Young Passes to Victory
As Student Spirit Booms

by Bob Gehman '59

Victory week at Ursinus became a reality for the first time since the freshman period of 1927, as a spirited Bear eleven rose up in fury Saturday afternoon and smashed an undermanned Susquehanna team 14-0. Taking their cue from a myriad of posters and signs which dotted the campus last week, Coac Wlene s

Gordon Tait, this year's winner of the Thomas Jefferson Foundation scholarship, came to Ursinus by working his way from his home in Chicago, a Norwegian freighter.

Gordon Tait, this year's scholarship winner, will be honored with a dinner and a presentation of the scholarship at the Thomas Jefferson Foundation in Philadelphia.

The Thomas Jefferson Foundation scholarship is awarded to the student who demonstrates the highest degree of academic merit and character. The foundation has funded the scholarship for over 50 years.

I have come to believe that it is harder for many people to receive than to give. It seems to me that we are often more willing to take chances to give of our natural gifts than to be moved to receive with thankfulness.

I am grateful for the opportunity to be able to share this with you all today. It's been a privilege serving as your President.
**Soccer Team Loses**

* by Roy Foster '51

Four members of the Ursinus soccer squad have played their last and regular season games, completing their eligibility. The eligibility of graduation is a thing to be looked to in preparing the team for the upcoming fall and spring. Pat Elsmere is the only first team player to go out of the regular fall season.

In no way do the seniors' performances affect the team's efforts, for there are many younger players who have shown great promise.

**Court Squads Await Grid Replacements To Complete Roster**

* by Ed Klein '32

For the past month the hoopshoots of Ursinus College have been divided between the freshmen and the seniors. A game opening lift against the Lebanon High School, November 3 at home, will mark the end of the regular season.

Jerry Jefferys, court manager, expects to make up the team during this interval. Among the twenty-four players who comprise both the varsity and junior varsity squads are twenty-two players who have been playing on the team throughout the year. This year's team is composed of Leslie Bronson, Andy Carter, Ted Chantham, Bill D'Amato, Don Fauth, Bob Fehlman, Tom Lachenmayer, Bill Leander, Anita Peterson, Pat Pattison, Joe Pflug, Pat Stanger, Bob Mitchell and Doug Leander. Anita has played on the varsity softball team. Ursinus defensive line, led by rugged Bob Mitchell and Doug Leander, has been the most dangerous hitters.

**Five Coeds To Play Final H.O.Game For Ursinus Teams**

The Temple hockey game was a thrilling contest for the Ursinus College hockey team. Ursinus had played with Mary Evans, Anita Frick, and Pat Patterson, who represented the team for the final time in this contest.

Captain Anita Frick has served on the varsity for two years in the right wing position. In addition to her forward work, Anita has played on the varsity softball team during the past several seasons.

Jack Webb, from Pitman, New Jersey, played for the Ursinus hockey team. He was a member of the squad for the past two years. Last year, he was selected on the All-College Midfield for his work at the center-half-back position and stand-outs on the team. With his eye on the Middle of the pool and his talent, he had the opportunity to bring the Ursinus hockey team to the University of Pennsylvania to play in the national semi-finals.

**Football Careers End For Senior Lettermen**

by Don Stauffer '33

Another gridiron season has been entered into the record books; likewise six seniors have terminated their tour of duty with the Ursinus football team. Captain Jefferys, George Leander, Sherwood Hewitt and Nap Haplinger all made their last appearance on the field.

Many Ursinus lettermen participated in a number of games, including some of the Division I teams. Many others served as substitutes, as well as on plays by the Ursinus lettermen in football, track, basketball and baseball. In many a fine performance at end of the season, the game was the Wagner contest in which the Ursinus lettermen played. The Bill, a Chatham High graduate, is the only member of the Ursinus baseball team.

**Linemen Leave**

The former members of the Ursinus line will miss the starring role of four outstanding linemen. Bob, a tackle, and Doug, a guard, have played on the line for the past three years. They have shown great skill as well as football, and hopes are held that they will add to their organization as a coach and physical instructor.)

**Football Teams Win**

(Continued from page 1)

Good Luck To The bye five yard line. Illegal use of hands by one of the players cost him a fifteen yard penalty for a minute it seemed as if Susquehanna could win the game. But the ball was finally turned over to the opposing team.

Again Bill Fiehler filled the H.O.Game, scoring with a splendid sprint around right end and Young '49 to bring the ball over the forty yard lateral to move the ball to the 6-yd. line. With fourth down and two again, Bill handed off to Young his Furrier in a pinwheel to gain three, Bill toed the line and Young down. John Ethol, outstanding performer, kicked the extra point and took to the air as Bob O'Gara kept the Brinx foot in constant fear with his sleet-like forward pass. The result of the game was a 7-0 win, which kept the visitors from capitalizing on all scoring opportunities.

Whoever said the game was the Wagner contest in which the Ursinus lettermen played. The Bill, a Chatham High graduate, is the only member of the Ursinus baseball team.
Radio Station Prepares

This year the station will bring us more dramatic shows and more unscripted good music. Because of the complicated dramatic shows, many programs will probably be recorded during the afternoons and evenings, and broadcasts over the air at later times. This year, also, there is more room in which to work and, as a result, more talent can be heard than was formerly the case.

The frequency for broadcasting has been changed from 1590 kilocycles to 690 kilocycles in order to give better and further reception. Because of this, it is now hoped that the program presentations will be able to be heard as far as the Annex, something heretofore impossible.
