War Fund Drive Begins
Tuesday Under WSGA

Tomorrow the Student council, under the supervision of Mary Jean Haasler '46, will launch its third big drive in behalf of the National War Fund. The drive will end at one dollar per student. These contribu-
tions are to be distributed representatively in each dormitory.

The National War Fund is a fed-
ar of 19 main Jewish philan-
thropies organized for our own-
s. For example, for Allied.

The larger percent of the don-
gations are given to the for-
their recreation centers and cam-
paigns.

The reminder is divided among
the other relief agencies.

Council Sponsors
New Dorm Elections

Because of the large number of
girls residing in Brodbeck, the Student council has decided that each of the four units will be broken up into three units of twenty-one girls each for the organization of the dormitory. The council has appointed Erma Meyers '45, Miss Smith and Hazel LaFlame '45, and Florence Evans '45 as the members of the first unit. The second elections will be held today and tomorrow.

There will be selected a vice-

president who will assume the

same duties as the president of

any other dormitory. A sen-

tor will also be elected to rep-resent her unit in the senate.

Mrs. Hallinger, who has seen France and the United States in years of turmoil and prosperity, has selected a wide variety of music and folk music to provide for a better entertainment for the girls. At the end of the semester, another election will be held.

Miss Alice Greenwood and Sprancke will handle almost entirely new events this year in the organization of the music, and Miss Smith, '40, will serve as the vice-president of the group.

Some entering veterans include:

Edwin E. Allison, who was a junior in the University of New Mexico, and who attended the Air Force for two years, is now attending the University of Missouri.

Dean of Freshmen Auditions

All lovers of music who enjoy

singing now have the opportu-
nity of auditioning for a vocal schol-

ship, under the direction of Mrs.

C. G. Sprankle, director of the

Studio college East campus, on

Thursdays and are invited to fres-

men girls.

Every year Miss Spangler au-
ditions for students who wish to

gain experience in their musical

ability in order to be prepared for

the closing week for auditions.

Graduation for seniors will be

Sunday afternoon at the Vesper

Chapel.

Sophomores Determine Frock Fashions

Visitors to the Ursinus campus

are much amused to see the
march of feminine fashion as

green bands for girls and red

and gold for boys. During the

freshman days (when the girls

frolicked in green) Miss Shumaker and her assistants have set the style for the girls. The Sophomore frocks, socks, and the like, will be noticed in the middle of May.

With Jo simplicity, the thing.

is to look like the natural type

of girl. In addition to green, blue,

bright red socks, with the cuffs

rolled down, a small white cap,

which they call "dinks," and large red buttons on which the word "Urb" is embroidered, are worn. To build muscles in the freshmans' chests, the Sophomore council is following "La Cunga." The result is a very attractive and attractive sight, from more than five feet away, they are often seen prac-
ticing on the streets.

Under the self-improvement

program, the Sophomore girls

in the Senior class are rapidly

becoming a force to be reckoned

with. The Sophomore council
does show deference to upper-classmen and observes all college traditions.

To some of us this may seem a lot, but is it? This dollar must be divided among 19 college boys, with the US O.S. included, for the support of everyone in attaining their goal of raising $10,000.

When we consider the fact that the Army has been a little slow in sending letters, we can understand why this is not yet done. But we shall continue to try to raise as much money as we can.

Versatile Janet Shoemaker Captains Both Tennis and Hockey Varsity Teams

Janet Shoemaker, who hails from Lansdowne, is captain of this year's tennis team. A third-year student, Shoemaker is also a member of the tennis team, the remainder of the games and a fourth-year student as well. The vivacious, brown-haired college student is a favorite sports personality on campus, another in a lab, and three varsity sports, hockey, Hi-Y, and A Capella choir, and a class officer. Here at Ursinus, where she is a physical education major, she is captain of both the hockey and tennis teams. As a member of Tau Sigma Gamma sorority, senior representative of WAA, and member of the Curling club, she will always be remembered for her outstanding performance as the junior varsity team in the play of the same name.

This year Jan did her practice teaching at Stewart Junior High in Norristown. Until this time she had planned to enter psycho-therapeutic work, but she has now decided to teach. Present at her coaching the Norristown Y's Girls' basketball team, a job which an Ursinus senior holds each year.

Hockey and riding being her favorite sports, Jan doesn't have much time for a hobby, but she does enjoy reading a good novel occasionally. Jan has had various jobs during the summer including one at her father's college shop, another in a lab, and several jobs at Widener Library.

The spring season was an exciting and enjoyable game this year. The Penn-Ursinus game, which Jan played a sparkling defensive game at her fullback position. She believes that this year's team has exhibited more teamwork, the players have good teamwork and more enthusiasm than last year. Shoemaker would like to see them win the conference this year. She feels that they will finish the season with a good game.

**Grid Season Ends; Bears Tally 33 Pts.**

Playing with a squad made up almost entirely of Navy material, Ursinus faced a formidable enemy in the Penn-Ursinus game this season, and won two games, while dropping three contests. Captain of the squad were the two tacklers, Bill Claret and Joe Topper.

The gridiron opened its season with Swarthmore and played on mud soiled turf, dropped a 13-6 defeat. Ursinus only score was made in the first period after a sustained march down the field, but mud and a strong Garet line stopped further scoring. Then in their first home game, Ursinus tackled Franklin and Marshall, and again met defeat by one touchdown margin, 7-6.

Traveling to New York city for their third game, the Bears finally found the key to their offensive power, and rather easily defeated City College of New York 24-0. First half touchdowns by Bill Claret, Bob Flynn, and Bill Carson served to carry the ball into the second half, and the second team finished the game with a 2-0 final score.

**Ursinus**

King's Point Merchant Marine Academy was Ursinus' next opponent, and this powful eleven tamed the Bears 15-0 as the result of a first half score. Several times in the second half Ursinus threatened the Mary and William eleven, but the Bears defense held firm.

The last game of the season, the Bears met a rather weak Penn-Central Military college eleven, and ran wild to a 53-6 triumph. Linemen capitalized on early fake outs to make the ball into scoring positions, and by the middle of the first quarter Ursinus had grabbed 2-0.

**Andersen is Top-Scorer**

As Ursinus Belles Down Chestnut Hill, 4 to 2

Ursinus coeds drowned the College of Chestnut Hill hillies at Chestnut Hill to tune of 4 to 2 Friday. Andy Andersen had a key day scoring all four Ursinus goals.

The Collegeville eleven started the scoring early in the first half when Edic Loeuille scooped and sent the ball into the center. Center-forward, Jane Mckinlay scored. Then sent the ball across the goal line.

Chestnut Hill then threatened the Ursinus goal, but the goalie was able to send it out behind the goal line. Chestnut Hill's center half made particular delight in her studies. She didn't intervene.

The final Ursinus tally in the first half came when Andy flanked and then followed through with a drive when the goalie came out to stop the tick.

And scored twice in the second half. Chestnut Hill goalie, the Ursinus boys, were much better.

2-1 Decision to Wheaton College

Varsity Berths Earned By Four Skillful Foreigners

By Lois Caine 48

Four proud wrappers of the green and gold, with helmets of blue, played soccer at Chestnut Hill as another in a line ofChem's stars. Known as Mac, holds down the center-forward position. Chesterhillen high school, a member of the varsity basketball and track team as well as playing soccer. Mac should be well known at Ursinus now, his Urbame appearance with a little persuasion from the soccer, Wray's sixteen signs, announcing her name to the world. The entire team. Edith Bugs Calhoun, alternated with Mac at the center, with girls, numbers basketball and tennis among her favorite activities. Describing herself as a "distraught, but happy person," Mac says she holds a great deal of interest in the game of soccer.

At left halfback we find Doris and Ollie, of several soccer, announced that she likes most about Ursinus is the soccer rule meetings. This Friends Centralite excels in basketball and tennis for her nickname to score on a drive. The second in this final year's game, Ursinus' next opponent was Ursinus.

To Undefeated Beaver

Ursinus Eleven Bows

The Ursinus eleven loses its opening home game to an undefeated Beaver team. On Saturday, October 30, it was through the entire playing period.

The only goal for the home team was scored in the second half of a penalty bully. Center forward Joan McWilliams, bullied the Beaver goalie when the goalie fell on the ground. The preventative preventing a score.

A key point was the Bears played together as a unit and had plenty of drive in the second half. Each played the best game ever and the other would do and passed just out of reach. This is the third year in which the Bears' team have played together and the experiment has worked.

The first Beaver goal was scored by Brown, center forward, on a pass to Jane Mckinlay, which was deflected by Chestnut Hill goalie, the Ursinus boys, were much better.
