James C. Butler of the Mound Avenue Bank, in the city of Paterson, near the 17th Street Bridge, was shot and killed by a man named John Doe, who, it is said, was under the influence of alcohol at the time of the tragedy.

The incident occurred while the two men were engaged in a dispute over some business matters. Butler was shot in the chest and died instantly. The suspect, who fled the scene, was later apprehended by police and charged with murder.

This tragic event has shocked the community and has left a void in the lives of those who knew and loved Mr. Butler. The investigation is ongoing and further details will be provided as they become available.

James C. Butler was a respected member of the community and will be deeply missed by all who knew him. Our thoughts and prayers are with his family during this difficult time.

Bitten by a Rattlesnake.

Thursday, July 11.—Berty Kern, aged 17, of Kennington, was bitten by a rattlesnake while visiting her uncle, Mr. W. B. Hahn, at his home near the Ferry. The snake was found near the house, and the young man was immediately taken to the hospital, where he is recovering. The rattlesnake was killed by the doctor, who found that it was a common species found in the area. The boy is expected to recover with no serious complications.
