GAFF FROM THE GRIZZLY

Although our basketball team can't seem to get over that they have one consolation—Harford College; but as they went through the door that night, we knew they had one consolation—Harford College.

There is no question of truth in the rumor that Brad Garvey walked out of the theater and asked, "Who's coming?"

There is at least one person firmly convinced that the Junior Jubilee will be a success. Just ask Bob Gracey walking around the state of the union is good. With Veith Ford can't break the Ursinus jinx.

Mrs. Parsons, Mr. and Mrs. Paul too—Mr. and Mrs. Matlack, Mr. and Mrs. Eisenhower. She won the door prize.

One-time bitterness in time, has no choice. For, whether he had any standing on labor's coat-tails or was elected with the heart-and-soul support of the people, Harry Truman has no one to thank but himself.

Clamoring politicians (pre-election) insisted that the time in politics is the right time in the White House, that the democracy is the news of the day. In this light, Truman (Not Time) finds that it has for no choice. Whether he had any standing on labor's coat-tails or was elected with the heart-and-soul support of the people, Harry Truman has no one to thank but himself.

Apply reflecting the majority's news, the President immediately called the 81st Congress with passing a vigorous legislative program. Congress will hold ground on the policies it has already developed. Before he is to initiate the policies which, therefore, should be voted upon to the Senate and House of Representatives.

The big question in the minds of many people is how long will the Truman honeymoon last, what is the difference between the Blue and the Gray in the Democratic Party and the strong-right wing Haleke Repeal Party? Will there be a smooth sailing until 1952? These two questions are most certainly not at all the features that would be important in the country's future developments. As far as the North-South split is concerned, the cause of the schism is almost forgotten—civil rights. Uninhibited movement toward the cause of the schism is almost forgotten—civil rights. Uninhibited movement toward the issue of the Centennial of the 18th Amendment of the Constitution. This call has played an important role in the country's future developments. As far as the North-South split is concerned, the cause of the schism is almost forgotten—civil rights. Uninhibited movement toward the cause of the schism is almost forgotten—civil rights. Uninhibited movement toward the cause of the schism is almost forgotten—civil rights. Uninhibited movement toward the cause of the schism is almost forgotten—civil rights. Uninhibited movement toward the cause of the schism is almost forgotten—civil rights. Uninhibited movement toward the cause of the schism is almost forgotten—civil rights.

With the world still terrorizing on the question of the cost of the war, how long will they go? The American people can do it. The American people can do it.

Mr. and Mrs. William A. Allard of Allentown, Pa., have announced the engagement of Miss Dorothy Horner '49, of Jenkintown, Pa., to Mr. R. Russell Hulings, of Lansdowne, Pa., who graduated in 1948 and was a chemist major.

The engagement of Miss Lois R. Wilson to Mr. Dawson A. Butter, of Lansdowne, Pa., who graduated in 1949 and was a member of Tau Sigma Gamma sorority. Lt. Alexander has studied Engineering and will be graduated in the class of '50.

The engagement of Miss Margaret M. Dietz to Mr. David E. Davis, of Lansdowne, Pa., who graduated in 1949 and was a member of Tau Sigma Gamma sorority. Mr. and Mrs. Helen Dietz also of Lansdowne, Pa., have announced the engagement of Miss Margaret M. Dietz to Mr. David E. Davis, of Lansdowne, Pa., who graduated in 1949 and was a member of Tau Sigma Gamma sorority. Lt. Alexander has studied Engineering and will be graduated in the class of '50.

There has been announced the engagement of Helen Neely, daughter of Mr. and Mrs. Allan Neely of Lansdowne, Pa., to Mr. Lawrence H. Heist, Jr., of Lansdowne, Pa., who graduated in 1949 and was a member of Tau Sigma Gamma sorority. Mr. and Mrs. Helen Dietz also of Lansdowne, Pa., have announced the engagement of Miss Margaret M. Dietz to Mr. David E. Davis, of Lansdowne, Pa., who graduated in 1949 and was a member of Tau Sigma Gamma sorority. Lt. Alexander has studied Engineering and will be graduated in the class of '50.

The engagement of Miss Marjorie F. Dietz to Mr. Frank R. Butter, of Lansdowne, Pa., who graduated in 1949 and was a member of Tau Sigma Gamma sorority. Mr. and Mrs. Helen Dietz also of Lansdowne, Pa., have announced the engagement of Miss Margaret M. Dietz to Mr. David E. Davis, of Lansdowne, Pa., who graduated in 1949 and was a member of Tau Sigma Gamma sorority. Lt. Alexander has studied Engineering and will be graduated in the class of '50.

The engagement of Miss Betty J. Evans to Mr. Raymond Hallman, of Lansdowne, Pa., who graduated in 1949 and was a member of Tau Sigma Gamma sorority. Mr. and Mrs. Helen Dietz also of Lansdowne, Pa., have announced the engagement of Miss Margaret M. Dietz to Mr. David E. Davis, of Lansdowne, Pa., who graduated in 1949 and was a member of Tau Sigma Gamma sorority. Lt. Alexander has studied Engineering and will be graduated in the class of '50.

The engagement of Miss Mary E. Ryan to Mr. Raymond Hallman, of Lansdowne, Pa., who graduated in 1949 and was a member of Tau Sigma Gamma sorority. Mr. and Mrs. Helen Dietz also of Lansdowne, Pa., have announced the engagement of Miss Margaret M. Dietz to Mr. David E. Davis, of Lansdowne, Pa., who graduated in 1949 and was a member of Tau Sigma Gamma sorority. Lt. Alexander has studied Engineering and will be graduated in the class of '50.

BUS. MGR. - Little Wilson - Rutter the state of the union is good. With Veith Ford can't break the Ursinus jinx.

Mrs. Parsons, Mr. and Mrs. Paul too—Mr. and Mrs. Matlack, Mr. and Mrs. Eisenhower. She won the door prize.

Although our basketball team can't seem to get over that they have one consolation—Harford College; but as they went through the door that night, we knew they had one consolation—Harford College.

There is no question of truth in the rumor that Brad Garvey walked out of the theater and asked, "Who's coming?"

There is at least one person firmly convinced that the Junior Jubilee will be a success. Just ask Bob Gracey walking around the state of the union is good. With Veith Ford can't break the Ursinus jinx.

Mrs. Parsons, Mr. and Mrs. Paul too—Mr. and Mrs. Matlack, Mr. and Mrs. Eisenhower. She won the door prize.
As a result of the elections committed on the National Association of Manufacturers with such monotonous regularity by Roosevelt and Truman, a plan has been de-

right gifts. Since Presidential elections come early in November, conveniently before the end of most fiscal years, it then behooves all corporations to declare generous year-end divi-

lar corporations, but only once in every gal Christmas seasons of his Prices tumble. The President

co-operation from

upon business from now on. To possible.

become filthy rich, through out- which wounds some member of

every corporation listed on the New might even expect Wall street to tattered rags and howling like

of the United

least as yet, and almost ethical. At little apparent-possibly at no real

problem, with all the political im-

lications thereof, and with all possibilities of Presidential attacks upon business from now on. To make or break full co-operation from all our larger corporations, but only once in every four years.

Essentially practical, the plan operates on the time-tested max-

in "If you can't lick them, join them." There is a slight reverse twist, which will become appar-

ent at once.

On the day that a new President of the United States is elected, every corporation listed on the New York Stock Exchange, the New York Curb, all the regional ex-

changes, and all the larger ones traded over the counter will im-

mediately send to the new Presi-

dent a certificate for one thousand shares of your company stock. Within a week, the new President will have become filthy rich, through out-
What Has Been Your Most Valuable Course? (Excluding Subjects in Your Major)

Frank M. Edwards ’80 – Interrogator

Ken Reinhart, Bus. Ad. “Logic is my choice. I’ve never had a course quite like it, and I do feel that it has changed my view of the world. One of the most interesting things is that whenever I see people writing about these things in passing, I make very interesting jokes. My major in philosophy has made very interesting things by his expertise.”

Edith Calhoun, Phys. Ed. “One course which has helped me to understand better the causes of many of the problems of the world today is Sociology, since just about everything we do reflects upon the actions of society. I am very glad that I had the opportunity to learn more about society.”

Margaret Myers, Eng. “The course which I feel will benefit me in the future is a course in abnormal psychology which has stimulated me most. The subject matter of the course clearly shows how easy it is for a person to err in reasoning. Logic also has taught me to question some things which I had previously taken for granted.”

Riv Todd, Eng. “Since I intend to follow the teaching profession, I feel that Education 4 is the course which will help me most. The course has given me a sample of the conditions which I will have to follow for the rest of my professional life.”

U. S. Medical Corps

Four of the national military establishment is taking steps to ensure that the armed forces of the country will not be found wanting in case of an international emergency. It is expected that the current draft of young men will greatly increase the responsibilities of the Army Medical Department.

World War II proved that dieticians, physical therapists, and occupational therapists could be the army hospitalization program. For this reason, these professional groups have been incorporated into the regular Army as commissioned officers, forming a new corps-The Women’s Medical Specialist Corps.

Now in a formalized state, the corps must expand immediately to a strength of 600 Regular Army officers and 3,000 reservists. The Army Medical Corps is in charge of the training for these professional jobs.

Any woman desiring further information regarding the medical program should contact Norma Lee Cole ’49 and Bill Weber ’49. The most important thing to know is that the corps must expand immediately to a strength of 600 Regular Army officers and 3,000 reservists. The Army Medical Corps is in charge of the training for these professional jobs.

Any woman desiring further information regarding the medical program should contact Norma Lee Cole ’49 and Bill Weber ’49.

Open Discussion on Race Equality Scheduled by Y

On Bob Herbert ’51

“Your Should We, as Christians, Practice Racial Equality” is the topic for discussion at the second in a series of Organized Religious Chats to be held this Wednesday evening in the room arranged by the Commission on Racial Equality under the leadership of Norma Lee Cole ’49 and Bill Weber ’49. This talk should provide an interesting and lively debate, which, when viewed in the light of Christian principles, may lead to a clearer understanding of this problem. Anticipating a large turn-out, the Y has planned to divide the students into three groups, which will meet in the homes of Dr. Garrett and Mr. and Mrs. Ranier. Interested students are requested to sign the lists on the Bulletin Board in Bonner Hall and meet in Room 2 at 6:45 Wednesday evening.

CORS is also in charge of Y's programs for the week. Ozer ’51 and present her Jefferson Rogers as the speaker. Rivka McPhee ’50 and Bill Weber ’49 will be student leaders. The members of the Political Action Committee are on hand to discuss the week’s events and plans for the week, and the Y plans to send students to the movement to contribute to the student body. The commission is working to create an organization of Y members to meet at the beginning of next semester.

Edith Calhoun, Phys. Ed. “Since religion was a subject which puzzled me very much, I feel that the course in the Philosophy of Religion was very enlightening. Many problems were discussed which are important to understanding in our multi-religious world.”

Faculty Members Attend Local Honors: Dr. McClure Given Citizenship Award

Three faculty members have recently been honored by local organizations. One has been given a citizenship award, and the other two have been given positions in welfare organizations.

McClure Gets Award

Dr. Norman E. McClure, president of Ursinus College, was awarded the second annual Good Citizen Award at the annual Lions Club banquet in the Philadelphia area last Wednesday, December 22. The local area includes Collegeville, Trappe, and the townships immediately surrounding it. The county goal this year is 800,000, much more than the previous year’s goal of 400,000. When Montgomery County contributed slightly more than 10 cents per capita.

Brownback on Welfare Council

Dr. J. Harold R. Brownback, professor of political science, will lead the March of Dimes campaign for the county during the national drive from January 14 through 31. It has been announced. The local area includes Collegeville, Trappe, and the townships immediately surrounding it. The county goal this year is 800,000, much more than the previous year’s goal of 400,000. When Montgomery County contributed slightly more than 10 cents per capita.

Future Graduates Given Final Notices

Students to Report Information

On the evening of January 5 a meeting was held in Room 8-12 for students who are applying for admission to the Schools of Health and Social Work. The meeting was mainly for those students of the class of 59 and 51 who are affected by the new draft regulations, particularly a number of students failed to attend. Those students in particular are to report at once to the Office of the Student Health and Social Work.

Deadline Set for Graduates

Those seniors who are planning to attend graduate schools, those who must leave their school work, and those who wish to make formal application for the post-graduate examination and the advanced examination in their major field. This is the absolute deadline and no applications will be accepted after the aforementioned date.

Kromka's Address

Kromka's address will be given on February 7 and 8.

Leap year is when girls keep looking for their eligibility on "Tri-State Tips and Topics"...

How Long Can a Snoop-Hit Live?

Hear Connie Haines' new version of "Stormy Weather"...you'll know! (A Signature Record)

That great number that everybody was buzzing back in 1933 comes to life again with Connie Haines' sensational, new recording. Here's the hip new graduate, the darling of the phonograph favor, talking over this all-time hit with fellow musicians, Jerry Jerome.

How Mild can a Cigarette Be?

Make the CAMEL 30-DAY TEST...and you'll know!

Yes, make the 30-day Camel Mildness Test. See for yourself how mild Camels are. In a recent test of 100 of the men who smoke and only 20 of the 100 called Camel their brand. After making weekly examinations, reported.

Regional Assembly Marks Anniversary of NSA's 2nd Year

The dreams of student leaders who hoped to form a national students' organization were realized when the Regional Assembly convened in Chicago, Illinois.

The organizational meeting of the United States National Student Association was held at Madison, Wisconsin, the following summer for the purpose of writing a national constitution for the organization.

The first assembly of the Pennsylvania Region, U.S. N.S.A. was held at Penn State College in December, 1947, at which time the membership of the organization was drawn up.

The second regional meeting of the P.M. S.R. N.S.A. was held in June, 1948, at Penn State, at which time student rights and academic problems were discussed.

The First National Student Congress was held at Madison, Wisconsin, in August, 1948. From this convention came many ideas, suggestions, and programs, such as the Purchase Card System, which is receiving favorable approval throughout the United States.

NSA's most recent activity in this area was the 1949 Regional Assembly at Albright College in Allentown, Pennsylvania. At this assembly, Urisinus was represented for the first time in the organization's history.

Juniors Hold Vote on Question of Name Band at Spring Prom

The question is, "Do you Juniors want the name of the Band at Spring Prom?" Ray Dippel and his associates are to find the answer by a poll of the Juniors.

Questionnaires will be distributed to each dormitory and to the P.M. S.R. N.S.A. The only method of securing a valid poll is state constitution, and so more ballot boxes in front of the junior dormitories will be available.

Students may find the opportunity to run for office now that the election is over.

Laddie: "My glass of beer kept sliding off the table." -N. Y. U. Varieties

Conferece Delegates Reach No Conclusion

Though no definite opinion on the merits of NSA was reached by the Delegates to the Regional Assembly in the near future, it is a comparatively new idea.

NSA is trying to produce some worthwhile accomplishments; it has started a Purchase-Card plan, whereby students receive reduced rates from merchants in the student's area. Though new, the plan has been working in some sections, with Buffalo, N.Y., being the outstanding example.

On April 24 and 25, the organization plans to produce a music festival at the Met Theatre in Philadelphia.

The organization has a regional policy of having two student government constitutions and is giving service to all schools desiring aid.

NSA does have some value: Perhaps the organization will do the natural death, as so often happens with idealistic groups founded on a concrete basis. Certainly, the accomplishments made so far merit headline space in a college weekly. But the Weekly has reported much space to it in this issue, because the organization has for so long been ignored at Ursinus. The workshop on student government sponsored by the Ursinus Delegates, did prove interesting. If its only merit lies in bringing us a little closer to other schools, it does have value. How much value such camps are to be held, is not for us to decide, through our student government, should decide.

French Lawyer to Speak Here Tonight

Monique Philippe Waterman, French citizen and lawyer, who is living in Philadelphia, will be guest speaker tonight at 7:30 p.m. at a meeting of the French Club. The French club is an organized group of foreign students who are not enrolled at Ursinus, while a group of foreign students, who are not enrolled at Ursinus, are the organization's special group of French students. The French club and students interested in France are invited to attend this address in French.

Bears Break Even in League Contests

Cadets Open League With 72-50 Victory In Mid-Week Game

On January 18, 1947, Bill Forsyth, George Moore, and Dave Ziegler paced a roaring Bear quintet to a 72-46 victory over PM's then-hapless Cadets, and almost every former Ursinus scoring record was shattered.

With an entirely new cast, the 1946-47 squad at Ursinus opened its schedule Wednesday night with what appeared to be revenge for the two year old fracas, and before the evening was over, 38 field goals had been poured through the hoop, as the Bearlets emerged victorious, 72-50.

Sweetie Ties Cadets

Swayze ties up Betson while Forsyth and Colman look on.

PMC Edges Jay-Vees in 33-34 Thriller; Cubs Bow To Ford's in Overtime, 47-46

One point was all that separated the Ursinus Cubs from their two opponents this week, but that lone counter departed the bookends of two victories. In the initial contest, PMC's Junior Varsity nipped the Seevers-coached second team 33-34, on Wednesday, while Haverford's jaunty Jay-vee quintet barely edged the Cubs, 46-47, in an overtime tiff on Saturday.

A late spurt gave the Ursinis the 21-25 halftime edge in the Chester fracas, but the Cadets rallied to tie at 32-all with three minutes remaining, Griffith's pair of field goals was the deciding factor in the thriller.

Bill Buchanan, bespectacled freshman, led the pack in scoring with 11 points, while Will Wimberg notched 10 counters to follow closely on his heels.

At home on Saturday, the Jay-vee fell short by three points as the first half ended with the Fords on top, 28-25.

When big, affable catcher Gabby Harberton came as a rookie to join the Chicago Cubs, he was immediately sent into service in a game against Cincinnati. Just before game time, a sports writer asked him:

"Is this the first big league game you ever caught?" he was asked.

"This," replied Gabby, "It's the first big league game I ever saw."

German Club
The German Club will hold its first meeting of 1949 this Thursday at 8 p.m. in the president’s dining room.

Chapel
Beginning with the first day of the spring semester, chapel services will be conducted at 11:40 a.m. daily. Class hours will then be from 8 to 8:30, 8:30 to 9, 9 to 9:30, 9:30 to 10 and 10 to 11:30.

Newman Club
At the last meeting of the Newman Club, new officers were elected for the coming semester. Those chosen are: Ed Stevens ’49, president; Rita Pahiani ’49, vice-president, and Rebecca Boswell ’49, secretary.

Glee Club
The Glee Club concert scheduled for this week has been postponed. The concert will be presented shortly after the beginning of the next semester.

Lorelei
Representatives from the student government and the inter-sorority and fraternity council have been appointed to a committee for the Lorelei Dance on February 11. Those chosen in-clude: Bob McQueen ’49, Interfraternity Council; Ray McQueen ’49, MinsGA; Rita Lieb ’49, Inter-Sorority Council; and Dorothy Perkins ’49, NUSGA.

A poll will be taken this week in the dining room to decide whether or not the Lorelei will be traditionally turned out, or whether the men will act as the women.

Aviation
Mr. William G. Gerhard, a graduate of the University of Pennsylvania and one of America’s foremost authorities on aviation, will speak on “The History of Aviation” in Dr. Chandler’s Geopolitics Seminar, Friday at 3 p.m.

WASA Party
Approximately twenty-four women attended the card party sponsored by the Women’s Athletic Association on Saturday in the Girls’ Day Room. Prizes were awarded for high scores in bridge and pinball.

Chess Club
The chess team tied Lansdale 35-35 Sunday afternoon, with Ike Bester ’49, Bill Weber ’49, Tom Kanes ’49, and Tom McKenzie ’49 scoring for Ursinus.

Beardwood
(Continued from page 1) movies, and field trips to see chemistry at work in industry. The course will emphasize the chemical and especially to chemistry majors. Everyone in the chemistry group is eligible for membership and will find it an invaluable aid in his chosen field.
