Religion-in-Life Week

Perhaps the big reason why so many of us concern ourselves with the thought of religion today is that so many of us have lost it. Because of this reason and the fact that so many college students find it difficult to hold to their childhood beliefs and because there is, thus, the danger that religious faith may pass out of their personal religion. The activities include ad­
dressers, ball sessions, a musical program, Bible study, talks by members of the faculty, and a number of religious films. The Friday evening film, to be shown in the South Hall auditorium, will feature a number of religious films from the United States.

The theme of Religion-in-Life Week is "experiment in brotherhood." A number of films will be shown to illustrate the complexities of life and the sizes brotherly love and good-will which must meet upon student attendance at the various classes and programs. The event will be sponsored by the Intercollegiate Newspapers Association.

Bears Trim Delaware
(Continued from Page 1)

In the Jayvee game, the Cubs bested a Delaware Junior Varsity that would have had trouble defeating a mediocre high school outfit, by a 75-40 count. Freshman Dick Randall stole a bit of Dick Davidson's thunder as he paced the Ursinus JV with eighteen points, and once again Henry Wieman's scintillating floor work was a feature of the contest. Also in the point producing department, Eddie "Popeye" Miller turned in a bang-up firing exhibition, dipping 15 counters for his evening's toil.
