FRATS BEGIN RUSHING FOR NEW PLEDGES

The spring rushing season has started for the six Ursinus fraternity chapters. Parties are being held by the chapters in order to allow them to entertain and become acquainted with the interested prospective pledge. Each fraternity chapter has its own line of procedures to be followed, which means that about 600 pledges will be processing through the campus in the next few weeks.

On Monday, March 3, all of the men students who had been invited to a party will meet at the library after lunch. Many of these bids will be handed out to the pledges thereafter. Those pledges who receive bids will sign and return them by Wednesday.

The following is a list of the fraternity's dates of their rushing parties, and the present membership of each:

(Continued on page 4)

SORORITIES START RUSHING MARCH 3

Rushing for the spring semester will begin Monday at 8 a.m., it was announced by the Lorette council. Invitations will be delivered in the mail this Friday and Saturday. The first day of the spring rush will be held on Monday, March 3. All sophomore, junior and senior women who have been freshmen during the evening越大年.GIRLS! FRIENDSHIP NEEDED

Any Student Urged To Try Out For Spring Production

The Spring play, "Philip Barry's The Philadelphia Story," will be cast in the next few weeks by the theater group of the residence hall. It will be a musical comedy which opens May 1. The spring play will be presented by the theater group of the residence hall.

Mr. Donald Hefflerich, who will direct the May Day production, expressed the opinion that many of the roles in the play can be done by students who have not acted before in Ursinus shows.

Any student in the college is eligible for roles in the play. If they are selected, the student becomes a member of the theater group. The play in the wide open to competition between the different sororities.

If either of the periods set for casting is missed, there may be no arrangements with either the sororities for the productions.

These plans were announced by Howard Roberts, President of Curtain, for special try-out sessions.

FRESHMAN DANCE TO BE CELESTIAL

Plans for the freshman dance to be held on April 4 in the 9:15-12 a.m. are made. The committee has selected as the committee's chairman, Charles Newhall, and Jack Westerhoff head the dance committee. The orchestra has not yet been chosen; however, there were several suggestions made at the last meeting.

If the invitational committee chairman are selected, please make an appearance, Elizabeth Hadad, tickets,Gene Pastur, Bernard Schrader, and decoration committee, Rusty Mortimer, will be needed.

Tickets for the dance will be handed out in the next few weeks and can also entitle the couple to free refreshments during the evening.

GROUP PLAYS POSTPONED

The two group productions, Perpetual Home and Don't Feed the Animals, previously scheduled for Paula and Apus productions, have been postponed until March 11.

Festnacht Ball Planned by Clubs

The French and German clubs will jointly sponsor a Festnacht Ball Balsamique tomorrow night, from 7:30 p.m. to 10 p.m., in the gym. The event will be held in the Women's Day celebration. All-Festnacht Ball is an event every year which is open to all students and will be held on the Women's Day.

Miss Boube, an accomplished pianist, will perform at the ball. Miss Boube, an accomplished pianist, will perform at the ball. Miss Boube, an accomplished pianist, will perform at the ball. Student Union Ideas Given
by Joanie Higgins '54

In answer to the recent question of a Student Union, the Weekly Student Council
grudgily offered the idea of calling a reception room.

When asked to make a statement on the idea of converting the basement of Bomberger
hall into a reception room where students may
entertain guests, the Student Union offered the suggestion.

The Student Union should be available to the students all day
night (to a reasonable hour). It should contain lounging rooms,
recreation room for dancing, playmg games (ping-pong, darts, etc.),
room for meetings and entertainment, thereby giving
them a useful area on the Ursinus Campus.

Peter Fisher: We have all been aware of the need for a Student
Union here at Ursinus. The idea of using the basement of Bomberger
for this purpose seems to be a major factor in solving the financial
problems which are, of necessity, being faced by the college. The Student
Union should be run by the students, who have proven their ability to do a good job by
managing the Bomberger project. It seems that the MSGA
would be a logical sponsor of the Union; however, a plan could possibly be
developed under the joint auspices of the MSGA, the Y, the Interfraternity
Council, and the Student Senate. It would provide facilities than the Rec Center, but with the same informal atmosphere
about it. It would be a break away from the idea that if there is a Student Union, it is up to the students alone to make it a reality and
success. Such a project would require a uniform code of conduct, the
users of which should be responsible for the upkeep and general
condition of the place.

Bob "Rocky" Davis: A Student Union is one of the most
necessary factors here at Ursinus. The organization of such a union
would be a perfect springboard for some of the ideas in the
weekends. Socially Ursinus is the times and something should be done about the need for facilities to entertain their parents and other guests. It
has been the policy of the college to keep things to a minimum so
as to avoid creating a job for the college. If there is a possibility of creating a
satisfactory job, there should be facilities for entertaining guests
dancing, playing games (ping-pong, darts, etc.); meeting rooms for
school parties, and lounge for the girls and other properly invited
officials (unrelated to any organization).

At this point the project was not too far advanced.

I think the Y might be able to undertake such a program, which would
appear to be a win-win situation.

Ed Sella: I think the idea is a good one simply because it
would provide a place where the college would not be
in a position to entertain its guests. If the college is going to provide
the facility, it will be up to the students to use it properly; and the
experience they have had with the Rec Center, they could
do the job with more efficiency and protect it to contain easy
couches, a victoria with records, and a small library of magazines.
If the Y took over this project, and the organization of the
building works hard

The conclusion is obvious.

Milo Zimmerman: The idea is good, and the actual Student
Union for the basement of Bomberger should be
through their councils. Any furniture could be used in the lounge
room, the recreation room, or the meeting room. The
especially, but if it were always open, it would be used frequently during
the day.

Bill Wright: I think it is a good idea and I am definitely in favor of
the Student Senate would be able to conduct this program. A lounge
should be built in the basement.

Dan Schwenk: I think that making the storage room in the base-
ment into a lounge is a good idea, but it would entail some

Former German Student Comes To Ursinus This Semester

by David Hallstein '52

I met Arnold Ulrich, our new student from Germany, on Friday afternoon. Arnold is a young man who wishes to become a forester, and all his papers were signed before he arrived, since he began them at the University of Munich in 1947. He is preparing for a civil service exam, and will study here for two years.

Dr. C. L. Chandler Receives Honor

Dr. Charles Leon Chandler, professor of political science at Ursinus, will receive recognition for a collection of writings of Thomas Jefferson and George Washington, assembled and compiled by Princeton University and will be presented to the University of Pennsylvania. The collection is being compiled by Mr. Chandler and his associates at Princeton. The commission, dated July 15, 1867, is to give Mr. Chandler his papers as the owner of the commission. Although Princeton

Mr. Dolman Gives Twists Selections at English Readings

Mr. Holman, an assistant professor of English at Ursinus, read selections from Mark Twain's A Tramp Abroad Tuesday night in the library. The room was packed, and the audience enjoyed the enlightenment through the woods, bears a squawkish

Guest Lecturer Tells of History Of Aeronautics

Recently Dr. Charles L. Chandler, a member of the Ursinus faculty, gave a lecture on the history of aeronautics. Having been friends since 1920, they share a common interest in history of Pennsylvania. My history is a graduate of the University of Pennsylvania, the class of '28.

The contribution by Dr. Chandler is a paper which he inherited. The paper includes some of the writings of Thomas Jefferson and George Washington, as well as a letter from Thomas Jefferson to the University of Pennsylvania. The letter was written in 1792, and is a description of the the university's collection, which dates back to the 18th century. Although experimentally

For thirteen years Ursinus men have had Claude cut their hair. Claude's Barber Shop is closed on Saturday nights.

Watching the hot-air balloon was a very pleasant place to live, and besides he'll never get through his work. Arnold speaks English very well, and so the interview went smoothly. I found that his favorite pastime, when his work is out of the way, is reading and writing. His drawings are very good, and he seems to have a real interest in flying and aviation. His favorite pastime is flying

Grizzlies Trounce Textile To Break Losing Streak

by Ted Wenner '53

Led by a sensational show of brilliance from Dave Reice, the Ursinus Bears romped over Philadelphia Textile 77-54 last Wednesday to snap a two game losing streak. The diminutive forward, finding the range on jump shot from the hustling Philadelphians, was the key as other jump shot to give the Bears an 18-13 lead. Textile continued their sharp shooting in the second period and trailed only 32-26 at halftime.

The second half opened just as the first when Reice scored on one of his patented putbacks to give the Bears a 34-28 lead. Textile managed to pull up to 38-33, but from this point on the Bears began to display their authority and rolled to a commanding lead. Ralph Schumacker netted a field goal and Bob Swett converted two free throws to give the Bears an 42-23 lead. Two field goals by Reice, followed by goals by Swett and Herb Knuth increased the lead.

Badminton Squad Defeats Rosemont In Opening Game

On Monday, February 18, in the local gym, Ursinus defeated Rosemont college 4-1 in badminton. This was the opener for the Ursinus girls, while Rosemont's record now stands at three losses.

Adelle Boyd, number one singles, with her long backcourt serve confused her opponent Ann Goss, Captain for Rosemont and defeated her 11-8, 11-3. Barbara Stagg, in spite of a good fight, fell to Janice Christian and Margaret Hooper, first doubles, had an exciting game in which they defeated Ann Miller and Fifi Miranda 15-11, 15-12. Second doubles Barbara Landis and Judy Wimbere with their side by side doubles technique took Eve Mayer and Elizabeth Ferrer 15-11, 15-11. Summary:

In the first game Robert soundly defeated Clamer by a score of 6-3, 944 and South-Baird's-House played rock in rock up to the finish when 944 pulled ahead to win by 20-25. Jodie Dryden was high scorer as the girls from the hill marked up their first win. The third game found Baird's defeating Glenwood by a one-point margin 17-16. Phys. ed. produced Lynnwood took part measure of Storer by 22-6. F. Acton won by forfeit. As a Daryus-Kinny's-Day Study failed to find a team. Hobbs, was known for her long accuracy with her left and right hand. She won her eighth contest South-Baird's-House rolled over Clamer by 11-10.
Penn J V's Overpower

Jody Wimburg and Barbara Land's badminton team fell 4-1, at the which will take 1st Singles-Humphrey (U of Pennsylvania), second singles-Margaret Hooper, and third doubles-Dick Musgrave and Gail Onslow (U). Ursinus defeated Swarthmore to take the conference championship, winning all three match points.

Fourth stanza in the midst of the Haverford rally. Bill Burger, Ursinus, turned at least a portion of the home crowd to Ursinus. Friday, March 1.

The Ursinus College basketball team turned in a 73-57 victory over Haverford on Saturday night. The Bears have now won three of eight league games. The Ursinus boys' 3rd straight win on the road, has been a record.

League I Champs May Be Crowned in Tonight's Play

by Dick Bowman '53

With the intrauniversity basketball season coming down the home stretch, it looks like Ursinus will take the League II crown while Baker will take the League III crown.

That was Penn J V's third consecutive victory and with one loss to mar their record, Ursinus now holds a 2-4-2 record. The results by weight are:

Summary:

123 - Ed Davis (U), platted Matt Sutter, press box, 13-0

130 - Ed Mibell, platted Paul McClure, reverse half collie, 8-35

137 - George Capellini defeated diced Pickett

F. Totino and Carl Reice with 8. Bob Feesberg racked up 10 quick points; in that frame McClure fell 46-39 although Ken McCleary, reverse half nelson. Ursinus' eleven. Following Swart's 15-4, 15-2, was eliminated from championship contention.

Sophomore Dave Reice scored 8 markers in the second doubles, defeating Ursinus men, while George Capellini, 137, Karl Miller, defeated Drexel's 160-pound heavyweight, Harry Dorrison by decision over the Grizzlies.

It was Ursinus' third consecutive victory with one loss to mar their record, Ursinus now holds a 2-4-2 record. The results by weight are:

Summary:

123 - Ed Davis (U), platted Matt Sutter, press box, 13-0

130 - Ed Mibell, platted Paul McClure, reverse half collie, 8-35

137 - George Capellini defeated diced Pickett

Doctor Speaks On Psychiatry To Students

The subject of Psychiatry was discussed by Dr. James Ewing of the University of Pennsylvania at a meeting held Tuesday night in 812 by the James M. Andrews Pre- Medical society. Dr. Ewing received his B.B. from Dartmouth, his M.D. degree from the U. of P. and studied psychiatry at the Veterans' hospital at Perry Point, Md., the Pennsylvania Institute and the U. of P. hospital. He is now a member of the U. of P. staff, being both an associate of Psychiatry and an associate of Pharmacology.

In his address Dr. Ewing outlined the entire aspect of the field of psychiatry. The main points he brought out in his address were:

1. The various organic forms in which mental disorders reveal themselves.
2. The various causes of these mental disturbances, and the treatment and prevention of mental disturbances. Besides these points Dr. Ewing discussed the history of psychiatry, especially the importance of Freud's theories to the field. Dr. Ewing stressed the fact that the field of psychiatry is not limited only to those doctors who have specialized in psychiatry, but is taught to every medical student before he receives his M.D. The need for general practitioners to be well versed in the knowledge of psychiatry is shown in the fact that three of Dr. Ewing's patients were to him something other than psychiatrists. Furthermore, Dr. Ewing asserted that there are over five mil-
