Department of Agriculture.
TURNOVER IN ALL AREAS.

The last hope of turning around the financial affairs of the Department of Agriculture is to sell surplus goods, for which we have over $500,000 worth on hand. This surplus includes many desirable goods, such as tools, machinery, and clothing. The disposal of these goods will be done in the next few days, and we can make a substantial profit on them.

The surplus goods include:
- Tools:
- Machinery:
- Clothing:
- Other goods:

The sale will take place on Tuesday, October 1st, at 10:00 AM, at the Department of Agriculture building. All interested persons are invited to attend the sale.

HUSBAND

STEAM :: HEATING!

The Superiority of STEAM is in opposition with the OLD METHODS OF HEATING cannot be question, for twice as much heat can be obtained from the same amount of fuel. But the old way of stove heating. This method important consider. The heating of our buildings will be done.

Take a look at your building heating sources. Can it be rehomed, can it be a portion of the entire heating system. Can it be rehomed, can it be a portion of the entire heating system. Can it be rehomed, can it be a portion of the entire heating system.

If you do, you are heading directly to our home appliance, and we want your order. We can supply you with just what you want, guarantee you satisfaction, and give you full worth of your money. We have placed a number of items to ourselves our work has proved satisfactory. Call us or address.

The Roberts Motor Company, Collegeville, Pa.
