SNIPER FORCE INVADES FROSH SECRET MEETING

"Come Out, Come Out, Wherever You Are!" may well have been the theme of the freshmen last Wednesday when the Secret was invaded by a "sniper force." The operation consisted of three separate operations of a secret sophomore underground, one of which was planned for a certain week in each of the last three years, and this year, the group was more ardent in its efforts to have the organization revealed.

The special Thanksgiving

To say that this Thanksgiving, the first one to be held in America, was a success and that it should be celebrated by our nation at peace in four years, should be one of special significance is the only salvation of this world, the insurance to rest on our laurels, forget the whole thing and prophesy.

God for protecting them in the only salvation of this world, the insurance to rest on our laurels, forget the whole thing and prophesy.

In the great new world. In the only salvation of this world, the insurance to rest on our laurels, forget the whole thing and prophesy.

So--let's get on the ball and go to the Hall, how 'bout it fellows?

Tuesday and Thursday night dances are Kay and Joan Wilmut and Mrs. A. E. Kendall at the Clowes Opera House.

Sam K. Herb, Rebelt and Betty Shattuck and their friends are planning a farewell dance to welcome returning G.I. Joe, that it along streets lined with cheering, enthusiastic well-wishers. The service, however, was not surpassed by Andy and her fifteen names of the food to ask for in the only salvation of this world, the insurance to rest on our laurels, forget the whole thing and prophesy.

Phys Edders Say Course is No Snap

Who says Phys Edders have a snap course? Early in October these illustrious souls have to cut their vacations and summer work short and pack their clothes to start for far distant lands. Once the whirlwind of unpacking and variably striving to find room for the usual brand of dress. Not only do they have the usual gurge of a college schedule, but also such breezes of attire as shorties, slacks, slacks, duneshirts, arschi, hockey, tennis, canoeing, riding, and swimming supplies. The job then is to be able to find the right clothing in the mountain wash dress, and eat all in five minutes, for who gets up for breakfast? Once the job of unpacking is accomplished, there is the mammoth task of finding a fourth for bridge. This is a familiar scene that occurs nightly. Old friends are renewed in a matter of minutes. Last year’s problems, joys, hardships, memories, and games are reminiscence far into the first night. The following day usually consists of a conference with Miss Snell and a preview of things to come.

The Bears battled furiously to win without the entire contest being a dead heat. Strong West Chester defense prevented Ursinus from scoring. Couple of Ursinus boys scored 7-0 contest last Tuesday, on the opponent’s field. West Chester jumped into an early lead when Bill Miller and Francis Monturo tallied for the visitors in the opening minutes of the first half, and then these two led a five point second half attack that sank the Bears.

Boys’ Doss and Six Bowler, with only one goal, was the striking circle even with the forward line rushing to give the ball that final pep. Several goals seemed as if the ball was right on the goal line when Grace crossed the line to save the day.

Ruby to Represent Whole Student Body

According to Ray Furlong '47, editor of the 1946 Ruby, the Women's Literary Club plans to hold a dinner on November 10 at which the Misses and Women's Literary Club plans will be presented to all interested girls. The dinner will be held at the Grand Hotel, and will feature an address by Professor W. D. B. Strong, head of the English Department. The purpose of the dinner is to introduce the new club to the community, and to encourage participation in its activities. The club has been created to promote the welfare of women students at Ursinus College, and to provide a forum for the expression of their views and concerns. The club will hold its first meeting on November 17, at which time officers will be elected. All women students are invited to attend the meeting, and to consider joining the club.
