MESSENGER SOLIOTS

Wilson and Styres Return As Solists for "Messiah"

Christmas festivities at Ursinus will have their grand opening Thursday evening at 8:00 p.m. in Bomberger Chapel when the music department will present its traditional rendition of Handel's Messiah.

Four professional soloists, two of whom are familiar to Ursinus audiences under previous appearances, will sing against a background of the chooral voices.

Miss Martha Wilson, soprano and Mr. Earle Styres, baritone, have each sung with the Ursinus Messiah chorus in former years. Miss Wilson, an operaettta and radio singer, is now a soloist in a Brooklyn church. Mr. Styres, a member of the National Broadcasting Company staff, makes oratorio work his specialty and travels widely for his profession.

Miss Laura Grauer, contralto, and Mrs. Nancy Bare, mezzo-soprano, will appear here for the first time on Thursday. Miss Grauer along with the Denver Opera Company and is a noted singer at the Denver Symphony Orchestra. Mr. Bailey, who
Hordern Expands Need for Revision in Foreign Policy

Mr. William Hordern addressed an enthusiastic audience of students in the Multipurpose Room of Bomberger Hall last Wednesday evening. His address was on the subject, "Communism, Christian Tradition, and the Present Crisis.

A young and forceful speaker, Mr. Hordern is a Canadian-born professor of political science and is now a professor of philosophy at St. Andrews University. He is the former editor of the Scottish Review and is the author of several books on political subjects.

The scheduled program preceded an address and the question period which followed, he explained the need for reexamination of our foreign policy. Since the end of the war, he stated, the United States has been dominated by the Soviet Union. In fact, he added, the United Nations is the tool of the former, national scene is in response to a move by the world. The United Nations, he said, is the result of a worldwide Marshall Plan and the Atlantic Pact, regardless of their merit, as evidence of our policy of counterattack and vacillation in order to oppose the Russians.

Mr. Hordern made it clear that for a positive policy of democracy in action, he stated, a single course of action is essential. (Continued on page 4)

**EDITORIAL**

With the presentation of the fall play just behind us and the Men's Homecoming festivities in full swing, the average student on campus has found himself right in the middle of the typical major production—casting arrangements. This tradition of going three hours early to get a good seat seems to be growing by the day, not only because the doors don't open that early but because there aren't many good seats left to get.

This year, in an attempt to abate the scene, a special announcement was made at the play by 7:30 p.m. when the doors were opened; and this year, in fact, eliminated the mad scramble for seats which was too often the situation. However, it does not alter the fact that part of the reason for the "mad scramble for seats" of the play is that a small portion of the seats are reserved. It seems strange that for productions which are such a result of students' hard work, at least—a result of their monetary contributions—and for which no little space alleviated for the students and the non-paying student.

The Friday night play production, at one time presented for the past three years seen the advent of the "res-" behind the sales of the stoppage which were coproduced one-half of the downstairs seats are reserved for paid admissions and faculty members. Each member of the supporting cast, particularly Muriel Schilk, is as the proper Mrs. Pearce, housemaid to Mr. Higgins in "Pygmalion," is a glad smile, if not efficiency by appealing to their sympathy and their sense of humor.

Preceding Christmas Seasons Provide Variety of Students Color for Traditional Campus Yuletide Hold-Self-Jobs

by Gretchen Showalter '53

Already the male blikes are singing Christmas carols on a joyous Yuletide spirit pervades campus as some of the first Christmas clones arrive at the Christmas dance. In the Kreuger Memorial Auditorium, Ursinus College has certain traditions that are the boys. Supposedly the girls receive the girls in Freeland Hall dining vice wrote:

"Preparing for publication" begins on a fresh note than the last. Now, in co-operation with the Y Service, a weekly column is prepared for the public in five issues a week, Monday through Thursday. The first issue is written, whether Carolina students are mistimed or misfortunates (Les miserables). The second one is a personal column. Also, it is hoped that the editorial staff must spend what they can do not cover the entire expense of the column, but do it for the school, not for the school. The third issue is a personal column. Also, it is hoped that the editorial staff must spend what they can do not cover the entire expense of the column, but do it for the school, not for the school. The third one is a personal column. Also, it is hoped that the editorial staff must spend what they can do not cover the entire expense of the column, but do it for the school, not for the school. The third issue is a personal column. Also, it is hoped that the editorial staff must spend what they can do not cover the entire expense of the column, but do it for the school, not for the school.

The dining room employs 68 students as its personnel. Twenty students are approximately 35 laboratory assistants in the chemistry department. Five in the physics department, five in the biological sciences, five in the physics department, and nine in the physics department. Matmen Strive to Better Last Year’s Good Record

by Ed Klein ’52

The grapplers of Ursinus College have been hard at work with continuous practice sessions for the past three weeks. Their goal is to better their record of last year’s squad, which was five victories against a lone defeat, that loss being the first match of the year against Haverford.

Only three members of this fine squad are not returning again this season. They are Phil Kelly, Joe Bechtel and Jim Cox. Those remaining from the varsity are Bill Galey Chandler and Bill Heinel, Gene Pascucci, Jim Dunham, Bob Menkenberg, Bill Mitchell, Pete Peterson, Art Wilkes, Manny Pascochel and Jim Daniel. More candidates are expected to appear.

This season two meets have been added to the six scheduled last year. The first meet will be against Muhlenberg on January 7. After this initial contest, the matches will be held on the average of twice a week, one at home and one away for the remainder of the season. After completing the regular schedule, the wrestlers will compete against other middle Atlantic colleges in the Middle Atlantics meet.

In order to prepare for this grueling schedule, Coach Kenneth Weinzweig has put his charges through a vigorous and back-breaking routine. Since wrestling is a sport which requires excellent conditioning forms of training such as tumbling, push-ups and pull-ups, rope skipping and short matches against one another make up the conditioning program for the returning varsity and the new candidates.

Some of the other candidates are Brian Rouzer, Dan Donahue, Randy Heintz, Gene Pascochel, Jim Hutmacher, Bob Menkenberg, Bob Mitchell, Pete Peterson, Art Wilkes, Manny Pascochel and Jim Daniel. More candidates are expected to appear.

The following is the schedule of the wrestling team of 1950.

Jan. 7-Muhlenberg home
Jan. 10-Lafayette away
Jan. 16-Delaware home
Feb. 1-Haverford away
Feb. 22-PSCC away
March 3 and 4-Middle Atlantics Delaware

Last year Roy Todd, who was then the sports editor of the Weekly, came up with what we considered a very excellent suggestion in one of his regular column dissertations.

Roy pointed out the rather evident need for a name for our "new" gymnastics. This structure is, in all practical purposes, over two years old now. It still has no name other than the sentimental "new gym" which at present is the only means of distinguishing it from Thompson-Gay.

Tod suggested that the dedication be to the late Dean Whitorn Klipe who devoted his life to serving Ursinus College. Certainly Dean Klipe would be a worthy candidate. The important thing, however, is to decide on someone for the dedication. The fieldhouse lacks the personalization which a name would give it.

Your writer would like to suggest that the Varsity Club be the group to look into this matter. Working with the administration, a worthwhile project could be formulated which would be climaxed by a dedication ceremony held at one of the basketball contests. The event would be a memorable one in the lives of both students and graduates and would lend color and tradition to campus life.

It has been often mentioned that Ursinus athletic events are not colorful enough—not from the standpoint of the game itself, but from the sidelines. This year a slim has been done to correct this situation. "Whistler" Donahoe, his spirit committee, the tumblers, drum majors, an improved band, and many other examples can be cited to witnesses the favorable change in atmosphere which has come into its own this year.

But other projects such as the Varsity Club Queen need also to be commended. These are the little extra things which can be worked into something big and could develop into a traditional event with all the pomp and circumstance that accompanies the crowning of the May Queen.

This is this type of thing which increases spectator interest. And it is the lack of such interest that causes many Ursinus students to disappear on week-ends and show up at some game other than the one Ursinus is playing.

Who is to blame? Well, a great many people are actually responsible. But the fault lies fundamentally with the students. Red intentionally, but the old bug of sparsity has gotten around to so many people that they just don’t take the time and trouble to sit down and figure out the answers.

Your writer is as guilty of this as anyone.

People today like a show! There aren’t many people at Ursinus who do not want the team to win, but there just isn’t enough offered in the way of entertainment to keep them around. They want razzle-dazzle stuff, and if they don’t get it at Ursinus, they’ll go to Penn or some other large college team play.

Yet Ursinus is equipped to supply this razzle-dazzle if the heads of organizations stop to think it over. Each of them can make a

Baker’s Bums Bow To Snell’s Bells in Annual Meeting

by Roy Foster ’31

Male opposed female in a knock-
down, tussle and tangle, as the ulterior weaker sex manhandled the opposition on the way to a 2-1 triumph. In the first half of the game, the teams fought valiantly and fairly for a 32.71 average. But being accustomed to the comparison of the quarter of the game, the Ursinus girls had little chance in the new and unfamiliar currents. The Damon plunged 2-3.

The only one in the tournament to remain undefeated and untied was Joan Evans, a member of the Ursinus swimming team, for which she played left wing. The Ursinus Second team, which Mary played, won two games and tied two. Both of the Ursinus forwards played excellent hockey and contributed greatly to their team’s scoring power.

time and eight straight another, the Grizzlies almost doubled their opponents score! Some of the starters were replaced by reserves, the outcast still showed no sign of weakening.

Practise Games Set To Launch Campus Basketball Schedule

by Bob Gelman ’58

Final arrangements have been completed to usher in the intra-
collegiate basketball season in the form of a wide-open tournament. Each team will have two opportunities to play one or more games in the regular season which is slated to start after Christmas.

With the entry of sixteen teams, which will be divided into an array of quartets, the race this year for the championships will not be any better than in previous years. The quartet of teams chosen at random for the opening round, and the eventual list of four teams, Bruckner and the Ursinus girls, will face each other, while Evans, Freeland and Derr will face each other.

Off-campus teams include Pet- ter, Westerly, Bock’s, Kran- naus and the Penn State women. Manager of each team is asked to hand in a list of students whom Ray Urosnak or Bob Gelman, Intramural Supervisor, may call upon.

The officiating this year, as in previous years, will consist of the coaching and officiating classes of the Ursinus basketball team. In the list, it is suggested that each team select two such classes.

Since three games will be played each week, it will be necessary in order to observe the weekly schedule. Most games will be played at the Ursinus gymnasium.

No player will be allowed on the floor at any time except for the duration of the game. The games will consist of two halves of fifteen minutes each.

Sidelines

Championship: The conference has a valuable contribution somewhere along the line. A large share of the conference value is held in the hands of the Pennsylvania Inter- Caliate League. Ursinus Establishes New Disposal Plant

The newly constructed sewage interceptor and sewage treatment plant at Ursinus College was placed in service November 22.

Members of the Board of Directors of the College as well as college and public officials took part in a pre-opening tour of inspection.

constructed by the college at a cost of approximately $45,000. The system is designed for a population of 1,000 and incorporates the newest sewage engineering principles.

Located on the eastern edge of the campus, the plant is ideally situated topographically in a low included area permitting gravity operation of the entire system. Included are a combination screen and grit chamber, an immunik tank, trickling filter and final settling and chlorination tanks. Adequate drying beds for sludge are also included. Over a thousand feet of sewer lines were laid as well as 1,000 feet of water lines.

Important economies in the cost of construction and design improvements were effected by erecting the plant in a compact area to keep piping requirements low and reduce the maintenance and operation costs.

The system was designed by T. Singleton, Borough Engineer of Baltimore, with Ivan M. Glace, '52 and Donald Crispin '52. Jeanne Stewart '50 served as the contractor and construction work was supervised by Horace E. Godshall, Superintendent of Engineering.

Hordern Speaks

In conclusion Mr. Hordern warned that Communism is "more dangerous than Nazism because it is better" in that it has something to offer the underprivileged people of the world. "Communism is a religion which can only be defeated by a revitalized Christian religion directing the efforts of our democracy toward a peaceful world."
