TWO MEN ELECTED AS STUDENT COUNCIL REPRESENTATIVES

Marty Daniels Named Senior Member of Council

Representatives to the Women's Student Council and members of the Women's Student Council were chosen by their respective classes at Monday's All-Seniors meeting last week and today.

Marty Daniels, chosen last week as senior representative to the WSGA next year, is also chairman of the Big Brothers committee. His duties include being chairman of the Freshman Social committee, with the Student Council, and chairman of the Social Committee, with the Student Council.

One Day of Blood-Giving Leaves Campus Perplexed

by Robert Jordan '51

It seems that the Brilliance of the Church, an organization of students who have given blood, has reached its peak. The group has been very successful, and it is difficult to believe that there are still students who haven't given blood.

The organization is made up of students who have given blood in the past and who are willing to give again. They meet once a week, and the meetings are open to anyone who wants to give blood.

The members of the organization are very enthusiastic about their work, and they are always looking for new members. They have been very successful in getting their message out, and they are hoping to continue their success in the future.

The Brilliance of the Church is a great organization, and it is important to support it. The more people who give blood, the more students who will be able to receive the help they need.

Ursinus Grad, Lloyd Wood '25, is Lt. Governor

by Anne Neborak '52

Many Ursinus graduates have been successful upon leaving Col­ legiate and have held many other important positions. Among them is Lloyd H. Wood, an Ursinus graduate.

Wood, a native of Montgomery County, learned of Ursinus College and its excellent scholastic standing. He had known of the college for some time and had high regard for it. When he was granted a scholarship at Vanderbilt Uni­ versity, he was given a letter of introduction from the late Dr. Warton A. Kline, Dean of the College. Wood had been told by several people to visit the college and had planned to do so.

Wood was elected to the first-term of Senator Edmonds with the same ballot as last year. During the last two years of his term as Senator his friends expended considerable effort in pro­ moting him as a candidate for Governor. After prolonged negotiations among the leaders in the Republican Organization throughout the Commonwealth, it was finally agreed that Governor Fite should be the candidate for Governor and that Lloyd H. Wood should be the candidate for Lieutenant Governor.

Wood is a member of the State Board of Education. He has served on the Board for several years and has served in an advisory capacity to the Board.

His duties as Lieutenant Gov­ ernor fall within a few general classi­ fications. First, he presides over the Senate in the General As­ sembly in session. Secondly, he serves as a member of the State Board of Education. While he was elected to the office, he has not elect­ ed as Chairman of the Board.

He is not cast to a vote in the Senate on any legisla­ tion except where there is a tie and the issue involved is of a con­ stitutional nature.

In his own words he says of Ursi­ nus college: "I could not speak too highly of Ursinus as a school. Dentistry has brought me to more than an ordinary number of places for which I am deeply grateful." As a result he has become one of the most prominent dentists in the area.

Wood was elected to the office of Lieutenant Governor because he is not permitted to cast a vote in the Senate on any legisla­ tion except where there is a tie and the issue involved is of a con­ stitutional nature.

Co-eds Defeated by Bryn Mawr Team
Jody Woodruff Elected as Tennis Head
Victors Shut-Out Both Varsity and Jaycette Court Squads
by Pat Garrow '54

The Yeomen and Yeomen with both var-
sity and Jaycette, the Urinus wo-
men's varsity, was defeated by three
excellent Brymawr team, 4, on April 4.

Barbara Stagg was defeated by Marjorie Graham, and although
she took the first set without trouble,
Graham was so off her usual form
on the second as Barry's splendid
placements began to tell. Nancy Vada
threw her opponent before dropping
the first set 6–2, but Patzy Price had no
trouble with the second as she won 6–2, 6–4.

In the Jaycette match, Barbara Landis and Joan Kirby caused
little trouble for Nancy Blackwood and Mary Lou Price as they
lost 6–2, 6–3. Likewise, Janet Christian and Marty Daniels dropped their
match 6–2, 7–5, but did cause some
trouble in the final set for Ann
Inglett and Jane Walker.

In the junior varsity matches, the Belles had as little luck and
again lost 5–0. Marlene Canfield defeated
herself with a powerful shot, Janie Stehle 6–4, 6–0. Adele Boyd threat-
ened in the first set but lost 6–3, 6–2.

The doubles teams met as skillful
as Shirley Marcum and Jean Heron were defeated by Mar-
lene Canfield and Joan Compton, 6–3,6–2, and Nancy Lahy, 6–3, 6–1 to Diana Oskar and Elizabeth Waddow.

Students Work for Honors (Continued from page 1)

Chemistry Department, is working on The Use of Silicone as a Cholinesterase inhibitor in Insecticide-education Titration. This has to do with the discussion of the uses and advantages of Silicon over their indication. He is also presenting significant data to illustrate the points made. Mr. Burkhardt has read his work at Yale University during the spring vacation. He, along with Thyrge R. Meeker, presented their work at an Interdisciplinary Science meeting held at Franklin and Marshall last Saturday. Thyrge R. Meeker is also working in the chemistry department. His work includes the Date of Determination of Propane Glycol with Acetic Acid. After the development of a satisfactory technique of measurement, the effect of varying temperature concentration or catalysts on the rate of Estification was determined.

Dorothy Mayer is working in the Languages department. Her paper concerns the life and works of Domingo Faustino Sarmiento, 19th century Argentine author and statesman. It is a biography indicating the personalities and trends which influenced his works and thoughts.

Communion Breakfast Planned

Father John P. Cullen presented a Communion breakfast planned this morning. This event was held at the Newman club held at St. Eleanor's school last Monday. The next event of the club will be a Communion breakfast to be held next Tuesday morning after the 7:45 a.m. main Mass. The time is 8 a.m. and may be obtained from Virginia Losa.

Pi Gamma Mu Frat Holds District Banquet

The first annual banquet of the Pennsylvania chapter of Pi Gamma Mu was held here last Friday night.

Invitations were sent to all the chapter in Pennsylvania, but Lebanon Valley, Lehigh, Pennsylvania and Temple were the only colleges represented.

Approximately 75 attended the banquet.

James Hershfield, Vassar professor, extended a welcome to the group. Dr. Leon Goldshaid, chairman, eastern region, introduced the officers and chapter representative of Pi Gamma Mu. The main address of the evening was given by the National President of Pi Gamma Mu, Dr. Howard Patterson of the University of Pennsylvania. He spoke on the main objectives of Pi Gamma Mu and emphasized the importance of the undergraduate.

Dr. Eugene Miller of Ursinus is governor of the Pennsylvania chapter.

MOVIE SCHEDULED

The movie How Green Was My Valley, based on the book of the same name by Richard Llewelyn, will be shown in the Science building at 8:30 this evening. The film was produced by Palamon, directed by Mervyn LeRoy and was released in 1941. The film stars Claire Bloom, Albert Camus, Henry Daniell, Donald Crisp, Errol Flynn, and John Hodiak.
