WASHINGTON LATTER.

WASHINGTON, D.C., Nov. 24, 1891.

To the Editor of The Providence Press:

I have a daughter who is over 18, who recently left home to go to college. She is studying music and is planning to become a nun. She is now attending a convent in France and is doing well. I am proud of her dedication and commitment to her faith. Her tuition is paid by a generous benefactor, but I would appreciate any donations to support her education. Sincerely,
