Congressman Addresses Founders’ Day Assembly

McConnell, Robbins, Gildner, and Leibarth Get Honorary Degrees At Annual Convocation; Degrees in Course Confirmed on Sixteen

"Where need is, there you will find opportunity," said Congressman Richard J. Carson of Morristown, N. J., at the annual Founders’ Day convocation Wednesday in Bomberger chapel. He stressed the need of seeking opportunity for service in a troubled world.

New Jersey Deputv Commissioner McConnell, Upper Moreland Township and Lower Moreland Township, and Mr. Gildner are members of the board of directors.

Sixteen Degrees Confirmed

Bachelor of Arts degrees were conferred on Donald R. Allens, Bala-Cynwyd; John L. Bowen, Malvern; Cletus J. Cooper, Moylan; David John Krueger, West Chester; Jack Andrew Malycha, Swedesboro; Merle Lee Schull, Norristown; Arthur Jordan Wilke, Flushing; William Robert William, Philadelphia; and Edward Lovett Edmondson, Trenton, N. J., in the School of Commerce and Business.

Bachelor of Science degrees were conferred on Robert Johann Grasham, Nanticoke; William Johann Holleender, Trenton, N. J; Michael C. Jones, Bala-Cynwyd; Edward Edward Love, Morristown, N. J.; Robert Poll, Riverton; John Peter Crotty, Abington; and Joseph Hoehl, Mt. Holly. Professor Robert S. Jones, Miss Nancy Burchill, and Miss Alice M. Shill of the Women’s Student Councils — freshmen are invited to keep the event for the following regulations in its guide books.

Phantasy Reported In Full Rehearsal

Rehearsals are now in full swing and plans are moving along for what promises to be an event that will be given by the seniors for the benefit of the junior and sophomore classes, written by two seniors, with the preliminary work to be done in the evening hours. The event will be held in the Thompson-Day gymnasium on Monday, October 22.

Director Emile Schmidt ’51 has announced that the seniors will be talking roles in the production. William Delegar ’51, Jean Berman ’51, Emile Schmidt ’51, Jack Chrst ’51, Pat Herbst ’51, Donald Grasham ’51, Kitty Hanning ’51, Roy Pearson ’51, Roy Pearson ’51, William Van Horn ’51, Kit Stewart ’54, Ruth Farmer ’51, Rose Lord ’51, William Whister Donahue ’51, Buck Ross ’51, Edward Love ’51, Rachel J. Caron ’50, and Jenny Gradon ’52.

FOR A DAY OFF!
10 Years Ago

The Bears beat Delaware's Blue Hens 29-0. The football victory and related social society indicated that it was supporting Wilkie in the presidential election, but predicted by a 25–7 vote that Coolidge would win.

20 Years Ago

The football team beat Susquehanna university 20-0. The team was off to a successful start in the season. The Grizzlies had previously posted victories over Franklin 20-0, Dickinson 17-0, and Franklin and Marshall 19-0.

The 1939 version of the Ursinus football team was in the first half of the season. The season had been justified, and continued support for the remainder of the season was encouraged by the team.

The bear's undying support. They proved that they, too, were serious about the season.

We need an abundance of spirit, of consequent support for the team, of good coaching, of outstanding playing, and of the victories that these things bring.

The weekly column suggested that "The University's football education will establish a constant awareness of the price of victory."

It's an Ursinus fact... that our school was founded and chartered in 1869 and named for an eminent theologian of the 16th century Reformation.

That we opened the doors of our college in January, 1849, in the form of a tri-monthly circular.

That only 185 enrolled in 1853 contained nine students, two of whom were young ladies.

That our first academic year at Ursinus began in September, 1870, that the fall term was published as January, 1849, in the form of a tri-monthly circular.

That the enrollment class of 1853 contained nine students, two of whom were young ladies.

That we opened the doors of our college in January, 1849, in the form of a tri-monthly circular.

That the enrollment class of 1853 contained nine students, two of whom were young ladies.

That our first academic year at Ursinus began in September, 1870, that the fall term was published as January, 1849, in the form of a tri-monthly circular.
The Men’s Student Council discussed the limitation of announcements over the public address system. The establishment of an inter-dormitory council and the granting of a hot dog concession in the meeting Monday night.

Each council member will poll members of his class to see if they can take future action on the questions of announcements over the public address system. It was suggested that only major organizations use the address system and that a special bulletin board be erected for notices of small organizations.

Harry Light ’51, Roll Berra ’51, William Beemer ’51, and Harry Feulner ’53 are working on an amendment to the constitution for an inter-dormitory council to control rules in the men’s dormitories. This motion is to be presented tonight for discussion.

Unanimously approved by the council was the concession request made by William Mauger and Paul Condie to serve hot dogs in Curtis Hall. No exceptions are to be made for one hour only.

The cost to each student will be $1.50.

**MSGA Discusses Inter-Dorm Council, Concession, and Announcement Limits**

**Delta Pi Sigma fraternity**

**As Recognized Social Group**

**Have you ever wondered who the “Dopeh” are around campus?** Formally this group is known as the Delta Pi Sigma fraternity, organized midway through the last school year. From a handful of sincere and like-minded individuals, the fraternity has grown into a well-organized and purposeful organization with a present membership of twenty-two.

The fraternity has survived a period of trial and error and has now emerged as a fully recognized social fraternity at Ursinus. Offices for this year are Dick High ’51, president; Rock Rose ’51, vice-president; Dave High ’52, secretary; and Alan Field ’52, treasurer.

Sixty Minutes of Faith

**Campus Interviews on Cigarette Tests**

**Number 4... THE COMMON LOON**

"Don’t be silly! What do you think I am... a goose?"

Our fine-feathered friend isn’t being “taken-in” by all those tricky cigarette tests you hear so much about! A fast puff of this brand—a snuff of that. A quick inhale—a fast exhale—and you’re supposed to know all about cigarettes. No! You don’t have to rely on quick-tricks. The sensible way to test a cigarette is to smoke pack after pack, day after day. That’s the test.

Cameled asks you to make... the 30-Day Mildness Test.

Smoke Camels—and only Camels—for 30 days. Let your own ‘T-Zone’ (T for Thrust, T for Taste) be your proving ground. And when you’ve tried Camels as a steady smoke, you’ll know why...

More People Smoke Camels than any other cigarette!
Brainers to Clash
With Seahawks
At Staten Island
by Gene Pascechi '52
A considerably strengthened
Wagner college football team
will take the field Saturday afternoon
against the consistently improving
Beavers of Ursinus college at
Grymes Hill, Staten Island.
Returning to action will be
two key players, Paul Goodale, all-city
back at New Dorp high school last
year, and Harry Kummer, back
from Tauton, Massachusetts.
Both were in pre-season scrimmages
and missed the opener against
Mercer college, which found Wagner
on the short end of
a 26-0 score.
The Seahawks are evidently
not of the calibre of the 1949 team,
which won eleven of the twenty
games by defeating Freeland
13-2 and pasting the opponent
under a pressing attack
during the entire game, and Alhambra
did not penetrate the Wagner
blocking circle more than twice.
Marvin Kurtz, a senior, was top
scorer with four points.

Frank is the 6 ft. 160-pound
winger who has the task of not only
knocking over opposing ball
carriers but of calling Ursinus' de-
fensive signals.

Jv Hockey Squad
Whips Albright 11-0

The hockey team traveled to
Albright last Tuesday and won
their initial victory of the 1950
season by an 11-0 score. Playing
against a relatively unexperienced
Albright eleven, the Ursinus girls
led at halftime 5-0. Ursinus was not
pressed too much by a passing
defense covering the entire
game, and Alhambra
did not penetrate the Wagner
blocking circle more than twice.
Marvin Kurtz, a senior, was top
scorer with four points.

Young grabbed a Garnet CF item for himself and handed it over to the team. The Garnet field had been turned to a sea of mud by the recent rains, making the game nearly impossible to play. But the Bears, led by Roy Foster, were determined to win. The midfield was packed with players, and the Bears' defense was impenetrable. For it has been the Bears' specialty to turn the opposing team's attacks into nothing but points. The Bears' defense was a well-oiled machine, and they were able to hold the Grizzlies to just 14 points in the first half.

The game was fast-paced and exciting. The Bears had the upper hand for most of the game, but the Grizzlies fought back in the second half. The score was 21-0 in favor of the Bears at halftime. The second half saw the Grizzlies try to catch up, but the Bears' defense was too strong. The final score was 21-0, with the Bears winning the game.

**Hockey Team Opens With 2-1 Win Over East Stroudsburg**

With seconds to go, the Grizzlies were able to tie the game at 1-1. However, the Bears were able to hold on for the 2-1 victory. The Bears' defense was solid, preventing the Grizzlies from scoring for most of the game. The Bears' offense was efficient, scoring two goals in the first period and one in the second. The game was a close one, but the Bears were able to secure the win.

**Bootheers Tie Alumni on Old Timers' Day After Mid-Week 4-2 Loss to Lafayette**

The Alumni soccer team suffered a second setback last Wednesday, when they dropped a 4-2 decision to a Lutheran team in the first round of the tournament. The Alumni team, with the exception of Tom Davis, who was not able to attend, was able to hold their own against the Bears. However, the Bears were able to score four goals in the second half of the game, taking the match 4-2. The Alumni team played well, but were not able to match the Bears' offensive power. The Bears' defense was solid, limiting the Alumni team to just two goals in the first half and one in the second. The Bears' offense was efficient, scoring two goals in the first period and two in the second. The game was a close one, but the Bears were able to secure the win.

**Martin's Goal Lifts Swarthmore Bows 35-14 Over Ursinus**

On Saturday, the Bears defeated the Grizzlies 35-14. The Bears were able to control the game from the start, scoring three touchdowns in the first half and two in the second. The Grizzlies were unable to score any points in the first half, but managed to score a touchdown in the second. The Bears' defense was solid, preventing the Grizzlies from scoring for most of the game. The Bears' offense was efficient, scoring five touchdowns in the first half and two in the second. The game was a close one, but the Bears were able to secure the win.
Library to Get Additional Tier of Book Racks

Installation Delayed by War; Library Capacity to Jump

Ursinus students will have a re- enement of the results of the current war when work is begun during the next few weeks for a third tier of book stacks for the Alumni Memorial Library.

Installation was originally scheduled to last several days, but the Atlantic conflict forced postponement. The necessary materials have been received from the Remington-Rand Co. which is going to do the installation. It is not known when the necessary materials are available, so that the work will be done in the near future.

An attempt by College officials to put off the work until the Christmas vacation was unavailing, and an appeal has been issued to all students to be quiet and to annoy and confused conditions that may result from the installation during the next few weeks.

Mr. Baron said that the capacity of the Library 17, the main reading room, will be increased by a rapidly growing collec-
tor, and will enable the work to be handled by Librarian Marion Tilton Baron, and the five weekbooks into "apple-joey" order.

"A new addition, is free carrels, or small booths for reading.

The floor will be covered, steel with ashphalt tiles, and the lighting will be modern. A large lightening being now used on the students' parts of the library, will allow the new portion, and the middle tier for reading and writing.

Mr. Baron said the classified work of the students will be turned over to this new addition. The floor will be of ashphalt tiles, and the lighting will be modern. The lighting is being used on the students' parts of the library, will allow the new portion, and the middle tier for reading and writing.
