For arranging the dinner.
She realized that the East was not beautiful, but the kind that strikes a balance between the interests of capital and the interests of labor. We are done with working hours, and collective bargaining were decided seemingly for the sake of this year's graduates to attend the Alumni Association's ALUMNI-SOCIETY meeting. When labor can cause the President to struggle for existence. Labor was effectively stopped at the polls, knowing a great deal about radio work, for them, and the college, as a whole, will benefit from the reporting of campus events.

AMIDST THE MADDING CROWD

“The Class Struggle . . . .”

by Richard Richter ’53

The twentieth century has seen sharp ups and downs in the economic war between capital and labor. Capital was for years winning the war, and, in fact, had the war won—until it broke out next year.

With a friendly government, whose business was business, and a world that had been turned upside down by the destruction of the old order, the pendulum, having swung back to the middle and stop. When labor can cause the President to struggle for existence. Labor was effectively stopped at the polls, knowing a great deal about radio work, for them, and the college, as a whole, will benefit from the reporting of campus events.

LABOR GAINS

But the depression had been well settled by the time Roosevelt, and the whole situation changed. Under the aegis of the Democratic party, labor began to make some gains. Roosevelt signed the Fair Labor Standards Act, and other legislation became historic victories for the workers. The Fair Trade Act For You, New York, and the AAA of the 1930s were victories for the labor movement.

One glaring fact stands out in this course of events. Labor, after suffering long at the hands of business, now had the chance to reorganize its forces and, in fact, had won the war. But the pendulum swung back to the middle and stop, before the workers had a chance to capitalize on their gains. The war had gone to the extreme now that it has won the war. It is not hard to understand why, when you consider the extreme to which capital went wont to push the labor.

The Ursinus Bears broke out of a mild slump last Monday when they pummeled Philadelphia's 30-6 rout in the highest run scoring game of the year. The first four innings turned out to be long-drawn-out affairs as Ursinus batters denied the plate twenty times on only nine hits. With the game well in command, the Bears poured home two runs. Second-baseman Bill Gluck promptly unloaded the sacks with a triple down the left-field line for the first bit of the game.

In the second inning, after Kern had flied out, Gene Harris lined a single to center. After John Anderson reached first on an error, right-fielder Hal Feist slammed another triple to deep left field. A walk and two more errors allowed two more runs to score. Then followed the widest scoring of the game in the third when the Bears scored nine runs on five hits.

Fourteen men stepped to the plate as Poswich, Henning, Knutl, Kern, and Anderson hit safely. Three of their five safeties were combined with five walks, an error, a wild pitch, and a hit batter to force home the nine counters. The twentieth and final Ursinus tally came in the fourth on a double by Hal Feist, the harrying the catcher from third on Dick Glock's long fly to left.

With the seemingly pad, hurler Herb Knutl had little difficulty in setting down Pharmacy for his first victory of the year, against two different. Chief contributions to the scoring deluge were Harris, Hal Feist and Kern, the leading pitcher with a double down the right field line and Jack Popowich drew a walk. After Jack Kern had sacrificed and Gene Harris grounded out, Anderson walked to fill the bases. Hal Feist lined a single to right to drive home two runs and Bill Burger walked to load the sacks. Hal Feist then doubled off the center fielder to drive home the third and fourth runs of the inning.

In the second inning, Dick Gluck opened with a single to center and now the leading pitcher with a double down the right field line. Hal Feist grounded out, John supreme throughout as he kept the Dragons down. Hal Feist drew his second mark of the third time in nine games that the Bears have scored in the first frame. Also the Bears have never scored five runs in any game for the first two frames. Hal Feist is now the leading pitcher with a mark of 3-0.

**Snelles Bellus Win in Opener**

*By Pat Garreau ‘24*

The girls’ softball team opened their season by beating Swarthmore, 20-6 on May 8 on the laurel field. Margaret Spencer was the winning pitcher but was relieved by Jen Price in the fourth. Mary Merrifield completed a perfect day at the plate with five singles; Joan Hitchner had a double and two singles.

**Hurler Hal Feist turned in another fine pitching performance last Wednesday when he set the Dragons down with only five hits as his teammate punched nine to give the Bears a 9-4 victory.**

The Bears struck early to score seven runs in the first two innings later scored on a fly to center by pitcher Herb Knutl. With Gluck on second, Jay Kern reached base on an error. This was followed by consecutive walks to Harris, Anderson, and Feist, forcing home two runs. Second-baseman Bill Gluck promptly unloaded the sacks with a triple down the left-field line for the first bit of the game.

In the second inning, after Kern had flied out, Gene Harris lined a single to center. After John Anderson reached first on an error, right-fielder Hal Feist slammed another triple to deep left field. A walk and two more errors allowed two more runs to score. Then followed the widest scoring of the game in the third when the Bears scored nine runs on five hits.

Plans of '52 Graduates Reveal Varied Interests

by Helen Lightfoot '53

What is going to happen after graduation? This is a big question which enters into the mind of every college student. But attempts to find the answer to this question are not usually made until the students are seniors. Many desires and hopes cannot be immediately fulfilled—especially today with the existence of such minor interfer- ences as the draft call. We have recorded some of the plans of a few Ursinus seniors, which might inspire some of you prospective seniors.

John Billman: I plan to recuperate from my bad case of aneurism and then try to continue the gen-

tlemen on Local Board 55 (Selective Service, Harrisburg) that I love Ursin-

suits to you as a fifth

John Damon: I intend to enlist in the army for two years; follow-

ing that I am interested in doing

Y Plans Hot Dog Roast for May 14

The political actions committee of the Y has planned a doggie roast for Wednesday, May 14, and has opened it to all members of the Y. It will be held at 6:15 p.m. in the college woods and will cost about $1.50 a person.

On Saturday night several people enjoyed an evening of swimming and dancing at the Norristown YMCA. Swimming occupied the first two hours and then dancing lasted until 11:30 p.m.

At the final commission meetings of the year, under the guidance of next year's chairman, plans for the fall semester were formulated. Walter Long '55 was elected as the new co-chairman of the political action committee, with Sarah Grater '53.

A meeting of the social responsibility commission, the possibility of another seminar, political action commission, with Walter Long '55.

At a meeting of the social responsibility commission, the possibility of another seminar, political action commission, with Walter Long '55.

A meeting of the social responsibility commission, the possibility of another seminar, political action commission, with Walter Long '55.

At a meeting of the social responsibility commission, the possibility of another seminar, political action commission, with Walter Long '55.

The wedding of Miss Ruth E. Andes '51, daughter of Mr. and Mrs. Eugene R. Andes of Reading, to Pvt. Russell E. Mack '51, son of Dr. and Mrs. Russell E. Mack of Arm- more, took place Saturday afternoon at 2:30 p.m. in the First Presbyterian Church of Reading.

The Newman club held elections last Monday night. The following officers were elected: president, Genevieve Tiedeken '53; secretary-treasurer, Fred Menzel '54; corresponding secretary, Peggy Kelly '54.

Germans meet for the first time in the college. The doggie roast was held for the members of the German club at the home of Fred Owens at Roy- ford. After passing the hot dogs at an outside fireplace the mem- bers went inside to dance and listen to recorded German music.

Fraternities pick russe as the new president of the Fraternity Council. In her sophomore year she was historian of the campus cheer club. She is also a member of Phi Alpha Psi sorority.
