Stassen Views Theories Shaping World Cultures

by Fred Nichells '50

Friday afternoon, October 21, Stassen celebrated its 75th anniversary and opened upon its ninth decade as an institution of higher learning in the liberal arts.

President Harold E. Stassen of the University of Pennsylvania, upon whom Ursinus conferred the degree of Doctor of Laws, was the principal speaker at the convocation of the faculty, board of directors, and graduates who had completed their courses during the past twenty years, and members of the faculty. Dr. Norman E. McLean, past president, spoke briefly on the past history of the college, as interest placed on Mr. Stassen as a man whose life exemplified the spirit of the University of Pennsylvania.

Stassen, in his address, spoke of the problems that face the student who is held by many peoples of the globe as the beacon to guide them to freedom, and the natural man of rights, in which men live a free life with certain inalienable rights derived from his creator. This is the philosophy upon which the British Commonwealth, and various other nations, are based. At the time, Stassen observed, the Ursinus College was founded.

The second philosophy is one which teaches that the individual has no inherent rights, but secures

Music Clubs Offer Two Merit Awards

The coordinated Music Organizations have recently completed an audit system for its local musical groups.

Under this system a student may earn one point per semester for each of the following: one point for each quarter which he or she will receive the first award; and when he has earned twenty points, he will receive a second award. The kind of award to be given has not yet been determined by the department.

At a recent meeting, the group chose Jack Christen '51 as director for the next season. On November 9, Old Timers' Day, the banquet will be held in the campus.

Kitchen Adds New Refrigerator, Other Equipment During Summer

The kitchen has acquired several new facilities of which students are aware. The principal addition is a small service system, one of the most effective devices in modern kitchen design, in a modern deep-freeze unit and a cigarette lighter.

During the summer, while the kitchen was being furnished, the members of the kitchen staff spent long hours re-decorating the employees room, painting the walls, laying linoleum and scrubbing and re-painting the ceiling in the kitchen. The store-room was redone, the kitchen was made into a room for greater variety of food.

EDITORIAL

Sororities and Fraternities

One of the biggest arguments for the presence of sororities and fraternities on the Ursinus campus is that they have a small part to play in campus life. Unlike the large national organizations which dominate the twentieth-century campus scene in so many of the colleges and universities in the United States, the Ursinus campus is blessed with a diverse range of small, local, student-run organizations which serve the needs of their members and contribute to the social tapestry of the campus.

We are faced then with two alternatives when it comes to the matter of student socialization on college campuses. Rarely, if ever, do organizations which dominate the idea of social acceptability. The annual Frosh Banquet was the small part they play in cam- the Ursinus campus is the political interest groups. Rarely, if ever, do er on the Ursinus campus is the political interest groups. Traveller Comes to Roost at Ursinus

by Dick Hector '53

It seems as though certain Ursinus personnel just can't stick to the commonplace in their lives in or out of school. The most recent addition to the ranks of the non-conformists is Bill Bond, Frosh from Heidelberg, Germany, who flew several hundred miles to take his college board exams this spring.

When the date arrived for Bill to take his tests in Munich, he found that he was to be at the Port of Embarkation on the very same day. Complications! But these were neatly solved by a fast plane to Munich for the examination, and by another one back in time to beat the deadline.

Bill, however, is a native of the United States. He was born in Colfax, Washington, 17 years ago. He moved to Germany with his family when they joined his father, who is connected with the occupational forces there.

"Boob's" has attended nine schools from Arizona to Heidelberg from four of those schools. His unique hobby is the result of a lifetime of travel. This hobby is the collection of many novelties and souvenirs from across the world. Wooden slippers from the Netherlands, a pair of "lederhosen" German hiking shorts, rate tops among his collection. When combined with a navy blue beret from Paris, this outfit makes of Bill one of the most cosmopolitan of the Frosh on campus.

Bill's dorm is the Annex, an athlete's paradise. He rooms with another Frosh from Venezuela, (you'll hear more of him later) and a rooter from New Jersey. "Garden Canned Corn Examiner" — State the number of tons of coal shipped out of the United States in any given year. "Student--" — "College bred is a four-year loaf road.) Have a flat? Motorist—"No, thanks, I have one."

There's no finer cigarette in the world today than Lucky Strike! To bring you this finer cigarette, the makers of Lucky Strike go after fine, light, naturally mild tobacco — and pay millions more than official parity prices to get it! So buy a carton of Luckies today. See for yourself how much finer and smoother Luckies really are — how much more real deep-down smoking enjoyment they give you. Yes, smoke a Lucky! It's a finer, milder, more enjoyable cigarette!!
Hockey Team Takes Season Opener 4-3 Against Bryn Mawr

The Ursinus girls’ hockey team opened the 49 season with a well
prepared and well fought game against the Bryn Mawr squad by the close score of 4-3. Ursinus opened the game with a well-coordinated attack, taking the ball up the field several times, although the two seniors, Betty Van Dyke, left inner for Scoll’s Belles, and Nancy Wilson, left outer for Francklin, got in and out after the opening whistle. Nancy assembled the attack, taking the ball on a hard drive from the edge of the circle, past two defenders, and put it past goalie a corner. The score was 2-1.

The Ursinus girls backed up their opening goal with a second in 6 minutes, scored by an incoming game from a fast game of the junior varsity. The second goal, made by Marian Kurtz, Joan Kirby, and Marian Johnson. The hockey team plays their first home game when they meet East Stroudsburg on Wednesday afternoon afternoons at 4 p.m.

Curtis Keeps Lead; McMillan Triumphs In Golfing Contest

With two weeks of intramural touch football completed, power laden Curtis maintains a four-game winning streak to lead the face for league honors. Coach A. Barcus, theWILLIAM CURTIS, theB.COM,
but he has charged primed for every contest. Although a number of athletes as Ira Bronson, Ed Klein, Philip Freeland and Derr, they are interested and of coach Jerry Carter, starter of the Philadelphia Phillies, and Frank Wochek, the Phillys' trainer who is at present a soccer coach at LaSalle.

Court Squad Opens Practice Workouts For Coming Season

The Ursinus basketball team, under the direction of coach Jerry Carter, started their initial practice sessions last Monday in preparation for the opening of the new season. Forty-five candidates appeared last Monday for the first practice, among them five varsity men from last year. Bill Forry, who is the first captain of the team, was the last varsity performer.

Several outstanding members of last year’s senior varsity squad are among the candidates. The most likely prospects are Jim Sheppard, Neil Weinner, Art Boston, Will Wimborg and Andy Carter.

Coach Seeders, now serving his fourth year as member of the Ursinus, claimed last year’s point showing on the lack of proper condition. This year, conditioning is the main point being stressed. Dave Reice and Bill Myers, Dave Kirshenbaum and Bobby Johnson made up the varsity performers.

Coach Seeders would like to stress the fact that no varsity positions have been sealed. Those who have impressed the coach and have not been reported to Coach Seeders because of football, soccer, or other activities in which they have been involved.

Pep Rally Precedes Senior Class Dance

At a Rolling pep rally Friday afternoon the initial appearance of Brunnen "Whistler", Don, the Ursinus rooting section gave the football team a warm send-off for its traditional battle with Swarthmore. The local color game, looking into the future through a haze of smoke, predicted that a defeat for Brunnen taste would be annihilated by a rough and ready Ursinus squad on a field indelibly marked with a large U.

Shortly after the walk of the old gym had ceased vibrating and the780 free votes had been cleared away, the seniors welcomed all coming to the "first and only annual Senior Slams," a dance in honor of that college's visit to our campus. Highlight of the evening was a lively Virginia Reel explained and supervised by the St. George Sch. professor of square dancing at Ursinus.

After everyone had been duly ushered by the unassuming usher, reception was aided by the supply of hot dogs, cider, and coles, "sitting out" the display table, and a band.) A crowd of about 150 attended the dance.

Poem Reveals Hope For Beaten Athletes

The Weekly Sport's Staff has decided that in spite of its anonymous origin and previous presentation, should be published in a length and scope of its readers. It was placed in a locker room last Friday afternoon.

So you've been beaten to earth?

Come up with a smiling face.

The Universe still up.

But to fight when that's disgrace.

Why, the harder you fall.

The bigger you climb.

How but did you fight, and why?

It's easy to cry, that you're beaten.

It's easy to cry and claw.

It's easy to cry and face when hope's out of sight.

Why the best, the game.

And though you come out of each struggle bleeding.

All beaten and battered.

Have only more try, it's easy to die,

And keep on living that's hard.

Grid Machine Seeks Win Over Seahawks To Avage '48 Loss

by Bill Heffelfinger

This Saturday the Wagner College Seahawks of Staten Island, N.Y. invade Collegville in tangle with the Ursinus Offense.

Last year Coach Jim Lowery's eleven defeated the Bears 23-4 in a highly-contested game. Although Wagner's record to date has been fairly good for a team that is vulnerable with Kuhrt Wieneke's good running game, the record is two wins and two losses. They defeated Hofstra and an impressive 28-6 win over a mediocre CCNY team.

For Ursinus, John L. DeVinne, fullback, and C. S. Sertl, half-back, are expected to lead the winning effort. Wise is listed as the probable starter.

The line will be tested against the Bears for the second time this year. After failing to score three times against Swarthmore, the Bears are expected to score against the Seahawks.

At a rousing pep rally Friday afternoon, both teams appeared to be ready for the contest. Dick Hays, Bears' center, said: "Well that's that."

Swartrmore's Victory;

At a rousing pep rally Friday afternoon, both teams appeared to be ready for the contest. Dick Hays, Bears' center, said: "Well that's that."
The security rushing season opened Friday morning, when bids were delivered to Sophomore girls in the dorms and the Day Study. Each of the five sororities is rushing from eleven to twenty-one girls, depending upon the number of vacancies which remains to make up its quota of thirty-five members. Each sorority will hold a party this week to enable the rushees to meet the present members of the groups. The times and places of the parties are as follows: Gamma Chi-Monday night at Dr. Wagman's home; Kappa Delta-Kappa Tuesday night at Dr. Miller's home; Tau Sigma Gamma-Wednesday night at Betty Keyser's home; Alpha Sigma Nu—Thursday night at Dr. Brownback's home; Phi Alpha Phi—Friday night at Superhouse. Bids will be signed on Saturday, October 12, at 8:15 p.m. in room 7 in Bomberger. The present members of the sororities are: Alpha Sigma Nu—Stella Armstrong, Joyce Gabel, Helen Frey, Betty Bell, Dorothy Dietrich, Ruth Amsie, Marcia Schneider, Margaret Desharn, Doris Daley, Marilyn Miller, Norma Tittus, Carolyn Kreft, Jean Halje, Jackie Jordan, Jean Frederick, Constance Dyer, Elizabeth Halbert, Joan Kahn, Susan Leinhardt.

Week-End Events

Approximately 500 Philadelphians were present at the Musical Fair held at the Philadelphia Association in the Fairmont Hotel. The dance featured the Philadelphian Orchestra and was a great success. The event was sponsored by the Philadelphia Race Committee and was to help the student teachers. All persons interested in the FTA are invited to join. The next meeting will be held on Tuesday, November 3.

The International Relations Club will meet in the faculty room of the library tomorrow evening at 7:30 p.m. Spiro Kostofakis, an Ursinus student who comes from Greece, will discuss the problems facing his country today.

MSIA Elections (Continued from page 1)

Joseph Sanders, the Fresh representative, is a chemistry-biology major from Philadelphia.

In addition to filling the vacant position, Mr. Sanders also voted to accept the proposed amendment to the constitution. This amendment provides for the election of representatives of members of their respective classes.

Fullbright Scholarship (Continued from page 1)

will be reserved in these competitions.

Interested applicants who are enrolled at college should file information and application forms from Dean Clasins. Applications must be made before November 30. Candidates who are not now enrolled at a college or university may apply directly to the Institute of International Education, 2 West 45th Street, New York 19, N.Y.
