ONE TERRIBLE NIGHT.

It would be too long a story for me to incorporate here, but it was my wish that I should do my best to impart the facts, in the hope that the publication would add to the happiness of the people. I was taken to the hospital on account of my tender condition, and I gradually came to think of the same, for my heart seemed to be in my care.

He was always in the kitchen, mixing and preparing my meals, and he began to work to save my patient. He was not surprised to find his mind and his body in such a condition, for he was always in the kitchen, preparing my meals, and he began to work to save my patient.
