S. and India Wednesday Night

Dr. Norman Dunbar Palmer, chairman of the political science department of Ursinus College, will speak at the 2nd Annual Forum of the year, on November 14, at 8:30 p.m.

Dr. Palmer will present an interesting discussion on "The United States and India," at which time he will not only answer questions on this subject matter but will relate his experiences in India, where he is to return on December 10.

Dr. Palmer is a graduate of Ursinus College, and while in India he visited over forty universities. He has been a representative at the U.N.E.S.C.O. meetings in Paris, and two of his courses have been translated and published in a textbook for college use.

Pledges Sign Fraternity Bids

Friday afternoon bids were given on the last round of the pledge period for the local draft broad. Tickets of the group were sold to the students for $1.00 each. The losing group will have to submit as many suggestions as the winning group.

The winning group was "Big Red," and the losing group was "Pups." The winning group will have the opportunity to make suggestions for their pledge for next year.

The losing group will have to perform a task that was assigned to them by the winning group.

Chem Society Heats Talk on Laminar Flow

At the Beavertown Chemical Society meeting, at 6:30 p.m. the members will hear a talk by Dr. W. T. Herendeen, on the "Faraday Effect of Laminar Flow." The talk will cover the principles of laminar flow and the applications of the effect in the chemical industry.

Alumni Talks On Anesthesia to Pre-Med Society

by Mary Lou Killheffer '55

Dr. Frank J. Turettita of Mont- gomery Hospital, who has a base- ment in the Anesthesiology department of the hospital, will be the guest speaker at the Pre-Med Society on November 15, at 8:00 p.m.

Dr. Turettita, an anesthesiologist who was on the staff of the hospital at the time of the accident, has a wide knowledge of the subject matter. In his lecture, he will discuss the various types of anesthesia that are commonly used, as well as the precautions that must be taken in administering them.

The lecture is open to the public and all members of the Pre-Med Society are encouraged to attend.

IRC To Hear Head Speaker

Dr. Hans Thalberg, press secre- tary to the Austrian Embassy, will be guest speaker at an open meet- ing of the International Relations Society tonight, at 8:00 p.m.

Dr. Thalberg, who will speak on "The Peace Treaty," has played an active part in the Austrian foreign service since January 1938, when he entered the diplomatic service. He has been a member of the Austrian delegation to treaties negotiations in London and has accompanied the Austrian Foreign Minister and Mr. J. E. Miller to the United States.

The IRC invites all students to attend this affair.

"Helena's Husband" is Group 11 Presentation

The second Curve Club Group Program will be held on Tuesday, November 10, at 8:00 p.m. The program will be given by the Curve Club, and will feature a presentation on the historical romance, "Helena's Husband." The presentation will be on the theme of women's rights and the struggle for equality.

The presentation will take place in the Curve Club's regular meeting room, and all members of the club are encouraged to attend.

pre-Legal Society To Sponsor Debate on Red China in U.N.

On Wednesday, November 18, the pre-Legal Society will sponsor a debate on the question of Red China in the United Nations. The debate will be held in the College's auditorium, and will feature two teams of students from the College.

The debate will be moderated by Dr. E. H. Miller, and will be judged by a panel of faculty members.

The debate is open to the public, and all members of the pre-Legal Society are encouraged to attend.
Thinking Out Loud
by Bob Armstrong '54

This week—Friday the 13th
13 of every year is supposed to be an inauspicious day because there are 13 letters in the word "lucky." Some people believe that Friday the 13th is unlucky. What is your opinion on this superstition? Do you believe in it?

THE URSINUS WEEKLY MONDAY, NOVEMBER 9, 1953

I-F Council Adopts New Rule on Rushing

The Interfraternity Council is a representative organization which guides and controls all fraternity activities on campus. The members are the presidents of each of the six fraternities and one other member from each fraternity. The following people belong to the council: Don Schraken and Jay Kern, Zeta Phi Beta; Jack Poppoff and Bob Cribb; Dem averages Mike Van De Polte and Ed Dukham, Beta Sigma Lambda; Howie Davis and Dick Baltz, Sigma Rho; Tom Webb and Earl Loder, Alpha Phi Kappa, Illeworth; and Bob Och, Delt Pi Sigma. Howie Davis is president of the council.

An important but rather questionable rule was recently passed by the council. The rule states that Men, who have not been on campus for one rush period, are ineligible to attend any fraternity function during that period, except a function to which the whole student body is invited. No fraternity may hold a function on Old Timers' Day to which the whole student body is invited. The violation of this rule is to be considered a major offense of the rushing rules, and the fraternity is liable to be charged $200 fine and lose privileges for rushing year.

About the Belles

by Pat Larrow ’54

I am proud to state that the Ursinus Belles are scheduled to appear on December 11 at the National College Women’s Physical Education Association Annual Meeting in Philadelphia. The Belles will be the featured entertainment for the evening’s activities.

The Belles are a group of women’s clubs organized to promote physical education and health. They are made up of students from all grades and majors, and they meet weekly to discuss current issues and plan events. The Belles are known for their energetic and enthusiastic performances, and they are always popular with the audiences they perform for.

Soccer Team Loses

To Haverford, 3-2

by Ismar Schorsch ’77

The Ursinus soccer team lost to Haverford, 3-2, in a closely fought game. Despite a late surge by the Bears, Ursinus was unable to overcome their lead.

Behind the Sports Scene

Scribe boosts Glock for Little All-American Rating

Talented Backfield, Aggressive Forward Wall Aid

by Dick Brown ’55

Glock is fortunate in having three other backfield mates that can be depended on to provide a strong scoring threat and help draw the attention of the opposing team. Ben Nelson is a habitual backfield bulldozer, just raring to explode for those important first downs when the going gets rough. John Const is a scoring threat in any man’s league, and his four-touchdown mark is fourth high in the Philadelphia area. Const is not as fast as Glock, but is crafty and shifty. His keen ability to follow a blocker is almost as good as his ability to drive defenders into the turf when hit. It’s a really hard runner. The man to watch in any T-formation is the quarterback. Ursinus is fortunate in having two such able backfielders as Paul Neborski and Ken Walker. Both can throw well and Neborski is an excellent punt- er. Walker is a break-away runner fast and strong, and once past the line of scrimmage, he is a hard man to catch.

LATEST COLLEGE SURVEY SHOWS LUCKIES LEAD AGAIN

Last year a survey of leading colleges throughout the country showed that smokers in those colleges preferred

Lucky Strike to any other cigarette.

This year another nationwide survey—

based on thousands of actual student interviews, and representative of all

students in regular colleges—shows that

Lucky Strike lead again, across the board, regular-

or king size...and by a wide margin! The No. 1 reason Lucky Strike taste better.

Smoking enjoyment is all a matter of

taste—and the fact of the matter is Lucky Strike is as smooth as you can get.

Lucky Strike taste better.

Smoke in the dark...and in the light...

Lucky Strike is just as smooth.
