Bishop Corson is Speaker at Baccalaureate

"Brooking's the Lost Key to Knowledge" was the topic of the speech given at Baccalaureate by Bishop Fred P. Corson, at the baccalaureate service held at 10:45 in Bomberger chapel on May 12. As the name of the methodist church in the city of Brockport implies, the speech stressed the importance of knowledge in furthering the work of the church. Bishop Corson, who is the bishop of the Hudson conference, was invited to give the address because he is a member of the board of trustees of the college. The address was entitled "Brooking's the Lost Key to Knowledge." The message of the address was that knowledge is the key to the future and that the church should be the leader in the dissemination of knowledge.

Board Selects Armstrong For Dean Position

The Ursinus Board of Directors has selected Dr. Maurice W. Armstrong as dean of Ursinus College. Dr. Armstrong, professor of political science and chairman of the department of political science, will assume his new duties on July 1. The decision by the board was announced by Dr. Charles L. Chandler, president of the college.

Barbara Crawford, Margaret Donaldson

Barbara Jane Crawford from Bowling Green, Ohio, was named valedictorian of the class of 1953 by the president of one class last Friday in all morning. Marjorie Bunting Donaldson, Jane Allen, Pa., was named as salutatorian. Marjorie Bunting Donaldson majored in modern languages and literature. Both were very active in extra-curricular activities also.

New Cheerleaders Chosen

Four new cheerleaders were added to the Ursinus cheer squad as a result of try-outs held a few days ago. The new members are Sally Brubaker, Cherie Oliver '54 and Sue Sadler '55.

**EDITORSIALS**

A TRIBUTE

Dr. John Wentworth Clawson, A.M., dean of Ursinus since 1946, and professor in mathematics since 1907, is retiring this year. The students of Ursinus will miss his silent figure at chapel exercises and his patient handling of schedule problems. The college will miss a brilliant scholar." 

Dean Clawson was born in Canada, received a B.A. degree from the University of New Brunswick in 1901, an A.B. degree from Cambridge University in 1904 and an A.M. from the University of Pennsylvania in 1905. Before coming to Ursinus he was a Lecturer in Mathematics at the State University of Iowa and an Assistant in Physics at Ohio State University.

Dean Clawson has taught mathematics to two generations of students. His own three children have grown up and graduated from here during these years. He has been invited to return by the Council of Directors, two years past the ordinary retiring age.

Dean Clawson’s record here has been throughout one of consistent excellence. He has been an outstanding teacher. He fulfilled his duties as normal as well as brilliantly. He leaves in the eyes of the Ursinus Board of Directors, two years past the ordinary retiring age.

There are those who believe that this lack of individualism is prevalent in college also. These people believe that it is the modern tendency to treat individuals as if they were and in careers in the military. There should be tolerance for differences of opinion, in the student and in student-faculty relations. For whatever reason there should be no reason to think to train people for themselves.

The seniors will face the same basic problem as those in other years and in this happy note we shall close the year with about $10,000 in savings.
## Bears Close Season With 9-5 Victory Over Lehigh

The Ursinus Bears run the final curtain on an exciting baseball season with a triumphant note as they presented coach Seckinger with a 9-5 victory over Lehigh. Playing under consistently overcast skies and having the game interrupted for a half hour because of rain, the Bears played their way to a winning three-run splash in the seventh inning to tie the Grizzlies, 2-2. At the last man was retired, the umpires held the game up because of the rain.

A half hour later play resumed and the Bears returned to the infield in search of a decisive win. Dick Glock, with two out and the Grizzlies leading by a 2-0 deficit, sat on his feet to look down at the batter. After a short delay, the Bears scored three clutch hits, with the deciding single being hit by second baseman John Anderson. The Grizzles scored again when Jay Kern singled to center, possibly handing the Grizzlies a 4-3 lead. The Bears completed a perfect three-game sweep, outlasting the Grizzlies, 4-3.

The Bears had counted Lampeter, rf, 3, and Henning, c, 3, in the series. The biggest individual news of the season was the Grizzlies’ dropping of a 6-4-3 double play. Bobenski led the Grizzlies in batting with an average of .325. He was followed by John Anderson, who finished the season with a 305 average. Dick Glock took pitching honors with four wins and one loss.

**Looking Over**

by Ted Wenner ’23

The end of another athletic year. Graduating seniors who performed on the athletic fields of Ursinus college turn to take a last lingering look at the spot where they made a name for themselves. In most cases, the underclassmen won’t be forgetting them quickly for their names will still be synonymous to where those seniors left off. The line-up seen during the season is the result of a carefully planned strategy. Helmets proved to be effective in the game of baseball, and team strategy was the key to success of the Bears.

**Cinder Men Defeat F&M On Mewing’s Last Jump**

May 3 was no unlucky day for the Ursinus cindermen. Bob Swift threw his bat down on the locker room floor and let out an Indian yell. It was the first time that the Bears had ever beaten a Franklin and Marshall track team since the series started in 1935. This year’s score read — Ursinus 414, F & M 413. The meet, a home contest, was won in the last broad jump made by Ed Maving, a 20 ft. 7 in. leap, which served as the first place and victory. Ironically enough, Maving’s ‘jump in last year’s test with the Diplomats fell one-fourth of an inch short and the Grizzlies dropped a 64-32 decision.

Let us pick on the wrong guy, when they tried to needle me!**

**THE PURCUPINE**

**“They picked on the wrong guy when they tried to needle me!”**

He’s listened to the weak thread of so many shallow claims — he’s fed up! His point is there’s a thorough test of cigarette mildness. Millions of smokers throughout America concur.

**It’s the sensible test... the 30-Day Camel Mildness Test, which simply asks you to try Camel as your steady smoke... on a day-after-day, pack-after-pack basis. No snap judgments! Once you’ve tried Camels in your “T-Zone” (For Throat, T for Taste) you’ll see why...**

After all the Mildness Tests... Camel leads all other brands by billions.
The Beardwood Chemical Society held a dinner meeting on May 12. At this meeting the following officers for the coming year were announced; President, Robert Pleber; Secretary, Fred M. Parr; and Treasurer, O. B. Palfy. The speakers for the evening were: Thyrge Mecleve, now a graduate student at the University of Delaware and holder of a National Research Foundation Fellowship; Mr. William Burkhardt of W. R. DuPont Co., and Mr. Wayne Godshull of Quaker Chemical Co. After the talk, a film The Story of Research, was shown.

Ursinus was hit by the Philadelphia Area Student Chemists Association, a group made up of representatives from sixteen local colleges, at a doggie roast on May 15. At this time Fred Ovore was elected president of the organization for the coming year.

Sororities Elect Officers
Mary Shelly "53 and Mary Byrdell "53 may now be added to the list as sorority presidents. They represent Omega Chi and Alpha Sigma Nu sororities respectively. Completing the roster as officers to have for Omega Chi Edna Reitf. "53; vice-president, Franklin John "54 as secretary, Robert Pleber as treasurer. For Alpha Sigma Nu, Katherine Stewart "54 as correspon- dented, secretary, Katherine Stewart "54 as treasurer, and Anna Hoelsman "54 as chaplain.
