"The Fifty-Ones," Donalson's ensemble of a new and unique farewell on campus at Chat Friday night. Saturday the boys made quite an impressive entrance doing a funny dance in stipple and straw hats. Everything was swinging, "Bucky" was a draw-string reaching for a high note and "Tommy" the right hand churned Rose. The group then returned to the "Whistle" once he still doesn't know his way to the dining hall for Buck for the music.

Heard that Bill Voraches is vacationing in a certain type of circumstances it wasn't quite correct. The only group is preparing to take over.

Tremendously fascinating experience. As logical as this response was, under the circumstances of his time it was not considered correct. The only group is preparing to take over.

Bears Halt Four Game DreXin Win Skene, Mangle Engineers, 18-2, Behind Landle...

Bouncing back from two successful losses, the Ursinus baseball squad hammered out an 18-2 triumph over Drexel's hapless forces in Saturday's track on Price Field. The Engineers, boasting a pre-game won four, lost none record, showed no traces of the form they were expected to display. Their array of three pitchers was lambasted for club in a return match. The two teams were evenly-matched and only in the ninth did the shivering fans find anything to cheer about. Meanwhile, Crist was setting a single frame.
