**The Laptop Initiative**

**What Can Students Expect in the Future**

Track Report
Grizzly Sports Editor

Now in its second year, the laptop initiative can be evaluated in terms of its current status and future goals. For the most part, Dr. John King, who directed the program since its inception, says that students and faculty have welcomed the huge boost in technology with open arms. Despite this enthusiasm, some sophomores feel that their laptop "experience" has merely been a source of frustration.

Keeping in mind, however, that growing pains can be expected in any situation.

When asked about these growing pains, Dr. King was quick to point out that there were problems with some bad batteries and a lot of sles of discs drove, but as they grew forward we moved forward and the program began to run with relative ease.

As for the new freshman laptops, they have been even more impressive. It seems that technological plains IBM is the only company who can produce a good PC. The new Dell laptops offer students many advantages possibilities such as interchangeable DVD and CD-RW drivers. The promise, however, are the same ones that drove the desktops to current Sophomores.

As time and use has shown, these students are the most reliable of instruments. Computer services is considered the post important part of the computer lab at Ursinus College.

In the fall, Ursinus went into a full scale of the Moyer Residence Hall and a new property was purchased and renovated. The new property is a white house located near the Moyer Residence Hall and the former building is a modern desk with CD-RW features.

At the end of last semester, the Moyer Residence Hall was transformed into a modern desk with CD-RW features. The new property is a white house located near the Moyer Residence Hall and the former building is a modern desk with CD-RW features.

The King of Pop's Still in the Spotlight

Judy Chicago on Display at Berman

Michael Jackson, the King of Pop and a role model for many, has never ceased to amaze his fans through decades of entertainment in the music industry. He appeared at the American Music Awards on Wednesday, January 9th to accept his "Artist of the Century" award. What, you say? Well, here's the deal. Dick Clark, proprietor of the American Music Awards, filed a lawsuit against Michael Greene, the organizer of the Grammy Awards. Jackson saw past Greene's little escabade as a joke and decided to make an appearance to accept his immense achievement award. In a phone call made to Jackson's lawyer, he said, "It's quite whether or not he would appear. Jackson replied, "Yes, I am going to attend and will pick up my award, and I will not appear on the Grammys. I'm a man of my word.

Jack Dorsey was thrilled to hear of Jackson's decision, but he stated that he will not attend in order to "clear the air" between himself and Michael Greene since the issue has been going on for quite some time.

In response to Clark's statement, Jackson claims that it "appears to be nothing more than a last-minute publicity stunt in an effort to get a bigger audience for the AMAs." He has received an amazing amount of support from record companies, but the lawsuit has caused a wake of the lawsuit. He believes the lawsuit may "significantly change things" for the better.

And through it all, Michael Jackson has kept himself level-headed and sincere to his word. Now that's a role model.

Two days ago, these pieces by Chicago and others are carved through the door, gouging, cross-stitching, em­broidery, applique, beading, and other forms of needlework. The pictures feature proverbs, which are depicted in words as well as pictures. The collection made up of seven different series, each with one main focus. The seven series are family, responsibility, conservation, tolerance, human rights, hope, and change. All of them send a unique and meaningful message.

Chicago and her team made each embroidered story that are aesthetically pleasing. Not only are the pieces beautiful, but each piece tells a story, and it is obvious how much time went into the pieces. The pieces are used all over the house and are even worn in two award shows, there are even more to come your way.

To Be Educated, or Not To Be?

According to bodyperks.com, and the start of Sex and the City, nipples enhancers would be in vogue.

A website called bodyperks.com (http://www.bodyperks.com) with something that they describe as "A vogue. These nipple enhancers are small, lightweight, flesh-colored, silicone-pieces. They are designed to be placed in a woman's bra over her natural areolas. The creators of the hit one episode of Sex and the City aren't wrong. Let's use the help of the Internet, airline papers behind and spend their round-trip tickets can be purchased without a group, round-trip tickets can be purchased. People that averages out to $195.00 per person. Students is Cancun, Mexico. Four round-trip tickets from Philadelphia, 2002, cost $588.08 per person. According to Forbes.com, the web site to navigate and registration was not necessary to be known in Cancun, Mexico. Four round-trip tickets from Philadelphia, March 26, 2002, cost $352.32 for a group of four, averaging to $88.08 per person. Keep in mind that the cheapest ticket do not always give you the fastest route to your destination. According to www.studentsaveme.com, the students should try to fly midweek (generally Monday-Thursday tickets are cheaper). Also, don't wait until the last minute to purchase your ticket, because airline increases fare as the departure date approaches. Also, consider other airports in the area. For example, instead of flying out of Philadelphia, try Atlantic City. The new year's your booking your next trip, keep these tips in mind. Good luck, and have a great Spring Break when an underage drunk driver took her life.

This week promises to be jammed as the week progresses. Remember you can only say "yes" when the social rush if you have gotten a bid from that sorority. Also keep in mind that by Sunday, any people may feel that they set the brand name back, and others expected use of such nipple enhancers that of anaphylaxis, or even death, perhaps even the act of applying make-up, still those who have purchases product and support its use by such as 31-year old Stacy Fa from Virginia. "After watching an episode of Sex and the City this evening, had to check it out. I never thought that they looked very real. I think it is a great idea and if it makes someone feel sexy then power to them," said Davis.

It's that wonderful time at the beginning of every student's favorite activity, New sorority. Rushes have until 5 p.m. Sunday, the process of formalming begins, and Friday, Feb. 1 kicks off the first weekend of New Member Membership.

To Be Educated, or Not To Be?

It's not that wonderful time at Ursinus when the entire Greek community participates in everyone's favorite activity, New Member Education. But before the education can begin, informal rushing and formal rushing have to take place. So that means everyone is gearing up for one of the most exciting weeks Ursinus sees all year.

Sorority informal bids were on Monday and Tuesday, and this weekend promises to be jam-packed with informal notes that just some people might be better at the work progresses. Remember you can only say "yes" when the social rush if you have gotten a bid out to $625.48 per person. The most popular destination is Jamaica. Flying from Philadelphia to St. Croix Bay, Jamaica on March 26, 2002, cost $3,525.32 for a group of four, averaging to $881.33 per person. National Officers from all over the country, as well as area alumni members, will serve on the Installation Team.

Chapter advisor Tracy Roedel remarked, "It's nice to see this all coming together after so much hard work. The women deserve all this to have it."

The future Eta Xi chapter will be titled "Installation Team." The national installation committee is responsible for approving new chapter installations. So this year's installation will be a major milestone in the development of the organization. The women who pass the national install eligibility process will be the first women from Ursinus to receive installation. Social activities and installation Week will precede a luncheon attended by parents and university guests. Chapter officers will also be elected in a ceremonial business meeting featuring install ritual. The women become the newest members of Tri Sigma. Sigma Sigma Sigma, a women's fraternal organization, was founded in 1899 at Longwood College in Farmville, Virginia. Tri Sigma's collegiate chapter maintains over 200 collegiate and alumna chapters nationwide with over 120,000 active members.

Sigma Sigma Sigma is a national collegiate sisterhood with the National Panhellenic Conference, and the largest standing bonds of friendship, leadership, and service.

Indoor Track Teams Place 4th and 7th at Gullen Relays

Rebecca Herdtke
Sports Co-Editor

On Thursday, January 17, 2002, the Ursinus Indoor Track and Field team took a several hour road trip to Lewisburg, Pennsylvania. The Bears participated in the Gullen Relays hosted by Bucknell University. Sophomore Cross Country and Winter Sports star Katie Shearer took third in the 55 meter dash in 6.97 seconds. Duncan, who had a great fall performance of, went into Wednesday ready to play together. We asked right now. It appears that, with the addition of Rebecca Borbidge, Swarthmore Proves Too Be Much For Our Lady Bears

Julie Mitchak

The Women's basketball team went west on Wednesday night's game with a record of 4-3.3.5-3.5 Conference Conformer. The Bears came out strong against Swarthonine with a quick two points by Katie. The first half ended with Ursinus down by ten points. The gap proved to be too much to handle as the game continued. Despite every-thing they had they were burdened by the entire game, with only two points. Senior Katie Sallid positioned herself to be the game's first scorer. The Bears are already working on a great season, even with only two men in the bag. With the graduation of Yori Adkins in 2001, their team has been left to fill a very large pair of running shoes. Adkins eventually fin-ished in the top three at almost in the 200, 400, and 500 meter dashes, along with placing a key role on the spirit relay team. However, towards the end of the season, with Duncan as well as the return of Sophomore Jocelyn McElwee, the men will step right up and take the place of the loss. Last season, Senior Marissa Morris, Sophomore Katie Meyer, Sophomore Katie Dougherty, and Sophomore Becky Borbidge ran the race at 4:46-49.21 Bucknell. This year, Meyer, Morris, Dougherty, and Senior Ellen Duffy ran the 1600 meters in 4:21.70. UC Indoor Track will compete again on Saturday, January 26, 2002 at Haverford College.
