**Crowning of Queen and Spring Play Feature Varied May Day Program**

by Barbara Shumaker '50

When the sky is blue and cloudless, the wind balmy and warm, and the sun beams accordingly, the annual May Day celebration will be under way in true Ursinus fashion.

Although we may not be able to predict the weather accurately for this year's celebration, we can forecast with confidence that activities planned with this in mind will be successful.

**Crowning of the May Queen**

At 8:00 p.m., under the guidance of President Carter, the queen will be crowned.

**Father-Daughter Softball Face**

The annual softball game between the senior class and the juniors and seniors is scheduled for one day next week.

**The Late George Apley**

The production of the play which won a Pulitzer is presented at 3:15 p.m. This game is usually not so much a contest of skill as an exhibition of the ability of the students. Those who were on the list of slain were: Ray Dippel, Lyle Sheffan, Dale King, and John C. Stever. Those who were on the list of survivors were: Dick Kropp, Jere King, Ed D. DeLapp, John D. DeLapp, and Rose Miller.

On Wednesday evening the Natal House of Delegates, an advisor of the students of Cheyney University, Chester, Pennsylvania, who were Aeolian Base and Warren Mitchell of Ursinus, will be taken to Cheyney University to see a sightseeing program for students, and Arthur Stein '49, of Ursinus.

**Student Councils for the evening was the Supreme Court decision concerning public schools. The court has declared that the tax-supported buildings and the students' time should be used for the general good. In the discussion that followed, it was agreed that the best use of the school buildings, if it were not country, would be to hold the Board of Directors meeting at 12:30 p.m. in the gym.
College "Supply" is Favorite Among Students

by Doris Gill '50

If a popularly pupil were taken at random from the familiar Supply store would probably win hands down. It is not only a haven for bridge fans and eye and perfect for the quiet cigarette and gag-fest, but it is also a store which serves a more practical purpose: that of keeping students well-stocked with study equipment.

Although controlled by the college, the "Supply" is operated in a manner similar to a store and must pay its own expenses. Profit benefits scholarship and non-scholarship activities.

Prior to 1946, the enterprise was operated by Buckner. However, with the post-war increase in college population, it became necessary to put the business in more experienced hands. At that time Mr. Kenneth B. Nace, a veteran businessperson Frank Hartman, was chosen by the businessmen to fill the position of store manager.

Since Mr. Hartman's arrival, the store has made great strides. Last year a new and modern soda fountain was installed, and recently a soft drink cooler was added. Generally, the store has decided upon swinging as evidenced by the large increase in volume of business, from $6,000 in 1946 to $12,000 the 1947 total.

Locally known for its high-grade ice cream come and comparatively high prices, the "Supply" is a percentage-profit basis and Mr. Hartman depends upon volume of business to keep the business well out of the red.

Under the self-help plan nine students are students in the Supply store, working an average of fifteen to twenty hours weekly.

ICF Elects Burt Landes as Prexy

The International Relations Club has elected Burt Landes, president for next year. Burt is a member of the varsity basketball and tennis squads.

Although Burt has served a member of the debating team, will serve as an executive-vice-president and as a team director. George Osannas, the varsity Debater, will be the club's representative to the Model United Nations. Burt is a member of the Prexy, while Mary Anne, the newly elected Prexy, served as the president of the Prexy, was served as the post of secretary-treasurer.

Due to the past few weeks, the best brains of the Annalen have been hard at work attempting to determine a formula which will average the student best through the year. The results of this research were announced this past week when Professor W. Lompong" revealed two similar formulas. One was a formula that the group had made: One, the student has more expenses than money; two, because of this he does not have enough money to cover his expenditures. Dr. Birt says this would be cleared up if we all moved to Sweden, but with the advent of the new year, the future seems to be. But Blomstrom, one of the most reputable Annalen men, and. 2. SOFTBALLERS MAINTAIN PAGE
THROUGH THUMPING ABRIGE, 14-1

The Ursinusees chalked up their third softball victory of the season last Saturday on Patterson Field. The game was over before it started for in the top of the first inning the Ursinusees placed five runners on base. The score was 1-0 in the first inning and the Ursinusees scored ten runs in the second or ran out the game.

Chatter

The veteran Eddie "Poppy" Miller is the latest Bruin sticker of the moment. The versatile Doylestown athlete, a three sport performer, has the uncanny knack of coming through in these games and when needed most. A colorful, crowd-pleasing ball player, Miller gave a tremendous example of his slugging prowess in the 7 to 6 win over Millersville. His home run and triple accounted for five of Ursinus' tallies. Miller's unpredictable antics not only left bat and in the field, made him one of the most valuable known to current Baseballers.

Snells Belles really have their hitting shoes on this season. The Bee-sters have been literally knocking the cover off the ball in recent tilts and Evie Moyer is filling the large brogans of Erma Reves right nicely in the hurling department.

With the coming of spring, the intramural softball circuit is once again providing after dinner entertainment. The league looks well-balanced at this stage of play. Your writer feels that the Bee-sters, the Brewers, last year's titlists, will again top the galahad. "Lefty" Bill Ruck's effective chucking should keep the Brewers on top most of the time.

The New York Giants have taken up where they left off last season and are the most feared batting crews of all time. The Bronx batters really pepper that short right field stand, which makes such an inviting target to the average pitcher.

Keep your eyes peeled on pitcher-outfielder Don Stauffer. Bruin baseball's hardest worker, don't know when the game comes to a close. The talented southpaw, only a freshman, has displayed loads of home hitting, fielding and hurling ability. Stauffer, home run and triple accounted for five of Ursinus' tallies. Miller's unpredictable antics not only left bat and in the field, made him one of the most valuable known to current Baseballers.

Don Stauffer's Hurding Places Bruins
To 4-1 Triumph Over Chester Cadets

By Roy Todd '49

A four run rally in the fourth inning enabled the Bruin to chalk up their fourth triumph of the season Saturday afternoon as they dropped PMC's Cadets by a 4-1 count at Chester, Pa. It was Don Stauffer's super chucking that enabled the Bruins to grab the 400 mark as they now sport a record of 4 and won and lost six at field season.

The chunky freshman pitcher had the hapless Cadet nine eating out of his hand throughout most of the game, and had a short-cut until the ninth inning when PMC put together a pair of home runs and a walk to tally their only run of the contest. The Cadets, with three safeties, and Hay Haidinger and Dave Bailey, with a pair of base hits, paced the potent attack against PMC's Ray Trascessi. Stauffer and Archie Simon kept their hitting shoes on as they compiled one run tally. Don's sensational fly catching in left field was one of the bright spots of the Bruin defense as he robbed a couple of Cadet ticklers of base hits. Some allahhop Red, Old Gold and Black base running cut off a few more potential Ursinus runs in the Griffin margin of victory could well have been higher.

This week's activities will feature two home teams on Wednesday. Saturday, Ursinus plays the Adelphi. For all you fans from the same colony, the Ursinus tailgate crew will be up their fourth triumph of the season Saturday afternoon as they dropped PMC's Cadets by a 4-1 count at Chester, Pa. Softballers Chalk Up Third Win
By Trouncing Swarthmore 20-1

Playing in the chilly weather under threatening clouds, the Ursus girls' softball team traveled to Swarthmore last Wednesday, and achieved their third straight victory by troubleshooting opponents 20-1.

Not until the fourth inning, when they garnered seven runs, did Ursus get started. Beginning the inning was a hit by Erle Meyer, lead-off hitter, who traveled home via a home run by Mary Evans, singles by Hilda Anderson, B. J. Meyer, Nancy Vadner, and a double by the baserunner sparked the rally. Continuing their high scoring, the girls tallied six more runs in the fifth inning.

Behind the excellent pitching of B. J. Meyer, who allowed only three hits and struck out twelve opponents, the Belles collected fourteen hits with Hilda Anderson and Nancy Vadner sharing the slugging honors with three each.

**F & M Outhits Bears
To Win 14-11 Fracas**

Thursday afternoon the Bears journeyed to Lansdale and dropped a 14-11 decision to a hard-hitting F & M aggregation. In an extremely cold day the Diplomats knocked "Lefty" Ron Landes out of the box in the initial frame with a seven-run splash, and the Bruins spent the rest of the afternoon endeavoring to catch up. The plucky charges of Coach Bill Pancoast kept ticking away at pitcher Versaw, Diplomat hurling choice, and succeeded in whitewashing the Red down considerably, but fell three runs short of knifing the count.

F & M followed their seven-run onslaught on Landes by clubbing reliever crack Dr. Art Baron around girls tallied six more runs in the seventh inning, and the Bruins spent the rest of the afternoon by blanking them, 20-1. Bosler sparked the rally. In the meantime, the Bruins unleashed their heavy artillery, and paced by Ed Miller, chalked up four runs in the third, three each in the fifth and seventh frames and one in the eighth to supplement their eleven mark. Miller's homer and triple, each coming with two men on the bases were responsible for five of the Bruin tallies.

The loss gives the Bears a slate of three wins and three losses.
