Editorial

Hats Off

This being our first issue, congratulations to the retiring editor are in order. However, because it is a custom, the task is made even more difficult. It's hard to be convincing when writing what is already anticipated, but there probably won't be many times when this column is intended to be more sincere.

It seems trite merely to say that the 1948 editor was one of the best that Ursinus has yet seen. But it's difficult to describe his general newspaper knowledge, pleasant manner of working with associates, and the ease with which he handled all the problems of his complex task without sounding stereotyped. Too few in the school realize the time, energy, and knowledge that are necessarily spent on each issue; and because of this, proper credit shall never be awarded. Still, if this attempt to throw a few superlatives in the right direction is any success, the '49 edition will be off to a fine start.

Pictured above are the members of the Weekly staff recently appointed to head the various departments of the paper: Wesley Johnson '50, associate editor; David Bahney '49, business manager; Ray Tanner '49, photographer; Roy Todd '49, sports editor; Mary Ewen '49, circulation manager; Betty Leeming '50, associate editor; and Barbara Shumaker '50, associate editor.

Crowning of Queen and Spring Play Feature Varied May Day Program

by Barbara Shumaker '50

When the sky is blue and cloudless, the wind balmy and warm, and the sun beams approvingly next Saturday, the annual May Day celebration will be under way in true Ursinus fashion.

Although we may not be able to predict the weather accurately for this week-end, we can foretell with certainty that a day crammed with activities has been planned by Dorothy Marple, general chairman of the day, and her committee.

Swarthmore Baseball Game

A varsity baseball game with Swarthmore will get under way about 1:15 p. m. Following this, the crowd of students, their parents who will be their guests, and a good sprinkling of alumni, will proceed to the football field where the annual May Pageant will be presented at 3:15 p. m. The pageant, "Spring Reigns," directed by Mrs. Betty Dando and managed by Jane Day '48, will include fifty-two participants in the colorful fete.

One of the features of the pageant will be the crowning of the May Queen, Mary Carter '48.

Father-Daughter Softball Farce

The annual softball game between the feminine athletes of Ursinus and their papas is scheduled for 4:15 p. m. This game is usually not so much a contest of skill as of endurance, with the balance tipped in favor of the girls.

Tickets for supper are being sold for 65 cents in the various dorms.

Men Day students can secure guest tickets for the outdoor supper to be served at 5:30 p. m. from Steve Arvanitis and women can get theirs in the Day Study.

"The Late George Apley"

The attraction planned for the evening is the Curtain Club production of the play which won Broadway acclaim, "The Late George Apley." The drama, written by George S. Kaufman and John Marquand, will be presented in the Thompson-Gay gymnasium at 8 p. m. Featured in the production, which is being directed by Winfield Atkinson '48 and assisted by Eleanor Baum '48, are

Cheyney Students Visit Ursinus To Participate in YM-YW Panel

On Wednesday evening the Racial Equality Committee of the Y held a panel discussion in Bomberger Hall. A group of students from Cheyney College, Cheyney, Pennsylvania attended. Constituting the panel were Aerojane East and Melvin Wright of Cheyney and Janet Sacks '49 and Arthur Stein '49, of Ursinus.

The topic for the evening was the Supreme Court decision concerning religious instruction in public schools. The court had decided that tax-supported buildings and the students time should not be used for such instruction.

In the discussion that followed, the effects of such a decision on schools, were it nationwide, were brought out.

Dippel Voted Prexy By Class of 1950

On Thursday, members of the Sophomore class again chose Ray Dippel as president. His fellow-officers will be Dave McMillan, vice-president; Betty Sheffer, secretary; and Dick Kropp, treasurer. The newly-elected officers will assume their duties in the fall.

Ray Dippel, a Mathematics major, is familiar to most students as the present head of his class. In addition he is also active in Demas fraternity and the Inter-fraternity Council. Dave McMillan, who is in the Business Administration group, is also a member of Demas. Another Demas man, Dick Kropp, who is a member of the track team, is a Business Administration major. Betty Sheffer, an English major, is a member of the Curtain Club and Omega Chi sorority.

Those who were on the list of nominees are as follows: president, Ray Dippel, Lou Steffan, Dale White; vice-president, Philip Hunsicker, David McMillan, Robert Wanner; secretary, Norma Young, Doris Neill, Betty Sheffer; and treasurer, Dick Kropp, George Doobin, Richard Gradwohl, Murray Silverstein, Werner Hollen-donner, Robert Gehman.

Poll Shows Opinion Of Weekly Readers

Many interesting facts were discovered in the poll of two hundred students conducted by the Weekly during the past week. The poll was taken to find out just what the students prefer to read and what they would like to see changed in the Weekly.

The Gaff column, read by 83 percent of those voting, proved to be the post popular feature of the school paper. Following closely behind were Sports Slants with an 80 percent reading public, Alumni-Society Notes, 73 percent, and editorials with 72 percent. The IRC column and On the Shelves polled 33 and 23 percent respectively.

The chief complaints registered were that the Weekly is dominated by a select group, especially in the Gaff and Annex-Dotes columns. Many feel that the paper is childish, while numerous students voiced the opinion that the Weekly serves too much as an announcement sheet and has no vivid editorial policy.

On the question of improving the paper, 21 percent of those

The Pre-Legal Society will conduct a preliminary presidential election in the foyer of Freeland on Wednesday from 9 a. m. to 7:30 p. m. Seven of the major candidates for the presidency, Dewey, Eisenhower, Stassen, Taft, Truman, Vandenberg, and Wallace, will be found listed on the ballot. Since the aim of the group is to secure a majority vote for one candidate the preferential system is being used. This simply means that the voter lists the candidates in the order of his choice. All students, regardless of age, are encouraged to vote.

In order to stimulate interest in the election and also to help students choose their candidates, a convention will be held in Bomberger Hall on Tuesday evening at 7 p. m. Each of the candidates will have his case presented and defended by a student in a five-minute speech. These speakers will be: Dean Evans '48 for Stassen; Frank Edwards '50 for Vandenberg; Jane Usher '50 for Wallace; Louis Stefan '50 for Taft; and Alvin Knepper '49, for Eisenhower. The speakers for Truman and Dewey have not yet been selected.

There are on campus at present, two organized committees supporting candidate Stassen and Vandenberg. Chairman of the Stassen group is Jim Lorimer and Frank Edwards heads the Vandenberg backers.

Competition

Competition, claim the experts, is the basis of most economic theory, for its absence would tend to make many of our economic laws meaningless. If persons, or businesses, do not have to contend with rivalry for their trade, it seems inevitable that the services rendered will be poorer and the prices charged will be higher. Although a business man may be both industrious and benevolent, in the main he will do little more than is essential for the minimum requirements of his livelihood.

This may all be true. Yet for some reason, Ursinus hasn't fostered the development of competition in recent years. Like the citizens of Collegeville, we students accept the conditions as they exist, and if dissatisfied, can only complain since there is no other direction in which to turn.

In some cases, possibly in most, there has been no reason for discontent with the private campus businesses. But, certainly, everyone has not been satisfied with the status quo. For the most part, this has not been the fault of the students, who usually endeavor to remedy any faulty situation in the best possible manner. Their concern is not simply with reaping huge dividends, but also with maintaining friends. But, it's unlikely, from all appearances that the outside entrepreneurs for whom the students work as middlemen, have given the school the best services possible.

Only in the sale of flowers on campus has there been a need for any concerted drive to win customers, and only the flower trade has appeared as a model for the other small businesses.

There are probably many students on campus who would like to compete with those now holding monopolies. If the satisfaction of the majority is the ultimate goal, it seems only fair to allow everyone who so desires to participate in the scramble for trade.

NOTICE

Through the efforts of Bob Juppe and Mr. Donald Helfferich, the Weekly now has a campus office. It is located under Room 2, Bomberger.

GAFF from the GRIZZLY

or What's Bruin

Spring is here! There is nothing quite like Spring at Ursinus to bring out the best in students. They just smile and eat their hot dogs and spaghetti like good little children.

What has been going on around here? Been peeping in key-holes, windows, listening to after-dinner conversations and this is it.

The fellows moan that they have no capital for dates. We learned a long while ago where some of that money went. Now "dice" games are the new rage. We can't fight it.

And there's always the race-track sport. **Buckner** jumped up in time for Political Science, threw his "horse-blanket," checked jacket, combed his "hair," and went charging out of Collegeville for Camden. Why go to classes when the season's here!

Hey, girls! Have lunch at the drug and join the "Baron" wagon!

The circus is coming to town, but it has been here on Campus since Monday — clowns, acrobats and all. The softball games are great shows. **Dick Reid** certainly puts everything into it, but top honors go to Lou Myers for the most original costume and umpire **Bahney** for his dry humor.

I hear that they're taking attendance at Gertie's these days.

Why are Camels so popular? They're free! The campus looked like ration war days again. One fellow collected twelve packages, but we didn't count the people he stepped on to do it.

Helferich is getting **Justice** these days.

Rumors are about that you-know-who is going to say yes to you-know-what. Wedding bells this summer! Don't be surprised when the news breaks—I told you so.

Notice the golf sun-burns on the fellows around here. Some got it playing eighteen holes—some for nineteen.

Rabbit has finally solved the problem of sleeping in class. He becomes drowsy during attendance, then slips down between the rows in S-12 and stretches out to be lulled to sleep by stories of "Omeeha."

All for now kiddies — Be sure to come to May Day to see the "corn" husk themselves and watch the "icicles" melt.

College "Supply" is Favorite Hangout Of Many Students

by Doris Gill '50

If a popularity poll were taken of favorite "campus spots," the familiar Supply Store would probably win hands down. It is not only a haven for bridge fans and coke sippers and the perfect place for a quick cigarette and gab-fest, but the Supply Store also serves a more practical purpose: that of keeping students well-stocked with study equipment.

Although controlled by the college, the "Supply" is operated independently under a separate treasury and must pay its own expenses. Profits benefit scholarship funds.

Prior to 1946, the enterprise was operated by students. However, with the post-war increase in campus population, it became necessary to put the business in more experienced hands. At that time, veteran businessman **Frank Hartman**, was summoned to fill the position of store manager.

Since Mr. Hartman's arrival, many improvements have been noted. Last year a new and modern soda fountain was installed, and recently a soft drink cooler was added. Business has had a decided upward swing as evidenced by the impressive volume of trade transacted this year. Already, the figures show, it has exceeded by \$12,000 the 1947 total.

Locally famous for its big-dip ice cream cones and comparatively low prices, the store works on a percentage-profit basis and Mr. Hartman depends upon volume of trade, rather than high prices, to keep the business well out of the red.

Under the self-help plan nine students are employed in the Supply Store, working an average of fifteen to twenty hours weekly.

IRC Elects Burt Landes as Prexy

The International Relations Club has elected **Burt Landes '49** as president for next year. Burt is a member of the varsity football and tennis squads.

Dorothy Dean '49, a member of the debating team, will serve as first vice-president and program director. **George Gazonas '50**, a varsity football player and an Ursinus representative to the Model UN convention, will be second vice-president, while **Mary Ewen '49**, the Weekly's circulation manager was voted the post of secretary-treasurer.

Annex - notes

During the past few weeks, the best brains of the Annex have been hard at work attempting to determine a formula which will help the average student beat the high cost of living. The results of this research were announced this past week when committee chairman "W. Lumplump" revealed two astonishing discoveries his group had made: One, the student has more expenses than money; two, because of this he usually does not have enough money to cover his expenditures. (Dr. Rice says this would be cleared up if we all moved to Sweden, but with the advent of the cigarette lighter any future there seems doubtful.) However, working on the principle that the best things in life are free (a theory hotly contested by Scranton and other upstate Annex men), the committee offers as advice the words of the venerable Chinese philosopher Mea-So-Cheep who once said, "Man who drinks is foolish, but man who pays for drinks is drunk."

Glad to hear that **Justice, Duncan**, and crew are still at liberty after a tough week . . . Ever catch "Chitter-Chatter" **Diehl** in one of his better (?) moments? Just like the afternoon commercials, he never stops. He was timed at two hours straight in the library one morning last week—complete with gestures and all . . . All that noise last Saturday night was "Len" **Abel** celebrating his eighteenth birthday. Now we can settle down for another year.

CHATTER . . .

The veteran Eddie "Popeye" Miller is the hottest Bruin sticker of the moment. The versatile Doy-lestown athlete, a three sport performer, has the uncanny knack of coming through when needed most. A colorful, crowd-pleasing ball player, Miller gave a tremendous example of his slugging prowess in the F & M diamond tussle. His homer and triple accounted for five Grizzly tallies. Miller's unpredictable antics, both at bat and in the field, make him one of the most valuable of the current Bear baseballers.

Snell's Belles really have their slugging shoes on this season. The Bearettes have been literally knocking the cover from the ball in recent tilts and Evie Moyer is filling the large brogans of Erma Keyes right nicely in the hurling department.

With the coming of spring, the intermural softball circuit is once again providing after dinner entertainment. The league looks well-balanced at this stage of play. Your writer feels that the Brodbeck Brewers, last year's titleholders, will again cop the gonfalon. "Lefty" Hal Buckner's effective chucking should keep the Brewers on top most of the way.

The New York Giants have taken up where they left off last season in the matter of producing home runs. John Mize, Walker Cooper, Bobby Thompson and several others have made the New Yorkers one of the most feared batting crews of all time. The Bronx clouters really pepper that short right field stands, which makes such an inviting target to the massive array of stickmen.

Keep your eyes peeled on pitcher-outfielder Don Stauffer, Bruin baseballer. Don bids fair to hit stardom before the 1948 season comes to a close. The talented southpaw, only a freshman, has displayed heaps of natural hitting, fielding, and hurling ability.

Although not accumulating any points in the Penn Relays, George (Continued on page 4)

SOFTBALLERS MAINTAIN PAGE BY THUMPING ALBRIGHT, 14-1

The Ursinus coeds chalked up their third softball victory of the season by downing Albright 14-1 last Saturday on Patterson field. On the mound for Ursinus and turning in an excellent performance was B. J. Moyer, who struck out twelve batters and allowed only one run. The Bearettes not only showed their usually good fielding abilities, but they also did very well at bat. Neither Albright's hitting nor fielding was comparable to that of the Ursinus team. In the field the visitors made 18 errors compared to 3 for the winners.

The score was close in the first few innings with Ursinus leading 3-1, but the game soon became decidedly one-sided when Snell's belles scored eight runs in the sixth. Sue Laimbach started the inning by getting on base with a double and scoring when E. Moyer took first on an error. Evans struck out, and then Andy smashed out a double which brought Evvie across the plate. D. Stierly banged out a single and Andy proceeded to third. Albright errors put the next three batters on the sacks.

Sis Bosler then racked up a single, and B. J. Boyer crossed the plate. Connie Warren was out on a fielders choice as Polly Mathers reached first. Two more runs came in when Laimbach hit a single, and Evvie Moyer followed with another single scoring two runs. The third out came when Evans failed to get on base.

COEDS WHITEWASH ALBRIGHT TO EVEN SEASON'S RECORD

On Saturday, the girls tennis team proved its ability by drubbing the Albright lassies in a home match by a 5-0 count. After dropping their opening match last week, the coeds came rallying back to whitewash their up-state opponents.

Singles: Nancy Vadner defeated Flickinger (Albright) 6-2, 6-1; Anita Frick defeated Chanin (Albright) 7-5, 6-0; Doris Greenwood defeated McGee (Albright) 6-8, 6-3, 6-2.

Doubles: Mary Ann Ballantyne and Edna Daniels defeated Wright and Boyer (Albright) 6-0, 6-2; Margaret Schafenacker and Jean Daniels defeated Long and Spring (Albright) 9-7, 6-1.

Soph Class Earns Intra-Mural Crown In Cinder Tourney

The Sophomore class compiled 61 points in Tuesday's Patterson field match to become Ursinus track champs for the season. The Sophs captured six of the events to edge the freshmen, while the Juniors, with a late scoring spree, finished 15 points behind the frosh with a total of 29. Lee Tori, the only senior representative, presented his class with 7 points in the distance events.

Don Stauffer's Hurling Paces Bruins To 4-1 Triumph Over Chester Cadets

by Roy Todd '49

A four run rally in the fourth inning enabled the Bears to chalk up their fourth triumph of the season Saturday afternoon as they nipped PMC's Cadets by a 4-1 count at Chester, Pa. It was Don Stauffer's superb chucking that enabled the Bruins to stay above the .500 mark as they now sport a 4 and 3 won and loss slate at mid season.

The chunky freshman portsider had the hapless Cadet nipe eating out of his hand throughout most of the tussle, and had a shut-out until the ninth inning when PMC put together a pair of baseknocks and a walk to tally their lone marker. Wally Widholm, with three safeties, and Hap Hallinger and Dave Bahney, with a pair of hits apiece, paced the Grizzly attack against PMC's Ray Traceski. Ed Miller and Archie Simons kept their hitting shoes on as they each connected for one bingle. Miller's sensational fly chasing in left field was one of the bright spots of the Bruin defense as he robbed a couple of Cadet stickmen of basehits. Some slipshop Red, Old Gold and Black baserunning cut off a few more potential Ursinus runs as the Grizzly margin of victory could well have been higher.

This week's activities will feature two home tussles. On Wednesday, Albright invades the Collegeville diamond and Swarthmore's nine will perform before Saturday's May Day crowd.

Track Team Gains Win By Downing PMC 88-38

Coach Ray Gurzynski's track squad presented its mentor with a whopping 88-38 victory over PMC in a dual meet held on Patterson Field on Saturday. George Kennedy, who broke the school discus record, and Bill Turner, who captured two firsts, were the stars of the show. Kennedy also placed in the javelin and shot put, while Turner added a second place notch in the low hurdles.

Jerry Rotwein was the third Bruin member to place in three events. Rotwein captured first in the javelin, second in the broad jump, and third in the discus.

THIRTY YM-YWCA MEMBERS ATTEND RETREAT AT UNAMI

Thirty students from the four classes of the college spent a busy weekend of rustic living and profitable companionship at the "Y" retreat held at the University of Pennsylvania Camp for Boys on the Unami Creek.

The program for the week-end was directed by Peg Hewitt '49 and Tom Kimes '49, newly-elected presidents of the YW and YMCA. Next year's leaders of the "Y" found a wealth of opinions and suggestions concerning the many phases of the organization, as the group earnestly tackled the job of preparing the coming year's program. The need for the work of the "Y" on campus was recognized as incentive enough for enthusiastic and sincere participation.

Other activities in the camp life included evening campfires accompanied by the traditional songs, swimings, hiking, and games of baseball and horseshoes.

F & M Outhits Bears To Win 14-11 Fracas

Thursday afternoon the Bears journeyed to Lancaster and dropped a 14-11 decision to a hard-hitting F & M aggregation. In an extremely cold day the Diplomats knocked "Lefty" Ron Landes out of the box in the initial frame with a seven run splurge, and the Bruins spent the rest of the afternoon endeavoring to catch up. The plucky charges of Coach Sieb Pan-coast kept picking away at pitcher Versaw, Diplomat hurling choice, and succeeded in whittling the lead down considerably, but fell three runs short of knotting the count.

F & M followed their seven-run onslaught on Landes by clubbing relief chucker Art Baron around somewhat in the next five innings to account for seven more tallies until George Saurman silenced their booming bats by blanking them for the rest of the tussle with a nice relief performance. In the meantime, the Bruins unleashed their heavy artillery, and paced by Ed Miller, chalked up four runs in the third, three each in the fifth and seventh frames and one in the eighth to account for their eleven markers. Miller's homer and triple, each coming with two men on the sacks were responsible for five of the Bruin tallies.

The loss gave the Bears a slate of three wins and three losses.

Weekly Poll

polled want more humor, 10 percent would like more articles of a political nature, and the same number desires an increase in the number of interviews of students. More controversial issues and topics of concern to the entire student body were listed as possible improvements for the future.

Editor's Note:— One of the complaints registered in the poll was that there should be less faculty censorship. The Weekly would like to take this opportunity to point out that no such condition exists. The only restriction on published material is our own sense of judgment. More important in hindering any change of policy is that student leaders fight at every opportunity to have their organization publicized. If this situation can be improved, we will soon try to publish what we feel the students want.

Kennedy turned in a creditable showing in the weight events; especially when one considers the calibre of the performers in the famous meet. The husky Bruin trackman appears headed for a record-breaking campaign, if his showing to date is any criterion.

Softballers Chalk Up Third Win By Trouncing Swarthmore 20-1

Playing in the chilly weather under threatening clouds, the Ursinus girls' softball team traveled to Swarthmore last Wednesday, and achieved their third straight victory by trouncing their opponents, 20-1.

Not until the fourth inning, when they garnered seven runs, did Ursinus get started. Beginning the inning was a hit by Evie Moyer, lead-off hitter, who traveled home via a home run by Mary Evans. Singles by Hilda Anderson, B. J. Moyer, Nancy Vadner, and a double by Sis Bosler sparked the rally. Continuing their high scoring, the girls tallied six more runs in the fifth inning.

Behind the excellent pitching of B. J. Moyer, who allowed only three hits and struck out twelve opponents, the Belles collected fourteen hits, with Hilda Anderson and Nancy Vadner sharing the slugging honors with three each.

BEARS BOW TO SWARTHMORE PROWESS ON TENNIS COURT

Swarthmore college's tennis squad, in peak condition because of its facilities for year-round training, blanked the Bruin netmen in a tussle at the Delaware County school on Saturday.

In the singles matches, McCausland was soundly whipped by Bodenger, the Garnet's number one racket wielder. Bob Walsh lost to Frankel, Kirschner topped Charles Trout, John Vance bowed to Shane, Brown whalloped Dick Davidson, and Dick Lyttle was shut out by Rosshelm.

In the doubles, McCausland and Walsh extended Bodenger and Frankel to 10-8 in the first set, but dropped the second 6-1, while the Vance-Trout, Davidson-Felsenstein combinations were meeting with similar luck.

Garnet Coeds Trip Golfers, 4-1

Last Friday afternoon the women's golf team met with icy winds which blew home a 4-1 defeat, favoring the visiting Swarthmore team. The lone tally for Ursinus was scored by Hilda Anderson, who successfully defeated her Swarthmore opponent 5 and 4.

The visitors presented a much stronger team than in former seasons, mainly due to the addition of "G.G." Jock who played against "Sis" Bosler in the number 1 position. "G.G.," a sophomore transfer from Ohio Western College for Women, is a native of Hamburg, Germany where she previously has had golfing experience. She also played in England before coming to the United States.
