Dean Reveals New Title for Former B-List

The name for the traditional B-List, a term that has caused confusion among many students, has been changed to the new title of 'Former B-List.' The change was announced by the new dean of students, who is also responsible for maintaining a constant supply of B-lists for students to use as needed. The new title is meant to eliminate confusion since dean's list is also used on many other American colleges. The new name is intended to be more clear and less ambiguous.

Musicians to Appear Sunday

The Valley Forge quartet, consisting of Jeno Donath, well-known alto; Joseph Brodo, noted violist; Erwin Groer, eminent violist, and Domenico Cassella, first hiss, will present an interesting program of vocal and instrumental music in Washington Memorial chapel. Saturday's Dr. David Dragons in-
clude the campus field for what locals are "Green" to name their game. This year the men from several teams, including the "Brown" of theirs. Ursinus is only the only team on their "football" schedule.

Last week-end the Dragons were upset by an unexpected powerhouse from Penn-
sylvania Military College. The score in that game was 14-4, and all of the scoring for both teams was done in the last four minutes.

Last year at about the same time Ursinus was showing surprising strength on the football field. The Bears scored in the first quarter and a TD. The game was over in the first quarter and a TD. The score was 13-3. Then with 20 seconds re-
maininig, Davie's passing play, was dropped, but a fourth down pass was incomplete.

This year Ursinus has the same passing power, and a back who carried the ball over the goal line in the final seconds of last year's game, is back and just as good as ever.

In this week's game Ursinus had 13 first downs and all thirteen were in the second quarter. The Dragons had only 3 total yards lost but the Dragons lost their passing game and the ball was handled out of bounds in the second quarter.

Defensively Davie's pass defense was not very effective, but he had three short passes and the game was over in the first quarter. The Bears are looking for the ball on the goal line and the defenders are ready.

Miss Snell is Always Winner

by Kay Houd '34

One of the most respected and faithed women on the Ursinus Athletic Board is Eleanor Snell, head of the girls' physical education department. A quiet woman, Miss Snell taught in several midwestern universities before coming to Ursinus to graduate work. Since she has been at Ursinus she has added to her knowledge of the girls' physical education department.

As coach Miss Snell has prac-
tised many hard-to-keep, holydays, and softball teams in the last decade the softball teams have been the most successful. She has al-
so recorded records which are indicative of their coach's ability. Miss Snell is now lauded at one of the best soft-
ball coaches in the district.

Miss Snell was appointed as chairman of the Philadelphia Bas-
ketball Leagues and in the last ten years she has been a member of the Leagues' executive committee. In addition to these admin-
istrative positions Miss Snell holds national referee ratings in hockey, basketball, and softball.

On the gridiron, Susquehanna, riding the crest of a seven game winning streak, strengthened the strong and played their tenth game without a defense by suspending Ursinus 14-0. The handi-
clines could have easily shifted of the remaining play, but instead a little half-back named Rich Young showed the capability that he gained a little "All-American" selection last year. It wasn't too long ago that Ursinus threw a brake upon the Crusaders in last year's final tilt when Susquehanna cut out a 19-14 victory. On that day, Mr. Young wasn't so brilliant, but last Saturday there was no denying his greatness. Although the Crusaders used to good advantage the breaking line-quarterback combination of Don Walter, Young was the key man. On his decisive running plays and timely, accurate passes the Bruins put the ball on the 18 yard line, and Young showed opportunities to dump the ball, but he didn't. Young proceeded to tack the ball and scrambled for crucial gains.

Meanwhile, the Ursinus offense was doing their best. Six tall, soon running backs, Dick Glock, who gained fame by his coaching Stagg, "The Father of Football." He didn't move around in the world of sports, the ma

Pre-Med Society Changes Name

In Memory of Dr. Brownback

At a meeting held 7:30 Tuesday night the James M. Anderson Pre-Medical society, under the leadership of its new president, Cliff Wilson '53, discussed the proposal to change the society’s name.

Due to the recent death of Dr. Brownback, the society’s advisor for many years and the man who contributed so much advice and assistance to the pre-med and pre-med students here at Ursinus, the motion was made that, as a small measure of tribute to him, the name of the society be changed to the Brownback-Anderson Pre-Medical society.

A committee consisting of Norm Weiner '54, Erich Preymlow, Tom Mason '54, Max Koppel '54, Ruth Reed '53, and Cliff Wilson '53 was selected to discuss the matter and offer its proposals, at the next meeting.

American Cigarette

TO OFFER BOTH REGULAR & KING-SIZE

BOOTH regular and king-size Chesterfield are premium quality cigarettes and come in the smart white pack.

BOOTH contain only those proven ingredients that make Chesterfield the best possible smoke: the world’s best tobaccos, pure, more costly moistening agents (to keep them tasty and fresh), the best cigarette paper that money can buy—nothing else.

BOOTH are much milder with an extraordinarily good taste and, from the report of a well-known research organization—no unpleasant after-taste.

BOOTH are exactly the same in all re­
spects. There is absolutely no difference except that king-size Chesterfield is longer—contains considerably more of the same tobaccos—enough more to give you a 21% longer smoke, yet costs little more.
