"Snowball" Formal to Feature Music by Nick Mancini's Band

**Special Attractions to Include Vocalist R. Terra, Moon Mist'ers**

Nick Mancini and his fourteen-piece "Snowball" ensemble will present the music for the "Snowball" semi-formal which will be held in the Allentown High School gymnasium on Friday evening, February 28 at Sunnybrook. Introduced on campus at the annual Collegetown Revue, Mancini features vocalist R. Terra and alto saxophonist Johnny Long. A trio of freshman occasionalists, the Moon Mist'ers is another attraction.

Mancini, an Army veteran known for his originality and individuality of interpretation in contemporary jazz, has been hailed by Florence Chery '47, chairman of the dance which will also feature an inter-fraternity, inter-sorority dance and the traditional剥离sy dances of the Women's Student Council. The various committees include Dance Set, R. Terra, Decorations, and Betty Russkie '47, program and publicity chairmen.

Student tickets have been sold at the special cost of $1.50. Permission has been received from the faculty to distribute free admission tickets to all students who have decided to participate in the coming debate.

**Debaters Do Well As Evans, Warden Tour New England**

Something new in the annals of Ursinus forensics took place during the weekend when a two-man debating team comprised of Ted Dolph '49, invading New England and James Warden '49, represented Ursinus in the New England College VI-President Tournament, which was held at Wesleyan University in a radio competition.

Wesleyan University in a radio debate, Ursinus feels that labor stage and economic difficulties. The war alone put an end to the prosperity of the United States and to the maintenance of the currency at a reasonable parity. The war also revealed the inadequacy of the financial system of the country and the need for a more effective method of financing government operations. The war also showed the need for a more adequate social security system and for a more adequate system of education.

The topic of debate was the national consensus of the Labor Party with the Labor Party and the Liberal Party. The resolution of the debate was that the Labor Party would be more effective in the solution of the economic difficulties.

The resolution of the debate was that the Labor Party would be more effective in the solution of the economic difficulties. The resolution of the debate was that the Labor Party would be more effective in the solution of the economic difficulties.

Diverse Means Bring Additional Greenbacks To Ursinus Manhood

To fully realize the ingenuity of the American people, one need only cast one's eye over the activities of the students and staff at this campus. The many diverse means and methods with which the students and staff seek to improve the finances of Ur­

Food for Thought

The Ursinus Weekly, like many other campus
organizations, has attempted this year to return to the pre-war regulations and customs governing its publication. Probably one of the main activities of the staff is to maintain a little paper that will be read by the members of the various clubs and organizations.

The New U. S. Policy in China

One of the first moves made by General Marshall after he assumed the office of Secretary of State was the announcement of the end of the policy of alternating periods of tension and peace in the conflict between the Chinese Nationalists, known as the Kuomintang, and the Communists. This policy had proved unsuccessful and U. S. efforts to continue it had been twisted by the propaganda of the Communists. In an attempt by the U. S. to extend its imperialism, this propaganda has resulted in a growing anti-American sentiment in China. The U. S. had actually at­
tempted, through the use of a comparatively small military force, to reconcile the two great factions, who appar­ently are not ready to extend the conflict and unify the country.

The new policy will be one of watchful waiting. The American marines will be called home, and only a small token force will remain. The Seventh Fleet base at Taingatou will be manned, but active engagement is impossible.

It appears now that the Chinese problem is far from settlement, and that the policy of our government is to observe carefully developments, but take no active steps in the way of military intervention.

Bears Tie for League Lead with 35-34 Victory Over Delaware; Ziegler Stars

The Bear Quoilent journeyed to Delaware last Wednesday and pulled out of another close game by defeating the Blue Hens by a score of 35-34. The game started off slowly with both clubs connecting on a poor percentage of their shots. Delaware, on the short end of a 13-9 score at the end of 6 minutes of the second quarter, pulled up to within 2 points of Ursinus as the half ended. As the second half got underway the Bears increased their lead with three buckets by Jaffe, Purdy and Love with the Ursinus forwards breathing a sigh of relief. However, short lived was that relief as the Blue Hens, led by Hoffen-ried and Nash connected for 3 field goals to bring the score to 29- 33, Ursinus leading. A nice pivot shot and a foul by Ziegler helped matters somewhat but was quickly offset as Delaware pulled into the lead 33-32. With less than a minute left, Ziegler and Forsyth with 8. The forwards for the homesters seemed lucky to keep pace with the Bear Jayvees. The forwards for the visitors had in manag- ed to hold a 17-14 edge at half- time. However, in the third and fourth quarters the trio of Ballan- tyne, Loomis and Landis at forward positions began to click and were able to tally twenty six points. Leading the forwards with twenty- one markers was Manny Ballantyne whose overhead shots netted many baskets. Jackie Landis, and Jeanne Loomis scored fifteen and four points respectively to add their team in the victory. Playing equally well were the guard Anne Meister, Lyn Warren, Bunny Baum, Phyllis Ziegler and Blye Moyer who enabled their team to gain its sec- ond win of the season.

F. & M. Tripped 52-51 By Bears’ Wild Finish

In the final game before exams, Jerry Breeders force tripled an underated quintet from Franklin and Marshall by a 52-51 count. George Moore, the night’s scoring leader with 17 tallies, became lost to the squad for an indefinite per- iod, when, in the closing minutes, he strained an ankle. Ursinus took command at the start but relinquished their lead in the first stanza. Miss- ing on all kinds of shots the Bears seemed lucky to keep pace with the Lancaster lads who were in front 31-30 at half time. Bafield, P & M captain, started hitting on everything he shot in the second half and his brilliant performance alone seemed to spell defeat for the home team until the four- minute whistle sounded. From then on it was impossible to stop the Collegielle aggregation which poured on the heat and settled the issue by virtue of Dave Ziegler’s last minute shot.

Mermaids Open Season With 29-28 Win Over Swarthmore College

The Ursinus mermaids continued their undefeated streak by downing the girls of Swarthmore 29-28 in one of the most thrilling meets ever witnessed. The teams were nip and tuck in scoring all the way. Rita Leib was the surprise winner of the day taking first in the 40-yard backstroke. The other- first in individual events for Ursi- nus was garnered by Sid Spon- angle in the 40-yard breaststroke. The medley and freestyle relay teams won again to remain unde- feated in intercollegiate competi- tion.

40-yrd. freestyle: 1- Niles, Swarth- more; 2-Boiler, Ursinus; 3- Ellis, Ursinus.

40-yrd. breaststroke: 1- Spon- angle, Ursinus; 2-Berbe, Swarth- more; 3-Schmidt, Swarthmore.

66-yrd. medley: 1- Ursinus (Wal- ton, Sponangle, Boiler); 2- Swarth- more (Bobee, Schlichting, Schmidt, Baumler, Beebe, and Niles).

Captain J. Branch Tops Scoring In Slow-Starting Home Contest

Stuall’s belles won their second in as many starts on Saturday in the gymnasium when they racked up a 28-21 victory over Bryn Mawr. De- spite the fact that they got off to a slow start, the Collegielle girls warmed up and soon broke the de- fense of their opponents. Neither team had much luck during the opening 8 minute period but Ursinus managed to be on the plus side of a 3-2 score at the start of the second quarter. The varsity sextet came back much stronger in the second half and by fast cutting and passing, built up their lead. Captain Jane Janes led the scoring for Ursinus with 10 pointers while Winnie Rockel was a close second with 8. Emma Sweby and Ginnie Dolin were the other two forwards to play with Ginnie particularly outstanding for taking.

Bryn Mawr had height on Ur- sinus, but guards Floy Lewis, Peg Hunter, and Mary Evans, came through with interceptions and re- bounds from the backcourt to keep the opponents score down.

Belles Trim Albright 36-15 in First Battle

The well-knit sextet of Coach Eleanor Snell came through in fine style in the initial tussle of the season against Albright in the time of 36-15. The starting lineup in this pre-season tussle found Winnie Mutchmore, Connie Warren, and Jane Brusch at the forward posts and Mary Kay Evans, Betty Jane Moyer, and Floy Lewis in the back court.

Getting off to an early eight-point advantage, Ursinus showed a 16-8 lead at the quarter and was on top by 20-8 at half-time. The final half was a show-down for the victors, who while winning by a wide margin, did not look up to par. Shooting, in general, was definitely off and passing was erratic.

Connie Warren highlighted the Ursinus scoring with sixteen field points, many made on beautiful corner shots.

Bears Divide Week-end Tussles

(Continued from page 16) - brave to apparently ice the game. Ziegler weighed in with 19 points for his evening's toil while Meyers and Jaffe paced with 13 and 16 respectively. Hal Zlock of Susquehanna notched high-scoring laurels, however, with 25 points.

Jay Vees Topple Reading Six, 36-15

Backing up 14 points in the initial quarter, the girls' J.V. basketball team went on to defeat the Albright Jayvees, 36-15, in a game played at Collegeville. The starting sextet of Coach George H. Buchanan made the difference between the victors, who while winning by a fine style in the initial fracas of the season, showed their combination scored 29 of their teams 36 points. Leamy was the high scorer for the day with seven field goals for fourteen points. Defensively the guards combined interceptions to enable the Ursinus girls to keep the Reading visitors, strong for the Reading visitors, Manny, Leamy, and Jackie showing that they were mighty-mites as forwards, and Doris Greenwood, Ann Moister and Lyn Warren in the guard spots, proved to be too strong for the Reading visitors, both offensively and defensively. Manny, Leamy, and Jackie showed that they were mighty-mites as their combination scored 20 of their teams 36 points. Leamy was high scorer for the day with five field goals for four points. Defensively the guards combined backcourt recoveries with past interceptions to enable the Ursinus girls to hold their comfortable lead.
