Summer Curriculum Almost Completed; 136 Are Enrolled

A total of 136 students have now expressed an intention to take work in the summer curriculum. Of these that have attracted enough numbers to justify its inclusion are Biology 6 (and perhaps 8 and 11), Chemistry 4, 7, and 17, Education 1, 3 and 4, English Literature 4 and 6, and German 2. Other courses, including Philosophy 5 and 11, Political Science 5, Psychology 1, Sociology 1, and Speech 5, have been approved by the Committee on Courses, but the number of students who will enroll is too uncertain to make the courses available.

The proposed roster is as follows:

Five days a week:

9:05 - Chemistry 7, Economics 3, English Composition 2, French 4, German 4, History 4, Sociology 1, Speech 5
10:15 - Economics 4, German 4, History 4, Sociology 1, Speech 5
11:15 - Education 6, English Literature 4, French 4, Political Science 5

The same courses except Literature 4 will be offered on Monday and Wednesday, Monday and Thursday, Monday and Friday, or Tuesday and Thursday, respectively.

 Chambers 3 will meet on Monday, Tuesday, Wednesday, Thursday, Friday, and Saturday at 8:00 in the Library. The Committee on Courses urges students to enroll in these courses as soon as possible, as later enrollments will not be accepted.

Local Principal Addresses FTA on Subject of School Discipline

Speaking from the point of view of the representative of the United States, Mr. Louis Kreig, principal of Col. Vought, addressed the students of Ursinian High School on the problem of school discipline and the need for a more relaxed and democratic atmosphere in the school.

The state conference will be held in Irving auditorium of the Ursinian school on April 10. The Hon. Louis Kreig, principal of Col. Vought, will be the guest speaker. The conference will be open to all students of the school and will be conducted in the spirit of cooperation and understanding.

Religious Emphasis Week Opens April 7; Yale Professor To Head Speakers’ List

Liston Pope, Yale Professor, will open the YM-YW Religious Emphasis Week on Wednesday evening, April 7, with an address on the theme of the week's program: A Search for God. The following are the speakers, all of whom are members of the Federal Council of Churches.

Dr. Pope, who is author of the widely read "Millhands and Preachers," and "Labor and Religion," is a prominent leader in the movement to bring the message of the Church to the workers. His addresses will be given in the gymnasium of the Ursinian school.

Mayor to Speak on Values and Christianness

On Sunday, April 11, the conclusion of the week's program, the Rev. Charles Swans, pastor of the Congregational Church in Bensalem, will speak in the gymnasium of the Ursinian school.

Dr. Swans, who is a member of the Brotherhood of St. Paul, is well known for his vigorous and forceful preaching. He is well known for his close association with the Ursinian school and for his ability to communicate with the students.

Dr. Swans' address will be the climax of the week's program and will be followed by a question-and-answer period.

The week's program is expected to be well attended and is sure to be a success.
Representatives. Their duties were not clearly shown a complete apathy. Themselves, many who are recent years has been to blame all ills on that one word. Apparently, it satisfies many who are, it seems safe to say that half have justified.

Possibly the cause, it seems safe to say that half have been made to reorganize some form of student government. It is the representatives would take the initiative in re-establishing some form of government—not by sound reasoning and much labor. One of my goals is to aid them in re-establishing a foothold. It is often said that a constitution and a governing body for the men.

Still, there were many who hoped that they would re-establish a government meeting, the council failed to prepare to aid them in re-establishing a foothold. It is often said that a constitution and a governing body for the men. From all appearances, many of these hopes has has several weeks. There is adequate support for a draft in stock. At the present time, various attempts are being made to reorganize some form of student government. Gridders To Open Drills September 8

Wednesday Evening at 6:45 in the Science building, head football coach, Roy Todd, conducted a meeting of all prospective candidates for next fall's edition of the Bear grid machine. The former Norristown High mentor lectured to the group, briefly outlining next season's pigskin policies, and emphasized the evening by showing interesting movies of last season's grid classics.

Wieneke opened the meeting by flashing fliers of the 47 Ursinus-Haverford game in which the Bruins defeated the 'Fords, 6-0. Following this, he talked to next year's gridders, stressing the need for physical conditioning and a genuine brand of school spirit. The practice program which the coaching staff established after the talk, the movie "Highlights of the 1947 Football Season" was shown to the prospective gridironers, followed by another film explaining the finer points of athletic football.

How to Stretch Your Spring Vacation

There's more time for holiday fun when you take a safe and dependable train. Leave and arrive as planned. Zoom past traffic jams. Breeze against enemy weather, skiddy roads in thrifty modern coaches, cozy sleeping cars. Come back on the last possible train. See your ticket agent for convenient schedule information. Or use return portion of your Christmas "College Special" ticket.

How to Stretch Your Travel Dollar

Buy a new "College Special" Round Trip ticket when you get home. It's more economical for college men and women and when you have less money-saving travel privileges. Use it for your spring trip back to college. . . . and for going home after exams. "College Special" tickets are on sale from now until March 31.

For a Time and Money-Saving Trip

Go by train—it's convenient—comfortable—safe.

If you own one of the above dates, but a regular 3-month expired-trip ticket, it's good until another change.
